

# Streetsville Review

STREETSVILLE'S ONLY LOCALLY OWNED WEEKLY

93 QUEEN ST.S.

125th Year No. 8

PRICE 10¢ PER COPY

WEDNESDAY, OCTOBER 6, 1971

If you haven't already recognized the gentleman in the picture, whom you can see downtown every day walking with his faithful dog - his name is Sheldon Stewart Rice. This handsome couple are celebrating their 56th wedding anniversary on October 12. But today is an especially happy day for

Mr. Rice - he is 90 years young. The Streetsville Senior Citizens are giving him a birthday party today to honour him and his wife. The Rices have eight children, numerous grandchildren and three great grandchildren.

Photo by JOHN LINDSAY

## W.I. AT BRAMPTON FALL FAIR

With the Fall season come the Fall Fairs. On September 16, Mrs. Wm. Finley, Mrs. R. Dadd and Mrs. A. Cryderman prepared the Streetsville Women's Institute booth at the Brampton fair. The theme was "Hobbies for the Middle Years" and the items used comprised mostly the work of the members - Leathercraft, Tatting, Oil Painting, Needlework, Crocheting, Rug Hooking and many others. The most impressive display was a hanging or matting done by Mrs. R. Dadd with the W.I. insignia and motto "Home and Country" hooked in gold and blue wools, which will be presented to the Streetsville W.I. at a later

date to be used as a frontal. Observing the different booths of the Peel South District, Streetsville's title "Who's Bored" was well phrased.

On September 23 forty-two members and friends met at the United Church for lunch after touring the Sara Lee Kitchens at Brampton. Roli Call was "What Interested Me Most at Sara Lee's" and the general summation was "cleanliness and efficiency".

September 18 the W.I. catered to a luncheon at the Community Hall after Premier Wm. Davis officially opened the new Senior Citizens' building. Mrs. C. Brocklebank and committee did

a fine job.

Mrs. Brocklebank read a letter from Mrs. A. Zoeller, president of F.W.I.O. congratulating all branch members for the completion of the 75th Anniversary Project (the contribution to the expansion of the MacDonald Institute) and proposed purchase of the Erland Lee homestead at Stoney Creek is underway.

Mrs. N. Cook and Mrs. F. Dowling will attend Training School at Snelgrove on October 7 and 8. The topic will be "Ontario Fruits". Mrs. Wm. Finley is voting delegate at the area convention to be held at the Royal York Hotel on November 3, 4 and 5.

A committee made up of Mrs. Wm. Tolton, Mrs. Wm. Wagner and Mrs. L. Huston will be busy finding a way to commemorate the W.I. 75th Anniversary in 1972 and their decision will be announced at a later date.

Mrs. L. Huston was appointed to serve as a Branch Director in place of Mrs. H. Dunn.

Mrs. F. Noble was convenor for Home Economics month and Mrs. L. Huston brought the meeting up to date on current events such as the shrinkage of milk jugs - from 8 to 10 ozs; salmon in the Credit River; closing of the A & P Store; new mail delivery service; U.S. surcharge tax; and many more news items, not so close to home.

Mrs. C. Brocklebank attended the A.C.W.W. Convention at Oslo, Norway in August and on November 18 will show pictures and comment on her trip.

Lunch was served by Mrs. Workman, Mrs. Finley and Mrs. Couse.

The W.I. members will meet early (1.15 p.m.) on October 21 at the Library to take a tour of the Meadowdale Information Building. Meeting closed with "O Canada".

## Congratulations Streetsville

The South Peel Unit of the Canadian Red Cross has asked The Review to say "thank you very much" to the 300 residents of Streetsville who gave their blood at the Blood Donors Clinic held on Monday, September 27.

"The residents of Streetsville were marvellous. This was the best Clinic ever," said a Red Cross official this week.

## DANCING CLASSES

Dancing classes under the sponsorship of Streetsville Recreation Commission will take place Saturday mornings 9 to 12 at Streetsville United Church.

## A Not-So-Quiet Sunday Morning

If you live on or near Queen Street and you tried to sleep in last Sunday morning you were out of luck as police cars (with sirens screaming) from 3 jurisdictions - O.P.P., Mississauga and Streetsville chased a stolen car through Town.

The chase came to an abrupt end as the driver ran the red light at Queen and Britannia, swerved over and hit the stone wall on Britannia Road near the home of Morris and Ellen Munro.

"It was very frightening" said Mrs. Munro. "I heard all the sirens wailing, looked out and saw the smash-up. It's a little more than one can take on a Sunday morning."

Rodney Wayne Wilson, age 18 of Toronto has been charged with auto theft, criminal negligence and driving without a licence.

He was injured in the accident

and taken to Mississauga Hospital in a police cruiser. He was released from Hospital on Monday and taken to Brampton jail.

The chase started at Highway 27 and the Q.E.W. when Ontario

Provincial Police Constable R. Jackson attempted to stop the vehicle for a routine check. The driver took off, and the chase finally ended in Streetsville at 10.18 a.m.

## A NEW JOB FOR BILL

Bill Hamilton, former Commissioner for the Town of Streetsville has accepted a position with the Credit Valley Conservation Authority.

Mr. Hamilton starts his new duties next week. They will consist of checking on behalf of the Authority, land fill projects adjacent to the Credit River.

We are sure that the majority of Streetsville residents will wish Bill much success as he starts this new endeavour.

## CAN SAVE XMAS CARDS

Canadian Save the Children Fund Christmas Cards are now available from Mrs. B. Sims, 5200 Creditview Road, 826-1364.

These beautiful cards come in packages of ten - at \$1.25 and \$2.25 a package.

In addition to carrying your good wishes at Christmas, the CAN SAVE Cards help raise money for the care and feeding of hungry children throughout the world.

The cards come in 12 different original designs, eight of the artists are Canadians including one from Mississauga, Mrs. Mary Jane Muir.

## Give Thanks Sunday

A Thanksgiving Service will be held Sunday, October 10 at 11 a.m. in St. Andrew's Presbyterian Church.

At 10 a.m. next Sunday morning the congregation of Streetsville United Church will join in their annual Thanksgiving Service.

## Welcome New Members

An informal reception was held in the Fellowship Lounge of Streetsville United Church last Sunday morning to welcome new members to the congregation - Mr. and Mrs. Wayne Brown, 19 Reid Drive; Mr. and Mrs. Norman Firth, Turney Lane; Mr. and Mrs. Robert Laird, 49 Hammond Ave. and Mrs. Rupert Laird also of 49 Hammond Ave.

## DIED

RITCHIE Noble John At Streetsville on Saturday, October 2, 1971 in his 76th year; Noble Ritchie, father of Raymond of Streetsville. Brother of William of Streetsville.

Resting at the Lee Funeral Home where service was held Monday afternoon, Interment in St. Peter's Cemetery, Erindale with Archdeacon G. Banks officiating. Pallbearers were: Charles Sproule, Harry Forden, Jerry Brinkman, Jack Hyde, Carl Crozier, and Hugh O'Neill.

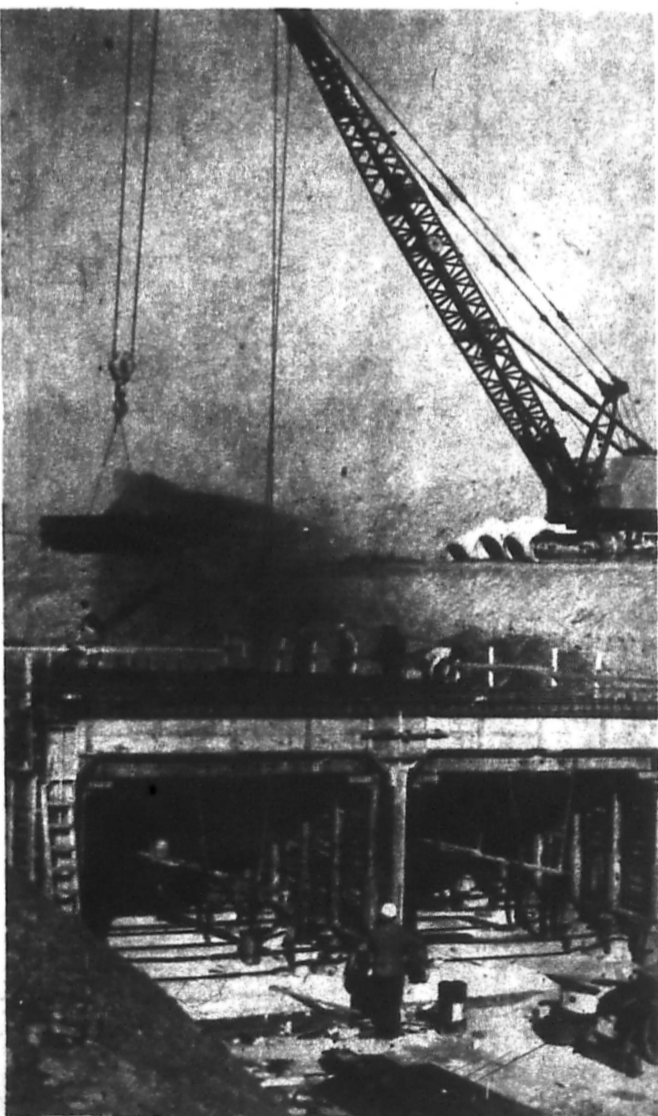

The winner of the \$25 prize for the best display at the Activity Fair went to the Prefects. This group serves the school in many valuable ways showing that students can govern themselves. Shown here are (standing, left to right) - Gay Manley, Janet Grice, Sue Baxter. Seated - Ellen Dimitroff modelling the fashions of the past.

At the Activity Fair held Tuesday, September 21 at Streetsville Secondary School, the newly formed Judo Club demonstrated an intricate movement for interested students - many of whom later joined the club. Grey Cooper is the student in motion.

The Model Flying Club attracted the attention of many students at Streetsville Secondary School's Activity Fair. Club members shown here are Doug Betts, President; Bob Stokes, holding his free flight model, and Doug Teramota in foreground building a hand-launched glider.

No, it's not Streetsville's answer to the east-west subway - it is the Mullet Creek Diversion system presently being constructed at the north end of Streetsville. The diversion when constructed, will ensure that water draining off the developed properties will not overflow the Mullet Creek.

# MUSEUMS IN ONTARIO MAINTAIN RECORD BREAKING ATTENDANCE

The Hon. Fern Gulindon, Ontario's Minister of Tourism and Information and Public Records and Archives announced this week that 1971 had seen the province's museums maintain their

annual record breaking attendance, receiving over 7,000,000 visits. Mr. Gulindon said: "My department, which, through the Museums Section of the Historical Branch

is able to assist many of these local institutions, is extremely encouraged with the continuing high rate of attendance. It is proof both to the government and to our citizens that history and

the conservation of our historical heritage has come into

its own and deserves our hearty support." Ontario has about 215

museums, many of these owned and operated by local municipalities, conserva-

tion authorities, Indian Band Councils, historical societies, private citizens and other groups. The Minister paid particular tribute to these local insti-

tutions and said "We are happy to be a part of this growing movement to preserve our past through the modest assistance we can give to local museums. However, it is mainly

through the efforts of many of our interested citizens that these institutions can function so efficiently in presenting the different facets of their past.

## NOTICE RESPECTING ASSESSMENT FOR 1972 TAXES TOWN OF STREETSVILLE

Assessment notices WILL NOT BE MAILED to all owners and tenants as in previous years, except to those who have had a major change in their assessment. The assessment roll returned in 1970, as revised, will be used for taxation in 1972.

Any complaint with respect to an assessment on the assessment roll may be brought to the Assessment Review Court pursuant to Section 52 of The Assessment Act, R.S.O. 1970, as amended.

Any Notices of Complaint must be made in writing either by letter or on forms available at the Municipal Offices, and shall be mailed by ordinary mail to:

**REGIONAL REGISTRAR,  
ASSESSMENT REVIEW COURT,  
713 DAVIS DRIVE,  
SUITE 303,  
NEWMARKET, ONTARIO.**

and in addition, by registered mail to any other person whose assessment is complained of, NOT LATER THAN THE 31ST DAY OF OCTOBER, 1971.

For purposes of identification, please include your name and postal address, and the reason (s) for complaint. If possible, note also the assessment roll number, the street address, concession and lot numbers, and the municipality in which the property under complaint is situated.

Assessment rolls may be inspected between the hours of 9:00 a.m. and 5:00 p.m. Monday to Friday, at the Municipal Offices, 327 Queen St. South, Streetsville.

NOTE: The office will be closed on Thanksgiving Day, Monday, October 11th, 1971.

DATED this 29th day of September, A.D., 1971.

#45282

Clerk, Town of Streetsville.

## Toyota Price Up

Prices of Toyota passenger cars in Canada are to be increased, it was announced last Friday, by Canadian Motor Industries, importer and distributor of Toyota vehicles in Canada.

Price increases vary from \$100 to \$180 on the Corolla 1200 and 1600 series, Toyota's lowest priced line in Canada, to \$201 to \$251 per unit on more expensive models.

The price increase became effective with a shipment of vehicles which arrived in Canada from Japan September 29. Toyota vehicles already in the country prior to this will be sold at the former price rate.

A company spokesman attributed the price increase to the upward revaluation of the Yen brought about by recent changes in world economics.

## Athletes Of The Week

Although their football teams weren't having very good luck last week, students at Streetsville high school did have one thing to rejoice about. Two Streetsville boys won the senior doubles tennis championship of Peel County. Doug Christensen, the "veteran" with the experience of one previous tournament and Rich Armstrong, a rookie at competitive tennis provided a pleasant surprise with their victory. They started with a 10 wins to 4 win over an Erindale team, eked out a close 10 - 9 win over a Kennedy pair, then polished off Port Credit's best 10 - 4 to gain the finals. It looked like their bubble had burst when they lost the first set of the finals 3 - 6 to Erindale's Louie Martin and Doug Gowland.

But Doug Christensen and Rich Armstrong were far from out of it. They came back with a convincing 6 - 1 win to tie the final at one game apiece. Then as they began to smell the championship, they couldn't be beaten and won the rubber set in six straight games for a love set. Rich and Doug didn't win the Peel-Halton zone finals later in the week, but they did get as far as the semi-finals, losing to the smooth experienced Paul Hammond and John Musgjer by the respectable scores of 6 - 2 and 6 - 4. The Burlington pair then won the final.

Doug Christensen played on the junior basketball team for two years and played hockey up until two years ago. He is 18 and in grade 13. He doesn't restrict his tennis activity to lawn tennis, but plays quite a bit of table tennis too. In fact he is reported to be the top ping pong artist at Streetsville Secondary School.

Rich Armstrong, also 18 is in grade 12 and has played hockey and basketball. He was a member of the championship midget basketball team three years ago. He was also one of the more active of the 23 coaches, members of the Delta Omega Pi Fraternity who took the responsibility of coaching the Applewood Motors pee-wee basketball team last summer. Winning championships doesn't come easy and

Principal Fraser Manders cited Doug Christensen and Rich Armstrong for their achievement in bringing a Peel County championship to Streetsville. Even Mr. Manders had noticed and approved of the long hours that these athletes have put in on the courts and which have been rewarded by a well-deserved championship. ROSS GOHEEN

## OCAA Golf Tournament Is On This Week

Sheridan College, Oakville, will host the 1971 Ontario College Athletic Association Golf Championship, on Thursday, October 7 and Friday, October 8 at Glen Abbey Golf and Country Club.

An estimated 85 golfers from 17 Community Colleges will take part in the 36-hole tournament. In last year's tournament held at Windsor's Beach Grove Golf Club, Sheridan rode to a second-place finish behind the putting and driving of Dwayne Hay who took top individual honours.

This year coach Dick Ruschensky predicts a first-place finish for Sheridan. Members of the team are Dave Mac Donald of Mississauga, Ian Thompson, London, Larry Littlefield, Mississauga, Bob Woods, Mississauga and Ron Buckingham of Walkerton. Golfers tee off at 9 a.m. each day and a banquet at Glen Abbey follows the final round. Mr. John Bromley,

Dean of Student affairs at Sheridan will present the winners with their awards. Centennial College of Scarborough are defending champions. Colleges partaking in the tourney are: Cambrian (North Bay) Cambrian (Sault Ste. Marie), Cambrian of (Sudbury), Seneca of Toronto, Conestoga, (Kitchener), Algonquin (Ottawa), Sir Sandford Fleming (Peterborough), St. Lawrence (Brockville), St. Clair (Windsor), Centennial, Durham (Oshawa), Fanshawe (London), Loyalist (Kings-ton), Niagara (Welland), Northern (Kirkland Lake), Mohawk (Hamilton) and Sheridan.

## MIRA MAR TAKES FIRST GAME OF SEMI FINALS

Streetsville Mira Mar Soccer team, supported by Maple Lodge Farms and Rea Bros. Transport

took another step in quest of the Central Ontario Soccer championship last weekend. The Mira Mar team

won the first game of the two-game semi-final series 3 - 2 and now carry a one goal advantage into Georgetown for the second game of the series next Saturday. If they can hold their lead or add to it, they will meet one of the two Guelph teams now playing in the other semi-final round.

Streetsville struck first on an early goal by Joe Da Costa in the game played at Streetsville Park last Saturday. Georgetown came back to score twice and take the lead, but John Santos came back to tie it up before half time. John Freitas was the hero, scoring the only goal of the second half. Great efforts by Frank

Rosa, Waldemar Travoja and the whole team kept Georgetown

off the score sheet for the rest of the way to preserve the win.

## VALIANT COUGARS RUN OUT OF FUEL

Soccer ended officially this season with the Cup finals being played at Huron Park on Saturday, October 2. Streetsville's entry Wilcox Truck Bodies Cougars went down in defeat to Silverthorn 2 - 0 on goals by Gary Phillips and Mike Hopkins.

For the losers Dean Edwards and Bruno Colevecchia worked hard throughout the game. At the end of the match Graham Leggett, coach of the Toronto Metros presented trophies to both teams; one to the Cougars for

being Division II League Champions and the Group II Playoff to Silverthorn.

Special Note to All Soccer Players: Presentation of crests and team pictures will be taken on Sunday, October 17 at the Streetsville Arena, starting at 10 a.m. Anyone wishing to order a picture may do so at just \$1.00 each.

All players will be notified by their respective coaches as to the exact time to be down at the Arena.

## Nakoneczny Wins Junior Tennis Title

In the Peel County boys high school tennis finals last week, three T L Kennedy boys made it to the finals and one, Ed Nakoneczny became Junior Single Champion of Halton and Peel. Ed won the championship with twin 6 - 4 wins in the championship match. Wayne Vickress and Mark Dimitroff got to the finals in the junior doubles but lost to Bob Chisholm and Arnold Fleming of Lorne Park 6-3, 1 - 6, 6 - 2.

and Paul Hammond won the doubles championship by coming back after losing 1 - 6 to win 6 - 2 and 6 - 2 for the championship.

ED NAKONECZNY

# ERINDALE KERRY BLUES MIDGET A 1971

REVIEW, WEDNESDAY, OCT. 6, 1971 Page 5

KURT FORSTNER  
Goal

In 1971 Erindale entered the Midget "A" Division of the O.M.L.A. In doing so, all players realized they were in the best competition available in the entire nation. They also realized that many nights would find them badly beaten, out-classed and humiliated. They all had a chance to play in a lower division, but none would leave. They all attended practices faithfully, and games religiously. They played the entire season without even gaining a single point, although a few games found them

within a few goals of the opposition. What can one say about a team of 14 and 15 year old boys who would never say "I quit", especially when the odds were so high. The Erindale La-

Kenneth A. Sluman has been appointed marketing manager of Campbell Manufacturing, a subsidiary of Canadian Industries Limited and a leading manufacturer of golf clubs and balls. He succeeds J. D. Learment who has been recalled by CIL's ammunition division. Mr. Sluman, formerly a division manager with Spalding Brothers has had extensive experience in the marketing of sporting goods throughout Canada. A professional football player for nine years, he played during the war with the Grey Cup winning RCAF Hurricanes and then with the Calgary Stampeders and Edmonton Eskimos. He lives in Mississauga and is a member of the Pine Valley Golf Club.

Photo by Herb Knott & Co. Ltd.

crossed Association is proud of these boys - and always will be - and will always remember the year 1971 as your "moment of truth", which none could have met so well. FERGUS TOURNA-MENT: The Erindale Kerry Blues won the B championship of the Fergus Tournament. The first game played against Whitby was lost in sudden-death overtime which placed the Blues in the B division. (A co-incidence here - in 1969, Erindale defeated this team in overtime to advance to the All-Ontario Bantam Finals). The next game for Erindale was against a strong Fergus team who were edged by a 9-8 score. Windsor Golden Hawks came next and had their feathers ruffled by an 8 to 4 defeat.

The final game matched the Kerry Blues against the Alderwood Marlies in an exciting match which found Alderwood ahead by two goals at the start of the third period.

The Blues came from behind and ran away with the game - final score Erindale 14 - Alderwood 9. (The first team from Mississauga to win a Fergus Title since the tournament's inception in 1963).

NOTE: The Review has followed the progress of these boys with interest and wishes to congratulate them on their big win and wish them success in all their future ventures.

# GO AHEAD!

## BUY CANADA SAVINGS BONDS

If you're looking beyond today, plan ahead with Canada Savings Bonds. They're the go-ahead way to save for the future - without worry.

**Easy to Buy:** You can buy them three different ways; for cash where you work, bank or invest; on instalments through the Payroll Savings Plan where you work; or on instalments through the Monthly Savings Plan where you bank or invest.

**Simple to Cash:** Canada Savings Bonds are cash, hard cash - instantly. They can be redeemed any time at their full face value plus earned interest.

**Good to Keep:** Canada Savings Bonds are safe. They're backed by all the resources of Canada and they pay

good interest - year after year. New Canada Savings Bonds yield an average of 7.19% a year when held to maturity. They're available in amounts from \$50 up to a limit of \$50,000.

Each \$100 Bond begins with \$5.75 interest for the first year, pays \$6.75 interest for the second year, pays \$7.50 interest for each of the next five years, and then pays \$7.75 interest for each of the last two years.

On top of this you can earn interest on your interest and make each \$100.00 grow to \$187.00 in just 9 years.

Canada Savings Bonds are good today, better tomorrow. They're Canada's most popular personal investment. Look ahead! Go ahead! Buy Canada Savings Bonds.

## Has your insurance kept pace with rising costs?

You don't have to be a contractor to know that building and labour costs have skyrocketed. Materials have increased more than 25% over the last 6 years and still going up. What if fire or other hazards made it necessary to repair or replace your home? Would your present insurance cover the expense?

One of the independent insurance agents in your neighbourhood can help you to answer that question. If more insurance is needed, ask him about a low-cost, Economical package. And for complete peace of mind, add Economical's *Inflation Guard* endorsement to the policy. It automatically increases protection dollars in pace with rising replacement costs.

Brampton	0	2	12	59	0

## SCHEDULE Friday, October 8

Erindale at Graydon  
Applewood at Brampton  
Pt. Credit at Lorne Pk.

Doug Kitts three three more touchdown passes as the Hawks almost had their wings clipped for three quarters but broke loose for two clinching T.D.'s in the last three minutes. Len Platt caught passes for over 100 yards gain including two touchdowns. He also kicked a single. Mike Resanovic caught the other payoff pair.

Mike Resanovic caught the other payoff pass. Frank Ventres converted all three.

Applewood continued to show great ground strength and outscored Lorne Park in a close game. Paul Ford three touchdown passes to John Turple and Merv Buck, kicked a field goal and a convert and completed 16 out of 21 passes to lead the losers. Applewood quarterback Dave Green rambled for two as the Axemen poured power down the middle instead of DeGroot sweeps. Steve Shane ran for one major and a two-point conversion while Bob DeGroot kicked a single to round out the scoring. Defensively Gary Patrick and two-way men Brian Semkiw and Doug Gray stood out. Big fullback Tom Casswell didn't figure in the scoring but gained a lot of ground.

Port Credit got majors from Dave Clare, Greg MacRae and Grant Brick to beat Erindale. Blake Medlar and Greg Timmins had touchdowns and Peter Buttle one convert for Erindale.

## CHARGERS UNSCORED ON SENIOR B

## SCORES:

Glenforest	1	1	10	13	2
Bramalea	1	1	8	30	2
Streetsville	0	2	0	37	0

## SCHEDULE Friday, October 8

C. Peel at Glenforest  
Clarkson at Kennedy  
Streetsville at Bramalea

Clarkson Chargers emerged as the powerhouse of the league by racking up their second straight shutout. Four players Doug Kozak, Gary Empey, Joel Schaefer and Kevin Feeney had one major each. Al Rizzuto kicked two converts and Dave Hinton ran a 2-point convert to complete the scoring. An alert defense blocked two punts again. Feeney's touchdown was a runback of an interception. Others who stood out defensively were Hinton and Don McMillan.

Kennedy completed its most successful football week in recent years when their seniors won to make it a sweep for the school. Ben Vandecamp kicked seven points on two field goals and a convert on Allan McAlder's touchdown. Dave Bignell was a standout two ways, blocking, returning punts and gaining ground.

Joe Say made three touchdowns on sweeps to add to one each by Joe Carusi and Joe Mancini to make it a big day for guys named Joe and TL Kennedy. Don Scott quarterbacked the Kennedy team that led 20 - 0 at the half. Louie Battagin kicked three points. Defensively Terry Venner was outstanding. Streetsville couldn't get much going until late in the third quarter Mike Goheen completed six passes to Mike Roy. Grant Thompson and Mike Cederberg for a gain of over 100 yards. Dave Madersbacher plunged across for the Tigers' only TD which was converted by Dennis Chadala.

Doug Burgess had a single and a touchdown which was converted by Peter Walcott to give Erindale its win.

Dan Glugosh scored both Glenforest's majors and Frank Cocca converted one of them. Dave Flynn scored three times to lead Gordon Graydon.

Applewood's two touchdowns were both by Eric Roll. Aldo Pighin made one convert in their tight battle with Port Credit.

The Woodland Wolves rookie team of grade 8 and 9 boys lost another close one by one touchdown to unbeaten T L Kennedy. Kennedy's touchdown came when Joe Bradica passed to John Parry who lateralled to Saverio Gualtieri who in turn ran for the touchdown. Alwyn Vandenberg converted it. Paul Johnson kicked a single for Woodlands while others who stood out were defensive half Steve Petrie, end Dave Evans, back Reynolds Epema and two-way man Blake Barclay.

Erindale's points came on majors by Ted Flanagan, Adrian Marchant and Robin Rowe. Flanagan and Marchant also each had a two point conversion.

Brian Bishenden scored Glenforest's touchdown and Mark Harvey had a good day at fullback.

Steve Littlefield scored two TD's to lead Applewood over Port Credit. Others in on the scoring included Pete Money and Andy Nietvelt. Applewood's three touchdowns were all completed with two point conversions.

# STREETSVILLE OMHA NEWS

by Frank Walker

Dick Bowen, our local postmaster replaces Stan Kalapacas as manager of the juvenile team this year. Dick reports the name of his team will be the Streetsville Cobras. Joe Ford, formerly with the Dixie Hockey organization will be handling the coaching duties.

Sponsors for this year's juveniles will be Bill Thompson of Thompson Brothers Trucking and Ken Marriot of Streetsville Forest Products and Building Supplies. Both Bill and Ken are solid supporters of hockey and lacrosse in Streetsville.

Dick Bowen brings to Streetsville a wealth of hockey experience from the Erindale Hockey Association. From all reports he has held almost every job from coach to president of the Erindale Association.

Dick reports a good turnout for the juvenile team with about half of last year's club returning.

Last week we reported the name of the midgets incorrectly. It should have read "The Seaway Copper Kings".

All the Streetsville OMHA teams have completed their try-outs and pretty well selected the nucleus of their teams for the coming season.

Both the Novice "Thunderbirds" and the peewee "Panthers" have had exhibition

games and from the looks of things there is certainly some promising young hockey talent in our town.

This season the Streetsville Arena will have a new look. Glass has been installed to

replace the wire screen on each side of the arena. A brand new paint job, along with new seats, will make your trips to the Arena much more enjoyable. The next thing we know Punch Imlach will want to move his Sabres to Streetsville.

## STOCK CAR RACES

### PINECREST SPEEDWAY NEWS

by Jim Landers

Pinecrest's Fall Championship was captured by #48 Norm Lelliott, 1970 O'Keefe Points Champion, who only managed a fifth place finish in the standings this season. An excellent performance of driving brought the ace pilot through the pack to take the lead from veteran Gord Dolphin #80 in the thirty lap feature race. Dolphin finished second and #16 Barry Stather placed third. The Hard Luck trophy was won by #17 Murray Tustin after a hard fought battle with #52 Garnet Penn. With only three laps to go Tustin forced Penn to

the infield and took the lead.

Driving a high-powered racer on the track is much harder than it looks - as was found out by Carl Hunter, George Rueffer's mechanic. While warming up their late model, Carl slipped out of the seat on the #4 corner allowing the car to spin heavily into the wall. A bent frame and no car to drive were the results for driver George Rueffer #24.

Jim Ward #22, the winner of the Checkered Flag Trophy, picked up one more victory Saturday night in a pre-feature race.

Don Hawn #42 enjoyed his most productive night in nine weeks, earning over \$100.00. Don lacked the power on the straights with his small engine, but was able to catch the drivers on the corners.

To racing fans, the season is over, but for the drivers and their crews, it is back to the drawing boards. They will be back next year - some with new looks; some with more power; and all with one more year of experience; all in all to make up what has been said to be one of North America's fastest growing sports.

## GROWLS FROM THE DERBY DEN

Last night (Tuesday) the Derbys played their first scheduled game in the Central Ontario Junior B hockey league.

On Monday night, just 24 hours before game time it appeared that there would be exactly two (2) holdovers from last year's team in the opening gameline-up.

Forward Brad Penman and defenseman Dave Kelly were scheduled to play and two others, forward Bill Repath and defenseman Paul Whitehouse will be available later but it looked like a pretty green lineup to be heading into Junior B competition.

Three Streetsville boys, Don Arch, John Sears and Falk Gruenwald were signed and John Sands of Erin-dale looked like a good bet for first line centreman.

Other than a few bright spots, Derbys' hopes at the moment look a bit dim. But it's a long, 42-game schedule so look for Manager Wayne Copeland and Coach Tom Barrett to come up

with a contender by Christmas time.

Derbys' showing against Bolton last Thursday night indicated that they are going to miss all their big trigger men of last year's team. They outplayed Bolton for two periods and had only a 1-1 tie to show for it. Then they were outplayed for one period and ended up losing 5-1. Each team picked up over one hour in penalties but the Derbys were hurting more in the third period when Bolton scored twice with a two-man advantage and once with a one-man advantage.

Dave Kelly was the best man on the ice and also scored Derbys' only goal, the first one of the game. Goalie Gary Smith allowed 4 of the 5 goals in the third period but he was treated like a target in a shooting gallery for much of the period. His acrobatics saved several sure goals among the 24 shots he had to face compared with 6 the Derbys mustered at the other end for the period.

## ASK THE CHIROPRACTOR

QUESTION: My nine-year-old son has been complaining of headaches for more than two years. Friends have recommended chiropractic treatment. Do you think this might help? MRS. D. K.

ANSWER: Many children as well as adults are treated regularly for headaches by chiropractors. Headaches occur in children for a variety of reasons, but a large percentage of headaches are caused by misalignment of one or more vertebrae or spinal bones, improper posture, spinal curvatures or injuries to the spine. Any of these conditions may cause irritation or impingement on the nerves which supply the head, neck and shoulders. Pain can vary from slight and intermittent to excruciating, and sometimes even the eyes and stomach can be affected, as in migraine-type headaches. A thorough spinal and nerve examination is indicated. Once the chiropractor has located the basic problem, steps can be taken to correct it. We suggest you consult your family chiropractor for further information.

## Lakeshore Residents Facing Unfair Odds In Planning Concept--Breithaupt

"Residents should be brought in at the beginning of the planning process, not after plans are shaped,"

### Bowling

STREETSVILLE LADIES BOWLING (Monday Evening)

H.S. Estelle Lamb 335  
H.T. Irene Forster 712

says Herb Breithaupt, Peel South Liberal Candidate. "Because the Provincial Government has no long range comprehensive planning guidelines for the whole Province, it's far too easy for developers to in-

fluence planners without reference to citizen's groups in small areas like the Lakeshore community. Liberal policy insists on planning guidelines as well as financial assistance

to bona fide Ratepayers' and Tenants' Associations. "It seems obvious that Community Planners have a greater responsibility to residents than to developers. But the way things work now Ratepayers

are brought in almost as an afterthought. It's ridiculous to ask residents to pass judgment on information they really don't have, or to come up with alternative plans when they don't have the time, the expertise,

the finances or even immediate access to essential data. And so the Lakeshore Community Plan proposes close to a 900% increase in population, with minimum information about essential services.

"The present plan has holes in it big enough to run ten GO Trains through, and

that's only half the extra trains they'd need if this unplanned plan goes through." Breithaupt feels that South Peel's biggest industry is development. "There are no signs advertising this industry," he says "but we all pay for it, and we should know the full price before deals are made."

### St. Patrick's C.W.L. Meet

The Catholic Women's League of St. Patrick's Church, in Mississauga, held their first general meeting September 23. This took the form of a Pot Luck Supper and was held in the new Parish Hall. The Hall was very attractively decorated with fall flowers and fruit. Also, the tables

were set with lovely new china donated by the C.W.L.

Mrs. Lucy D'Angelo and her committee were the hostesses for the evening. The Rev. J. J. Buckley, Pastor, Mrs. Carol Beaune and her executive were at the head table. Mrs. Beaune gave a talk on the activities for the com-

ing year. Mrs. Phyllis Acton introduced Mrs. Brigid Grant and her group of Irish Dancers, also Mrs. Sylvia da Cunha who provided the entertainment for the evening.

Mrs. Bev. Carpenter, chairman of Peel Region C.W.L., spoke and reminded everyone of the coming Regional meeting to be held at St. Patrick's Parish Hall on October 14.

# FIFTY RIDERS PARTICIPATED IN THE HORSE SHOW AT MEADOWVALE ANNUAL FAIR

Mr. O'Rourke presenting Junior Championship — the ribbon and prize don- Linda Rosenthal with Mr. ation from Bahr Saddlery Goldstone to winner of Class One

On September 25 the Meadowvale Village third Annual Fall Fair was held in the picturesque setting of the Conservation Area of Meadowvale.

Just one of the events of the Fair was a Horse Show, sponsored by the Fall Fair Committee of Meadowvale, was very well attended by some fifty riders, their horses and ponies, as well as many spectators. The six classes were well filled, and all these young riders put on an excellent display.

One of the most enjoyable aspects of the show was a Musical Ride — a demonstration of formation riding to music, put on by members of the Meadowvale Pony Club.

Prize donations were made by Bahr Saddlery, Cooksville; Mr. Fred Roden, Toronto; Mr. L. Ehrlich, Toronto; and Mr. S. B. Bahr, Peel.

**The money you give to Peel goes to Peel.**

onto; Peel Seed and Co-op, Brampton; The Loft, Shopper's World Brampton; Mr. S. Buttle, Meadowvale. The prizes were presented to the winners in each class.

The results of the classes were as follows: Class 1 — Junior Showmanship: Linda Rosenthal, Gayle Palmer, Judy Smith, Kim Morrow. Class 2 — Hack Teams: Jennifer Lister, Cheryl Olsen, Wendy Davidson — 1st Prize; Lynda Hale, L. Rosenthal, Lynn Worters; David Lafferty, K. Morrow, Sharen Olsen; Marion Wadson, Lydia Dargie, Kathy O'Meara. Class 3 — Command Class: L. Worters

3. Olsen, Carla Olsen, Shelly Brisebols. Class 4 — Pleasure Hack: L. Dargie, Pat Varney, S. Olsen, Toby Nielson. Class 5 — Green Working Hunter Pairs: M. Wadson & Cheryl Davidson; L. Worters & Kim Powell; Susan Capple & Cathy Broadbent; L. Hale & Sandy Jones.

Class 6 — Green Jumper Fault and Out: Susan Capple, V. Kristy, Sharen Olsen, Shelly Brisebols.

Morrow on "Valentine Liz" and David Lafferty on "Queen of Camelot". One of the attractive entries in Hack Teams (3 abreast) left to right — Sharen Olsen on "Omega", Kim

## PUBLIC MEETING

ALASKA HOLDINGS LIMITED has applied to the Town of Streetsville for the rezoning of:

Part of Lots 2, 3 and 4 West side of John Street, Registered Plan S.P.R. 4, Town of Streetsville.

Interested residents of Streetsville are cordially invited to the Community Hall, STREETSVILLE ARENA at 8 p.m. on THURSDAY, OCTOBER 7 to discuss the proposed project.

ALASKA HOLDINGS LIMITED.

## PHONY MONEY

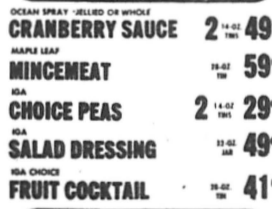

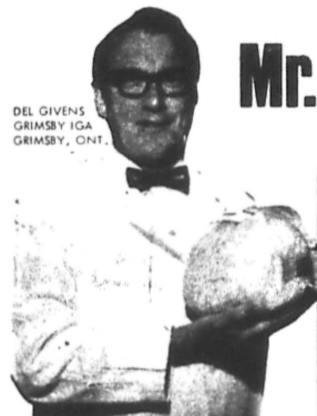

The Counterfeit and Forgery section of the Anti-Rackets Branch, Ontario Provincial Police, wish to warn the public of a new series of counterfeit American currency that is being passed in Ontario.

Unlike the former series circulated in July of this year, the current ten (\$10.00) dollar bills are of deceptively good quality and bear the following Serial Numbers: B 41947669 B Front Plate #B36 B 61947668 B - B 71947665 B - Back Plate #67.

The July series bear Serial Numbers: A 30593255 C, A 37954162A, B95468355 A, A 94238850 A, and A 29198289 B. The public is advised that should they

suspect they have received a counterfeit note the following steps be taken:

1. Do not return it to the passer — even if he offers to exchange it for a genuine note.
2. Delay the passer on any excuse if at all possible.
3. Call your Police Division or Department.
4. Mentally, obtain a good description of the passer. If he runs out or leaves before the arrival of the police, attempt to obtain his vehicle license number and write it down.
5. If you suspect you have a counterfeit note do not attempt to pass it off. The sentence for knowingly passing off a counterfeit note is up to fourteen years.

# Couple exchanges vows in C.V.C.A. historical Church

Melville United Church in Caledon Township, closed in 1963, took a new lease on life Saturday, September 25 when Nancy Jean Scott married Robert W. Slack of Caledon East. Nancy Jean was christened in this old church and requested the Credit Valley Conservation Authority for permission to be married there.

The authority accepted ownership of the church in 1969 in line with its policy of preserving historical sites in the Credit River watershed. The Historical Records Advisory Board of the Credit Valley Conservation Authority is under the chairmanship of Howard Stewart, Huttonville.

The area was settled in 1820 by a group of Scottish emigrants, and until 1831 when a congregation was officially formed, met in homes for services with a circuit minister once every three months. Rev. Andrew Bell of Toronto Township walked the 25 miles to conduct a week-day service once a month for the last three years. He organized the congregation in 1831 and appointed two elders, John Crichton and Archibald McNaughton.

The Presbyterian congregation at Melville United with a group from the east part of Caledon and called Duncan McMillan to be their minister. Mr. McMillan was from Scotland and could preach in the Gaelic tongue, a prerequisite of those days. In 1925 the congregation passed into the United Church of

Canada. In 1937 Melville United Church celebrated its centenary. In years gone by there was a church shed next door, 120 feet long, for protection of the horses during service. According to J. C. MacMillan, who with J. R. Campbell and G. S. Kirkwood was trustee of the church in 1937, the shed used to be

filled to overflowing for every service. Mrs. J. C. MacMillan choir leader and then organist for 25 years, played the wedding for the service. The bride is the daughter of Mr. and Mrs. George W. Scott, Belfountain. Her attendants were her sister Barbara Ann Corbett as matron of honour, bridesmaids Dianne Farley,

Maryann Slack, Jean Slack, Beverly Haws and flower girl Mary Jane Scott. The best man was Denby Farley and ushers Jack Corbett, George Scott Jr., Ted Hunter, Peter Tucker and ring-bearer Jimmy Slack. Music and flowers and especially people gave the old church new life and along the same theme; the bride and groom were photographed in an ancient democrat outside the church with the bride's grandfather, Elsworth Scott of Toronto, holding the reins.

C.V.C.A. Photo by Joan Rollings

## Fill Regulations Enforced

Fill, construction and water-course regulations have been enforced in problem areas of the Credit River valley at Norval, Huttonville, Terra Cotta, Streetsville and Cheltenham during the past few months by the Credit Valley Conservation Authority.

These regulations, registered under the Conservation Authorities Act, govern the placing of sand, gravel, garbage or any type of fill in areas designated by the Authority; building any type of structure in flood areas or below the high-water mark (determined by hurricane type storm) of any lake or stream; interfering in any way with the existing channel of the watercourse.

Anyone thinking of changing a channel, building or filling, should contact the local municipal office. Copies of the regulations and maps designating the regulated areas are available at these offices. If any construction work is planned in affected areas an application for a permit must be filed with the Credit Valley Conservation Authority at Meadowvale as per the regulations. A permit may or may not be issued for the proposed work depending on the individual case.

Many people in the valley are not aware that these regulations are enforceable. They have far-reaching planning implications in the Watershed and provide the Authority

with the means to cut down further potential flood damage in the valleys which are regulated.

## Studded Tires Are 'Out'

The use of studded tires in Ontario will be prohibited this winter, motorists were reminded in an announcement issued by the Department of Transportation and Communications.

The ban on further use of studs was announced a year ago after intensive testing showed their effectiveness as a winter driving aid was minimal and they caused serious general driving hazards by grinding ruts into pavement and obliterated lane guide lines.

## SHERIDAN HELPS WITH CHRISTMAS PLANNING

With less than three months left until Christmas, Sheridan College will help you plan ahead for the festive season by offering a course in How to Make Christ-

mas Decorations. The course will run five consecutive weeks in Oakville at the Trafalgar Road campus starting Tuesday, November 2 and in

Public Library, 2331 New St. beginning on Wednesday, Nov. 3.

All classes start at 7.15 p.m. The course fee will be \$10 and supplies will be avail-

able at cost. Oakville resident

Mrs. R. V. Birt-whistle will instruct classes in the creative design of Christmas corsages, table dec-

orations, door and wall decorations and fresh pine wreaths.

For information and application - 845-9430 or 632-7081 between 9 and 5 p.m. Monday to Thursday.

## RECREATION IN SHERWAY

The Executive of the Sherway Recreation Association has been very busy planning recreation programs for the residents of that area. The Badminton Club is now well underway with a

good turnout last Thursday night.

If there is sufficient registration within the next week, classes in Ballet, Modern Jazz, Baton and Basic Gymnastics will be conducted for the child-

ren at Sherway Public School on Saturday mornings.

The Sherway Recreation Association services the area east of Dixie Road and north of the Queen Elizabeth Highway in Mississauga.

## Important message to Ontario residents aged 65 and over

On January 1, 1972, hospital and medical insurance premium payments will be abolished for all residents of Ontario 65 years of age and over. This is in keeping with recently announced Ontario Government policy.

This policy will apply to the age of the certificate holder and will include coverage for eligible dependents. Premium-free coverage becomes effective on the first of the month during which a resident becomes 65.

### HOW IT WILL WORK

Under the new plan combined coverage will be continued under the resident's present Ontario Hospital Insurance number. The OHSIP billing system will be discontinued. All residents 65 or over who remit Ontario Hospital Insurance premiums on a pay-direct basis will be requested to complete a premium exemption application.

As the insurance records do not identify those who will be eligible for premium-free coverage, the application, when received, should be completed by those 65 and over and returned as soon as possible in the envelope which will be provided.

If you qualify and have already paid premiums to cover benefits after January 1, 1972, a refund will be made for the over-payment.

Unfortunately, until exemption applications are processed we cannot avoid routine mailing of normal premium notices. However, residents 65 or over should not be concerned. If the notice applies entirely to coverage in 1972, please hold it until the application for free coverage is received.

### IF YOU PAY YOUR PREMIUMS THROUGH A GROUP

Persons enrolled in groups will be reported to us by the group and transferred to our "Premium Exemption" file.

Groups will be fully informed about this in the near future.

# A Letter From Home

by MRS. MILDRED BELLEGHEM, A Member of the  
Mississauga Historical Society

Dear Ruth:  
Here is the rest of the will from last week:

16. Margaret Elizabeth Van Every, daughter of my son Thomas Van Every - I give the Bed in the west room of my house with the pillows, bolster and quilt belonging to the same and my best pair of blankets.

17. To Jerusha Ann Van Every I give my other bed together with all the bedding belonging to it including the pillows and bolster.

18. To my daughter Mary Jane Gouldthorp I give my muff and tippet, my silk dress and cape and also my four best shawls.

19. All the rest residue and remainder of my sheets and pillow cases and clothing I give and bequeath to my three daughters Hannah, Mary Jane and Agnes to be equally divided among them.

20. I give and bequeath to the Rector and the Churchwardens of Christ Church, Mimico, the sum of twenty dollars to be invested by them or appropriated in such way as they may think best for the benefit of the said Church.

21. To my friend and Pastor the Reverend H. C. Cooper of Christ Church, Mimico I give and bequeath the sum of sixteen dollars as a small memento of my regard for him.

22. All my household furniture, goods and chattels save what has

already been bequeathed - I give my said executor to be sold by him two weeks after my death and the proceeds thereof to be equally divided by him among my children me surviving, share and share alike.

23. I give devise and bequeath to my said executor my farm in the said Township of Etobicoke being composed of Lot Number One in the First Concession of the said Township with the Broken Front containing about one hundred and ten acres to hold the same to him his heirs and assigns for ever upon Trust nevertheless to sell the same by public auction as soon after my decease as possible (subject however to the Lease thereof given by me to my said William) for the most money that can be gotten in cash for the same with full power to my said executor to convey the same to the purchaser or purchasers thereof and to make such arrangements with the said purchaser or purchasers thereof touching the Mortgage now existing and outstanding upon the said farm as he may think best - To the purchase money of the said farm I desire my executor to add the debt due by my son Thomas Van Every being four hundred dollars with interest at five per cent since the death of his

father viz: the third day of March Eighteen hundred and Seventy-three, and the debt due my son William Van Every being three hundred dollars with the like interest and also all my money I may have in Deposit in the Bank and out of the Sum Total in the first place to pay all my just debts

Secondly to pay the legacies above bequeathed to the several and respective parties entitled to receive the same and to invest such legacies as are directed to be invested Thirdly to divide the residue of the money received by him into six equal parts or shares - and to pay over one equal part or share to each of my five children - Thomas William, Hannah, Mary Jane and Agnes. And to divide the remaining sixth equal part or share between my grandchildren Margaret Burgess, formerly Margaret Griggs and her brother Peter Griggs, share and share alike and I fully authorize my said executor to make such arrangement with my said sons for the payment of their respective debts and to the estate out of their respective portions or any part thereof as he may consider just and equitable - If any of my children wish to have any particular piece of furniture not specially bequeathed he or she may have it by paying the others an equal share of the value thereof.

AND LASTLY I request my three daughters Hannah, Gouldthorp, Mary Jane Gouldthorp and Agnes Gouldthorp to write together out of their share of my Estate to purchase a present for each of my daughters-in-law, Margaret wife of my son Thomas and Catherine wife of my said son William of not less value than Ten Dollars each and give one to each of them in my name to be kept by them in remembrance of me -

In witness whereof I have hereunto set my hand and seal this Tenth day of same in the year of our Lord one Thousand Eight hundred and seventy four -

Signed, sealed and delivered in presence of -

Old-fashioned Thanksgiving at Pioneer Village

There are still some reservations available for diners who wish to enjoy the old-fashioned, family Thanksgiving dinner this year at the Half Way House Inn at Black Creek Pioneer Village.

Constructed prior to the 1850's, the Half Way House has been authentically restored to that period. It was recently granted a liquor license and now serves a complete range of alcoholic beverages with its food.

This year, the old-fashioned turkey dinner will be served Saturday, Sunday and Monday (October 9, 10 and 11) between noon and 4.30 p.m. at a cost of \$4.50 per person. Reservations can be made by telephoning the Half Way house at 636-4713.

Black Creek is located at Jane Street and Steeles Ave. in north-western Metro Toronto. The Village is being developed by the Metropolitan Toronto and Region Conservation Authority as a "living" link with the pre-confederation heritage of this region. Funds for its ongoing development - including the acquisition of buildings such as the Half Way house are provided by the Metropolitan Toronto and Region Conservation Foundation. Public donations of pioneer artifacts and monies may be made through the Foundation for the Village.

The menu for this year's Thanksgiving dinner is:

MAIN COURSE  
Crusty loaf of bread with Butter  
Upper Canada Pea Soup Supreme  
Toasted Garden Greens  
Thanksgiving Roast Turkey with Old-Fashioned stuffing  
Cranberry Sauce

# Action speaks louder than words.

Nobody's saying that words aren't important.

Dialogue is, after all, pretty central to our notion of democracy. People talk to other people, and listen to other people talk about the changes that could or should happen to our society.

But there's something else that's pretty central to our notion of democracy, and that's leadership. One person must act when all has been said. One person must speak for us. One person must listen, and very carefully, when there are difficult decisions to be made.

Bill Davis is not new to the challenge of leadership. During his seven months as Premier, he has acted to stimulate our economy, to create opportunities for Canadians and for Canadian enterprise. He has acted on a

wide front to clean up our environment—air, land and water. He has acted to expand and up-grade a variety of government services, from day care centres to free medicare for those 65 and over. In all, more than 130 pieces of legislation have been introduced, debated, and made law in those seven short months.

In the course of the present election campaign, Bill Davis continues to listen and speak out, but his promises are few. Our economy can ill afford the tax increases to which others have freely committed themselves.

We may be sure that when action is called for, he will be both wise and decisive.

In what he has already done is the true promise of what is to come from the leadership of Bill Davis.

Inserted by the Ontario Progressive Conservative Association.

## Davis is doing things...for people.

He listens, he understands, he acts.

On October 21st  
**RE-ELECT BILL DAVIS For PEEL NORTH**

# Streetsville Review

STREETSVILLE'S ONLY LOCALLY OWNED WEEKLY

93 QUEEN ST.S.

125th YEAR No. 9

PRICE 10¢ PER COPY

WEDNESDAY, OCTOBER 13, 1971

Last night Constable Dennis Wright received a Certificate of Achievement from the St. John's Ambulance Society. His achievement—saving a man's life. Over a year ago a call came through for help to the Streetsville Police Dept. and Dennis Wright answered the call immediately applying mouth-to-mouth resuscitation for over one hour. Laverne William Woods, age 33, had been underwater in the pool for at least ten minutes.

Today, he is enjoying, like everyone else the beauty of Autumn. The above photo shows Constable Wright and his wife Jane who was present for the presentation. The certificate was presented by Godfrey Coleman, Corps Staff Officer for Halton-Peel Corps, St. John's Ambulance with Mr. A. McKee, Chairman of South Peel Branch, and Mrs. Margaret Dadd, Corporal for Streetsville, in attendance.

## SUGGEST STREETSVILLE AS WESTERN GO TERMINUS

The New Democratic Party's rapid transit plan for the Toronto region will go a long way towards solving Mississauga's transportation and traffic problems, according to Ted Humphreys, NDP candidate in Peel South.

Nub of the plan as it affects Mississauga and Port Credit is the introduction of GO - train service from Streetsville through to the downtown Toronto core and on up to Cherrywood on the northeastern outskirts of Toronto.

The GO-train service would operate on the existing 39-mile CPR line between the two points.

"All the area north of the Queen Elizabeth Way would get handy GO-train service for the first time", Mr. Humphreys said. "House and land values in areas fairly close to the line would rise sharply because of the proximity of rapid transit."

Besides Streetsville, western terminus of the line, the new GO-train service would especially serve the huge Erin Mills development, Erin-dale, the apartment and house-dwellers around the corner of Highways 5 (Dundas) and 10 (Huronario) and the fast-growing Dixie-Bloor neighbourhood.

"The line would take them quickly to downtown Toronto and beyond and also hook them into an expanded GO-train and subway system that

would permit quick access to much of the whole metropolitan area and beyond."

From Streetsville, the line runs easterly crossing Highway 10 north of the Highway 5 and 10 intersection, then dips south of Dundas, passes through Etobicoke and goes

right by the western terminus of the Bloor subway line at Islington.

Mississauga commuters could transfer to the subway system at this point or go right downtown on the line, which runs between Bloor and St. Clair as it approaches the city core.

## THALER DEFENDS SCHOOL POLICY

According to Peel North Liberal Candidate Dr. Gary Thaler "The question is not whether any political party is for or against separate schools - all three major parties in Ontario support their continued existence. Their existence has been guaranteed under our constitution since 1867. The only question to be decided is whether students attending PUBLIC separate schools should have equality of educational opportunity."

"There are only two other provinces in all of Canada who do not support public separate schools to the end of high school."

"This is the Liberal Party of Ontario policy:

1. To receive support, the existing private Catholic schools must turn

their assets - building and land - over to the existing public separate school boards.

2. To put the publicly elected separate school boards on the same footing with other publicly elected boards, additional grants will be made to the publicly elected separate school boards.

3. The Liberal Party will provide a choice to ALL taxpayers as to which system they wish to direct their tax support.

4. The Liberal Party will eliminate present legislative barriers which slow down cooperation and the sharing of facilities between the two systems.

5. Schools of both systems will be open to all students, regardless of religious faith."

## Get Acquainted Tea For Librarians

Miss Elizabeth Collie, the new Head Librarian for the Streetsville Library, is planning a "Get Acquainted Tea" for all the school librarians in town.

"With the help of my staff", Miss Collie told the Review, "we are planning the 'tea' for Monday, October 18 at 3.30 p.m. We want to establish a good, friendly relationship with all our librarians."

Also attending the tea will be all the ladies employed at the Streetsville Library and the wives of the members of the Streetsville Library Board.

## Historical Society To Meet Oct. 21

The Streetsville Historical Society will hold the first meeting of the season THURSDAY, October 21 at the Library Room, at 8 p.m. Everyone, young and old, is welcome.

## Strike It Rich

The Streetsville Kinsmen's annual Strike It Rich Night Stag will take place on November 12. Tickets, and there are only 350 to be sold, are available at \$10 each from any member of the Club.

at Trinity Church Hall  
10 a.m. - 1 p.m.  
Sponsored by Ladies Auxiliary  
of R.C.S.C.C. HAIDA

Second in a series of meetings to consider proposed plan for Union between United and Anglican Churches to be held 7.30 p.m. SUNDAY, October 17 at Streetsville United Church

## Annie Gelder Says Thank You

Mrs. Annie Gelder sincerely thanks all those who have very generously helped her in getting established in her new home at 92 William Street.

## Congratulations - Again - Streetsville

Last week the Red Cross asked the Review to extend congratulations to the residents of Streetsville for their marvellous support of a recent blood donor clinic.

Streetsville going "all out" is getting to be a habit.

This week we have been asked to provide a verbal pat on the back for the Streetsville youngsters who tagged for the Humane Society three weeks ago - and to the residents who supported the young peoples' efforts. The results from Streetsville are reported as "amazing".

The tag day in ALL of Peel County raised a total of \$3,577.04 for the Humane Society. Streetsville alone raised \$402.47 of this amount. Truly an "amazing" record - but then not so amazing when you recall that S.S.S. was the top school in all Canada in raising funds for UNICEF when these figures were given as individual schools.

It must be something in the air in Streetsville - or a commitment to the Community.

EDITOR'S NOTE

We wish this feeling of helping one's fellow-man could extend to all areas of endeavour.

## Derbys Beat Brampton

The Streetsville Derbys stunned the local hockey world last night by hanging a 3-2 win over Brampton PCJ's. After a dismal pre-season exhibition series and a 10-1 loss to Hespeler in their season home-opener a week ago, the Derbys have continued to go up. They looked much better in a 7-4 loss at Hespeler last Sunday (details on pg. 8). Then last night, they dealt the Brampton club its first loss of the young season.

Brampton, transferred from the Metro Junior B League, into the new Central Ontario Junior B League, were reported to be one of the powerhouses of the loop this year. On the other hand, Coach Tom Barrett, of the Derbys is starting the season with his most inexperienced and understaffed team, yet. But last night the upstart Derbys threw away the odds sheet; went out and earned their first win of the season.

Bill Repath was the scoring hero as he sank two goals in the second after Brampton took a 1-0 lead in the first. Dave Kelly was the other marksman. All Derby goals came in the second, and a determined defense corps led by Kelly, Tom Smith, Klaus Andreas and outstanding goal keeper, Gary Smith, held on through an exciting nerve-wracking third period to preserve a one-goal lead.

A new feature for the Derbys last night was a sudden ability to stay out of the penalty box. They collected only 14 minutes in penalties; far short of their record in each previous game—over 60 minutes each time out.

The game was Derbys' first in the completed new-look—"Streetsville Gardens"—new seats, bright coloured walls and a plexi-glass shield grace the arena now giving it the same class as the Derby Den.

## FROM HEMBER'S HOOTER

In the Educational Corner of the Lions Club bulletin "Hember's Hooter" - the Review found the following statistics:

"We are steadily being bombarded with reports of all kinds, in the press, over T.V. and radio. Many of these are of the 'survey' type so dearly beloved of some of our workers in the 'social sciences'. However, most who have had the opportunity to do some study of statistics and statistical methods know that such reports are rarely worth the paper they are printed on."

"Here is a recent actual, very sound study of just how accurate some reports can be."

"On a chow line at an army camp, the dessert was canned

apricots. An experiment was run to see just what the individual reaction was. A mess sergeant asked each soldier, beforehand, this question: 'You do not want any apricots, do you?' 90% of those replying said "NO".

"On the line, the messman in charge of the apricot dishes said to each soldier: 'You do want apricots, don't you?' Half of the soldiers replied - 'Yes, give me some.'"

"The messman who handed out the paper cups of apricots was instructed to ask: 'One dish or two?' 40% who went down the line took 2 dishes and 50% took one."

"Yet the 'survey' results showed that 90% did not want any apricots."

Last week, the students from grade 1 and 2 of Russell Langmaid Public School took a bus trip to the Riverdale Zoo in Toronto. Besides visiting the zoo, the children also toured Hartz Mountain Pet Department in Rexdale, and all came home with a gold fish. The animals at the zoo were most co-operative when it came to eating the peanuts and bread the children brought. These educational trips which the school prepares for the students

are made possible through the hot dog fund manned by volunteer mothers. Once a month the school holds "Hot Dog Day", when all the children stay for lunch purchasing their hot dogs and drinks. "All the children look forward to this day", says Mr. Wagner, principal at the school, "and in this way we are able to provide the children with more educational trips than the school budget allows for", he said.

dustrial and marine  
operations, expects to  
triple its present work  
force of fifteen within  
five years. Twelve new  
employees will be  
hired on completion of  
the new facilities.

# PEEL SOUTH LIBERAL CANDIDATE BREITHAUPT ANSWERS MR. TJOELKER THROUGH THE REVIEW

Mr. J. Tjoelker, Secretary, Grace Christian School Society, 1198 Kingsholm Dr., Mississauga, Ont.

Dear Mr. Tjoelker: Your letter of October 4th did not come to my attention until the day after the all candidates' meeting last Wednesday evening. Since I had not enough data to make a public statement at that meeting, I am making this reply in the form of an open letter.

You have asked me our stand regarding government aid to the privately run Christian Schools or ending "the unjust situation where our parents are forced to pay property taxes supporting the local public schools...."

Liberal Party policy does not provide for grants to any privately operated schools, including both Catholic and Protestant private schools.

The extension of grants to Public Separate Schools is a different matter. Since Confederation and the British North America Act the Ontario Public School System has had two branches: the Public Separate Schools and the regular Public Schools. It needs to be strongly emphasized that the local boards of these parallel systems are

publicly and democratically elected. That is a historical fact in our province which Liberal Party policy tries to deal with realistically and fairly.

It is our conviction that by extending grants the last step, and by providing for increasing co-operation in the use of facilities, Separate Schools and Public

Schools can dovetail their operations and work more closely together.

Incidentally, although PC's blame others for fragmentation in the schools, I have discovered specific legislation under the PC government prohibiting co-operative planning of facilities between Public and Separate Schools.

I regret that my answer is not what you had hoped for. But non support for private schools is the only one I can give

under the circumstances. Hopefully in the future we'll all be working for diversity in education on a co-operative basis where all children can come together to understand their differences and share what they have in common.

Yours sincerely,

Signed: Herb Breithaupt, Liberal Candidate, Peel South.

**THE PEEL PEOPLE NEED YOUR HELP**

## Doug Kennedy Meets Residents To Discuss Lakeshore Community

Doug Kennedy, the Progressive Conservative candidate in Peel South in the October 21 provincial election, met with the executive of the Lakeshore Community Residents Association to discuss the Lakeshore Community Study.

The Association put forward objections to the proposal as it stands. Namely, the high density implications it contains.

He stressed that he could not support a plan that would adversely affect the "quality of life of an area". Mr. Kennedy said that he had met with Planning Board officials, and some members of council and had gained assurance that no plan would be approved that did not take that fact into full account.

Arrangements were made for the viewing of the plan, and the time for receiving objections has been extended to November 15.

After Council has dealt with the matter, it then goes to the Department of municipal Affairs for further consideration, and for revision.

Mr. Kennedy urged the residents to meet with Planning Board officials and said he would be available for any such meeting.

"The residents of the Lakeshore area have my assurance that I shall work in the weeks ahead to ensure that the Proposal provides for the needs of the people making up the community and that they will have ample opportunity for full consultation in the matter," Mr. Kennedy stated.

**The money you give to Peel goes to Peel.**

**It has to. That's all there is. ... Give to Peel.**

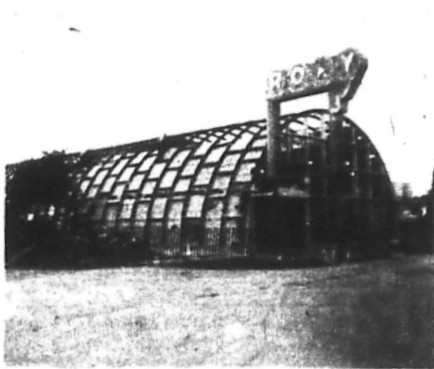

**YOUR LOCAL**

**DEALER**

**Mc Millan & Saunders**

**"The Place To Save"**  
**677-4230**

**GOING - GOING - GONE** - IT reads like something from Exodus. First the Mississauga Town Hall moved up Highway 10 - or Hurontario Street. Then the Roxy Theatre bit the dust to make way for another shopping plaza. The theatre is now being dismantled. Next, at upper right, the former office of the Mississauga Review has already been levelled to the ground.

Bottom, two long-standing Cooksville Pharmacies, McClintock's and Fraba's are no more. McClintock's prescription records have been transplanted to Miracle Mart Pharmacy in the new Westdale Plaza, and Fraba Pharmacy is now functioning at Zeller's Pharmacy in the Westdale Plaza.

## VELIKOVSKY VISITS UNIVERSITY

Dr. Immanuel Velikovsky will be visiting Erindale College on Monday, October 18, and will give a public lecture there at 8 p.m.

Dr. Velikovsky's writings present in intricate detail a new approach to recent history. His Worlds in Collision (1950) contained assumptions which contradicted established scientific

views and Earth in Upheaval which followed in 1965 presented documentation of global catastrophes in prehistoric and historical times. Immanuel Velikovsky

studied natural science at the University of Edinburgh, history, law and medicine in Moscow, biology in Berlin and psychoanalysis in Vienna. His talk at the Col-

lege is also called "Earth in Upheaval" - is free and open to the public, and there is ample free parking.

During the past week in the Port Credit OPP patrolled area in Peel County, there were 28 property damage accidents, 13 personal injury accidents and 25 people injured.

During the same week the local detachment officers investigated a total of 61 accidents, 15 of these were personal injury with 29 people injured but none seriously. On Friday, the start of the holiday weekend a total of 32 accidents were investigated. Over the whole holiday weekend a total of 68 accidents were investigated but none involved serious injuries.

It is with regret that the OPP announce the death of Const. John C. Verral, age 32 of the Oakville Detachment. Const. Verral was killed while performing as a member of the Golden Helmets Motorcycle Precision Ride at the Simcoe Fair on October 8.

According to the provision of the Highway Traffic Act, when are lighted lamps required on an automobile? A. When on a highway one half hour after sunset to one half hour before sunrise and at any other time when due to insufficient light or unfavourable atmospheric conditions persons or vehicles on a highway are not clearly discernible at a distance of 500 feet or less.

**GLENFOREST REC. ASSOC. TO MEET**

The Glenforest Recreation Association meeting on Tuesday, October 12, was cancelled, therefore the meeting will be held on Monday, October 18 in the Library at the Glenhaven Community School at 8:00 p.m.

# MANY OLD AND NEW MEMBERS ATTEND THE U.W.C. OCTOBER MEET

The October meeting of the University Women's Club of Mississauga, chaired by the new President Mrs. J. M. Lambert, began with reports of business.

The huge turnout of old and new members was delighted to have two speakers for the evening.

First, Mrs. D. M. Johnston, Provincial Director, Ontario

West, for the Canadian Federation of Women spoke on "The Philadelphia Story" - that is, her experiences at the International Conference in Philadelphia.

Thirty-eight nations were represented at the Conference and of mutual interest to all is the position of women in the world today. Their common purposes are:

1. Understanding and friendship
2. International co-operation
3. Furtherance of education
4. Encouraging women to take part in public life.

Then, Miss Abby Hoffman, Canadian track star and gold medal winner at the 1971 Pan - American Games spoke on - "Canadian Women in Sports". She began her talk with the fact that as babies, girls exercise their bodies in

free movement just by learning to crawl and then walk. Later, very little physical training is given in the primary grades. By the time it is formally taught in grades five and six, the girls are not given the same advantages as the boys. Schools and parents seem very willing to spend endless money on boys' athletic facilities but not for girls, consequently, girls' enthusiasm wanes at about 14 years as compared

to the boys at 20 years. At the same time Miss Hoffman criticized the schools for spending too much of their physical education programme on game techniques, when they should be teaching gymnastics for body development. Later on during the question and answer period, a former physical education teacher said it was impossible to

teach a completely balanced programme, when there were so many students to train in two short periods per week. Miss Hoffman feels there is still a stigma attached to girls in sports in North America as compared to Europe. This lack of social acceptability is holding women back. Skating is the one sport that seems most

acceptable because it is feminine, while even swimming loses its popularity. Lastly, she pointed out that in Canada, the father of a family will spend endless time and money in the hopes that his son will become a professional hockey player. Rather, Miss Hoffman prefers to see children play sports at their own level instead of worry-

ing about competition, then later, if the desire and ability are strong still, then, let them play competitive sports. Miss Hoffman was introduced by Mrs. D. G. Pomeroy and was thanked by Mrs. J.C. Snyder.

This portion of the evening was followed by Study Group Convenor, Mrs. N. J. Petkovich inviting all members to sign up for one or more of the 18 study groups for the year. Refreshments were served.

# MANY COMPETITORS TOOK PART IN MISSISSAUGA DIVING MEET

Sixty competitors from 14 diving clubs took part in the second annual Mississauga Diving Meet held at Huron Park Pool, Saturday and Sunday, October 9 and 10. Competitors were from Michigan, Ohio and Pennsylvania, as well as Ontario.

Outstanding performances were displayed by several Mississauga divers. Glen Runowski of Dixie was first in the boys 11 and 12 year old, one and three metre events and distinguished himself in the men's open events with a tenth place on both the one and three metres.

Kevin Crowley of Clarkson was second in the boys 11 and 12

three metre and third in the one metre coming thirteen in both men's open events.

Gail Nickerson, Tricia Ray and Julie Small of the Cloverleaf area were second, third and fourth in the girls' thirteen and fourteen year old three metre and third, fourth and fifth in the one metre. In the ladies open event, Tricia Ray was sixth in the three metre and eighth in the one metre with Gail Nickerson finishing seventh in both events.

The interest of town officials was evidenced by Deputy Reeve A. G. Clarkson and Councillors M. E. Gregory (Ward 3) and L. H. Parsons (Ward 2) who attended to

present awards to the competing divers. Awards were also presented by Mr. W. S. (Jerry) Love, superintendent of Recreation and Sharon Lee Stuart, the Swim Pool Supervisor.

Saturday evening at a post meet reception for visiting coaches East Grand Rapids Aquatic Club was recognized by a special award for being the club that had travelled the greatest distance to attend the meet. The coach and divers came 400 miles for the event. Mrs. M. Tatham, coach of the Woodstock Diving Club received the award for the visiting club having the most entrants.

Although the Mississauga Diving Club is less than three years old, its young divers are beginning to establish themselves at the provincial and national level. The annual Mississauga Diving Meet is the best attended meet of its kind held in Ontario. The competition is intense, but enjoyable and the visiting coaches and divers were frequently heard to express the wish that there were many more such meets in Ontario.

## Going Up

The Provincial Riding of Peel South is growing by leaps and bounds. In the last Provincial Election 47,061 voters were eligible to cast ballots and 31,752 voted. On October 21 the number of eligible voters in Peel South is in excess of 70,000.

## BACK TO SCHOOL FOR BUS DRIVERS

Halton school bus drivers will go cheerfully to the last place you might expect - back to school - to take a refresher course for experienced school bus drivers.

Designed by the Commerce and Industry Division of Sheridan College in cooperation with the Ontario Department of Transport's Highway Safety Branch, the course begins Tuesday, October 12 at Palermo Public School Highways 25 and 5 at 7 p.m.

Instructor is Leigh Murdoch of Sheridan's Heavy Equipment School. Before he joined Sheridan, Mr. Murdoch had many years experience as chief instructor in the Canadian Armed Forces. The course involves only classroom work.

While the first session will be taken by 26 school bus drivers employed by Halton County Board of Education, later ones will

have students from four other companies under contract to that board: Charterways, Kirby Bus Lines, Norton Bus Lines and Tyler Transport Ltd.

The course has been arranged by Ken Gilles, Supervisor of Transportation for the Halton board, working with Zouch Palmer of Sheridan College.

The danger of mixing alcohol with driving has been recognized for a long time. The Ontario Safety League says that back in 1929 when the u.s. was "dry" Henry Ford said: "If prohibition were repealed we would have to shut down our plants. Everything in the United States is keyed up to a new pace - the speed at which we run our motor cars, operate our intricate machines, and generally live, would be impossible without liquor."

## KENNEDY GETS ACTION ON 'NOISE CONTROL' LORNE PK.

Residents of the Lorne Park area situated near the Q.E.W. will be pleased to learn that Doug Kennedy, M.P.P. has been instrumental in obtaining interim relief from noise associated with the weigh scale operations at that point on the highway.

Mr. Kennedy made representation to Hon Charles MacNaughton on behalf of the residents and requested a review of the matter immediately.

A spokesman for the Department of Transportation and Communications stated that officials have

been instructed to reduce to a minimum the operation of the scale in the evening or early morning. "As soon as appropriate signs can be prepared, we will close off the weigh scale area to trucks and other traffic during those periods when the scales are not in operation," he said.

It is hoped these measures will provide some relief to residents of the area until a more permanent solution is found.

The possibility of relocation of the scales is under consideration.

## Wine & Cheese Party Oct. 21

St. Martin's Catholic Church, Mc Bride Avenue, Erindale Woodlands is holding a Wine and Cheese Party on Thursday, October 21 from 8 p.m. until 11 p.m.

Tickets are \$1.50 per person which includes two glasses of wine, cheese and crackers, and additional glasses of wine will be 50¢ each. The party is being held

under the auspices of the Kitchen Committee in order to raise funds for kitchen equipment for the new church.

Tickets may be obtained from Shirley Randall 279-0454 or Dorothy McGuigan 277-3909. No tickets will be sold at the door. Televisions will be available to watch election results. Come and watch while your vote is counted.

## 1/4 MILLION \$ ADDITION TO ST. RAPHAEL'S SCHOOL

The addition of four regular classrooms, a music room and three Special Education classrooms to St. Raphael's School, costing approximately \$225,000, was approved by the Department of Education, R. E. LeMay, Chairman of the Board of Trustees announced recently.

The addition was approved by the Department of Education after it had been re-submitted in August. The original submission was made in May of 1971, but was turned down by the department of Education.

Enrollment at St. Raphael's as of September 7, 1971, is 554 pupils. This is an increase of 47% over last year's enrollment of 376, and an increase of 75% over a two-year period.

"We are extremely pleased in finally receiving approval for this addition as conditions are reaching the critical stage. Had the Department of Education given approval last May, the addition could have been ready early in the school year and some of the stop-gap measures we are using to alleviate the crowded conditions could have been avoided", commented Mr. LeMay.

## vertical village PRESENTS Project: IDENTITY

We're betting you're tired of living as an "un-person" in a beehive building! Our two storey duoplex 2, 3 and 4 bedroom units are unique. Activity and lounge areas on EVERY floor. ## Faraway Places Provide Colour For Meadowvale Street Names

Antigua is now 30 minutes northwest of Toronto City Hall. Right near Come-by-Chance.

Antigua Road, that is, and Come-by-Chance Mews. They are but two of the more than 70 specially chosen street names in Meadowvale.

When completed, That's the reason

Meadowvale will provide homes for about 75,000 people. Markborough Properties Ltd., the developer, has planned a community which is different from the rest. That difference has now extended its influence to the street names.

for streets named—Heart's Delight, Montevideo, Arvida and Oslo. Or how about Santa Anna, Miramichi Riding Mountain, Las Palmas and Restigouche?

On the surface, the picking of names for more than 70 streets in the 3,000-acre Meadowvale project centering on the intersection of Highway 401 and Mississauga Road seems relatively simple. It's not.

It required teamwork headed by Barry Base, 29 year old Creative Director of Kaleidoscope Advertising Ltd., Markborough's advertising agency.

"We knew we had a different community", says Base. "It was designed with partic-

ular emphasis on its concern for the living environment. The trees, parkland, river and lakes were all things we felt set Meadowvale ahead of other developments. Absence of overhead wiring, restrictions prohibiting obnoxious industry, landscaped walkways and bike trails were also part of this package."

How do you reflect all those things in street names? "By a process of elimination. You look at what's been done before. If that doesn't fit the bill you create a new approach," Base says. Will Meadowvale have "woody" or "nature trail" names? "No. They've been exercised to the point

of boredom by other communities. Anyway, how many Blue Jays have you seen on Blue Jay Way?"

Hours of head-scratching later, the inspiration came. Why not use the names of other communities? Communities, Canadian and international, Communities with poetic names. Names which evoke good vibrations.

You don't have to visit B.C.'s Okanagan district or other colorful areas to conjure up nice thoughts about green valleys, orchards, fresh Pacific breezes and early morning dew. The name often says it all. So Meadowvale has an Okanagan Drive, Riding Mountain Road,

Lisbon Road, Campobello, Battleford and other street names with a romantic connotation.

"The theme offers an abundance of names to choose from," says Base. "It separates Meadowvale from other nearby communities. It elicits a certain emotional reaction in people. These were all plus factors in our decision."

But don't think the job ended there. Starting from a batch of 250 to 300 possible names, the task of paring the list was a cooperative one. It involved virtually all segments of the development.

"We'd stop drivers and ask them: 'What does the name Bras d'Or mean to you?'" recalls Base. Certain names were dropped from the list and Bras d'Or was one of them. They were either too difficult to pronounce or their meaning was too obscure.

The Metropolitan Toronto Regional Planning Board also contributed to the effort. It eliminated all names which conflicted with ones already registered in its 500 square mile planning area.

But the names that remain are still among the most colorful and pertinent to be found anywhere. They are on a stylized plaque showing the Meadowvale logo and suspended from a lamp standard especially designed for Meadowvale.

Markborough's team provided ample proof

that street names can be more than just a means of separating

one roadway from another. I'll go to 'Come-by-

Chance, if you'll meet me at Heart's Delight.

SIGN OF THE TIMES - Markborough Properties Limited, the developer of Meadowvale, is extending its "New Town" concept right down to street names. A team headed by advertising man Barry Base (above) chose some of the more poetic and romantic names from other places, both Canadian and international, to emphasize Markborough's new approach to new town living. The names are mounted on a colorful sign, as shown, and the Meadowvale environment will be free of the maze of overhead wiring and traffic signals found in this photo. When completed, Meadowvale will provide homes for 75-thousand people on 3-thousand acres of countryside, 30 minutes northwest of Toronto city hall.

### ELECTORAL DISTRICT OF PEEL SOUTH ELECTION NOTICE

The candidates nominated for the aforementioned Electoral District and their official agents are as follows:

Candidate - HERBERT C. BREITHAUPT  
Official Agent - MR. K. A. LIVINGSTONE

Mississauga, Ont.

THOMAS J. DALE,  
Returning Officer Ontario  
Electoral District of Peel South

### S. PEEL UNIT OF CANCER SOCIETY HOLDS ANNUAL MEET

The Erindale Branch of the Canadian Cancer Society hosted the Annual Meeting of the South Peel Unit, on October 4 at the Erindale Community Hall. Coffee and fruit breads preceded the meeting. Mrs. Helen Cummins, Director of Activities for the Unit, and also former president of the Erindale Branch, chaired the meeting.

Mrs. Anne Farkas, vice-president of the Unit, presented pins to all the presidents of the branches, which include Applewood, Clarkson, Cooksville, Erindale, Lorne Park, and Port Credit. Mrs. Farkas was given a gift by Mrs. Grace Shunk on behalf of the Unit for her work in the Society.

The guest speaker was Miss Doris Brown who spoke of her particular work in the Social Service Department at Princess Margaret Hospital. After a brief intermission, Jack Lambert, Field Secretary of the District, chaired the nominations and election of officers for the coming year in the Unit.

Mrs. Helen Cummins was elected president; Mrs. Ruth Staughton (a former president of Erindale) vice-president. Mr. R. O. Geddes re-elected as treasurer and Commemoration Funds Chairman, as was Mrs. Doreen Deans to the Campaign Chairmanship. Other re-elections were -

Mrs. Lillian Wright as Education Chairman; Mrs. Grace Shunk as Service-to-Patients Chairman and Mrs. Ruth Staughton as Publicity Chairman. Mrs. H. C. McCallum of Port Credit was elected as Social Convenor; Dr. W. L. Richards as Medical Adviser. Mrs. Peggy Wood as Transportation Convenor and once again Dressings Convenorship was placed in the capable hands of Mrs. Ida Sproule.

Mrs. Helen Cummins thanked the ladies of the Erindale Branch for hosting this meeting and also wished their new president, Mrs. Elsie Leppan much success in her coming year.

### Cooksville Seniors Enjoy Fall Colour Tour

On Wednesday, October 6, seventy-two Seniors from Cooksville left by bus on a Fall Colour Tour. They arrived at Galt by noon, had lunch, browsed through the stores for an hour, then back on the bus for a colourful tour of the beautiful, peaceful countryside. Travelling along the highways and byways of the district they came across an ancient covered (Kissing) Bridge over the Grand River at West Montrose, Ontario. Built in 1881 it is believed to be the only existing covered bridge in Ontario.

At five o'clock they arrived at Elmira, stopping at the Guiding Light School, where arrangements had been made for a delicious hot roast beef dinner to be served by the Mennonite Church Women, under the direction of Mrs. Ezra Brubacher. Needless to say, it was enjoyed by all. After the hearty meal the Seniors boarded the buses for home. All in all, a most enjoyable day.

The Seniors are now selling tickets for their Annual Christmas

Draw to be held at their Christmas Dinner Party, December 7. This is the only fund-raising project of the year. There are a great many valuable prizes. First prize is a beautiful hand-made quilt, donated and worked by Mrs. B. Hopkins; an electric carving knife; a table radio and many other worthwhile prizes. The tickets are Draw Tickets priced anywhere from 5 cents to 25 cents and are available from any Cooksville Senior or call 270-2979 for further information.

### HANDICRAFT EXHIBITION BY PEEL RESIDENTS NOW ON DISPLAY

An exhibition of handicrafts old and new, by residents of Peel County is now on display at the Peel County Museum and Art Gallery, 7 Wellington St. E., in Brampton. The showing includes aluminum copper and leather work, resin casting,

and oil paint by local artists.

The preservation of pioneer skills is demonstrated by exhibits of hand made quilts and quilt blocks, crewel work, tatting hand crafted candles, hairpin lacework, hand painted china and

some fine examples of rug hooking. One exhibit demonstrates various stages in the spinning and dyeing of wool.

The museum is open to the public each afternoon, excluding Monday, from 1.30 to 4.30 p.m.

### 'Curling Ladies' Plan Season

The Boulevard Club's "Curling Ladies" recently met at a luncheon to hear plans for the coming season with the curling "New Year" planned for October 19th's gala fun

day, with scheduled curling to begin the following week.

The well-attended meeting was chaired by Mrs. Fred H. Pope of Islington. For last year's mem-

bers it was a happy reunion; and to those ladies joining the group for the first time, the members extended the traditional Boulevard warm welcome.

## A fresh approach to South Peel.

Planning is a priority item.

We must restore municipal autonomy and promote local involvement in the planning process, planning with people, not for them.

We need to attack the planning problem with freshness and resolution.

We now have the technology, the financial resources and, most important, the public mandate to create a clean environment in Ontario.

Environmental problems are not solved by higher chimneys which spread pollutants over a wider area, nor by government court cases against industrial offenders which drag on for many years.

Sound ecology and imaginative technology should not be enemies, but partners.

The decision to centralize the assessment function at Queen's Park has caused confusion, hardship and unnecessary exasperation. The county assessment system should be restored.

Tax provisions should be used to encourage home owners to renew and improve their homes, and not to penalize them.

We now have Canada's largest and costliest educational system. It needs to be unshackled from its uncontrollable bureaucracy and become more responsible to the people who pay for it and more responsive to the community it serves.

Welfare discriminates against the working poor. No amount of additional tinkering will improve the system. It needs a complete overhaul!

The direction of technological advances and progress in human relations seem thirty years ahead of our public thinking and acting. So unless governments at all levels make these things a major concern, their laws are liable to fall way behind our lives.

## Athlete Of The Week

PEDRO BENCAL

The boys at the Mira Mar clubhouse call him the Pele of Streetsville.

To be thus compared to the world's greatest soccer player is indeed an honour. And Pedro Bencal has more in common with the other Pele besides the fact that they both hail from South America. Pedro plays centre forward (or "front" as the Portuguese call it) and scores quite a few goals.

Last Saturday he scored what was probably the most important goal in soccer all season for any Streetsville team. The goal was the clincher that declared Streetsville Mira Mar the second division champions of the Central Ontario Soccer League.

Streetsville trailed 2-1 going into the second half and were in danger of losing the championship final to the Georgetown Falcons. Waldemar Travao had scored early but Georgetown went ahead on two goals. But that was the end of the scoring for the home Georgetown side. A stout defense led by Mariano Maceta, Joe de Couto and Joe Freitas stopped them cold from that point on. Joao Santos the high scoring half-back with the deadly shot tied the score with ten minutes to play.

The Pele of Mira Mar had been closely watched all through the playoffs and had been held off the score sheet for several games recently. He had been one of the club's top scorers for most of the season and was none too happy about his dearth of goals lately. But the nimble-footed Pedro

Bencal just needed one opening and sure enough, he got his chance. He deked in using the fancy footwork with which he likes to tease the opposition and planted one shot behind the bewildered Georgetown goalie.

Pedro Bencal is 24 years old. He is in his second season with Mira Mar, having joined the team shortly after he arrived in town from Sao Paulo, Brazil two years ago. His friend, Jose Camara, Director of Sports for Mira Mar says that all he does is eat, sleep, work and play soccer. Women, apparently do not have a big place in his life so far - or if one does, she must live back in Sao Paulo.

Pedro played for four different teams in Brazil where soccer is played 12 months a year. In fact the winter off-season in Canada is frustrating for these men who would be happy playing the year round. While Pedro works for McCarthy Milling during the winter he'll be trying to improve his English - which is fine with the Maple Lodge Farms and Rea Bros. - sponsored Mira Mar team just so long as improved English doesn't cause him to latch on to a belle femme (or whatever it is in Portuguese) who might distract him from his concentration on soccer.

The Championship, clinched by Pedro's goal, makes the third trophy to be won by the Mira Mar team this summer. The club also won tournaments in Oakville and Orangeville.

ROSS GOHEEN

## S.M.H.A. NEWS

by Frank Walker

Streetsville opened its 10th season of hockey on October 9 with a registration of 475 players.

The arena has a fresh clean look with glass replacing the wire screen, and sporting a brand new paint job. The convenors for each group have had a very busy week selecting coaches and managers as well as holding meetings to set up their teams.

One of these hard-working hockey enthusiasts is Bob Humphries, convenor of the Novice group. Bob has one of the biggest jobs arranging for eight Novice teams.

Gary Walker will handle the Eric Lader team for his first try at coaching.

Don Rigby is in charge of the Atkinson's Insurance team and Frank Jones will manage the Kinsmen entry. Both Don and Frank are veterans in Streetsville hockey.

The Dominion Sash club will be coached by Russ Chasson and the Munro Stationery entry will be coached by Dave Croucher.

Roy Hughes will be back again to coach

the Reid Milling team. Jack Lyons and Dick Bowen will have the Consumers Gas entry. Dick, our local Postmaster, is also coaching the Juvenile OMHA team.

Ron Dorney and Dave Gelder will run the Canada Brick Truckers team.

The first three weeks will be exhibition games only to give the boys a chance to get back in the swing of hockey for another season.

Plans are underway to organize two girls' teams in the eleven to nineteen age groups. These teams will be entered in the Ontario Ladies D category.

Ron Jeffery, the chief S.M.H.A. convenor reports that convenors for the other groups have been selected as follows:

Paperweight - Ron Adamthwaite  
Peewee - Jack Hendry  
Bantam - Colin Merriam  
Midget - Jim Leslie  
Tadpole - Lloyd Pearl  
The husiest team in Streetsville this past weekend has been Jim Gray, president of the S.M.H.A. Jim has been

called upon to solve many of the problems involved in organizing the start of the 1971-72 season.

## SHERWAY REC. HAS OPENINGS

There are still openings in the following programmes at Sherway Drive Public School:  
PreSchool Rhythms - (ages 3 to 5 years) and Baton (ages 6 years and older).  
The fee for each programme is \$12.00 for 13 weeks commencing October 27.  
For further information call 279-1430 or 279-1494.

## ASK THE CHIROPRACTOR

QUESTION: Whenever I sit down, or get up from a chair, I experience pain and a feeling of weakness in the lower back. My family doctor has had x-rays taken, but says they show nothing wrong. Can you suggest any remedy or treatment?

ANSWER: Physicians and chiropractors look at x-rays from two different points of view, both perfectly valid. When your doctor says there is "nothing wrong", he probably means there is no indication of bone disease in your pelvis or spine. The chiropractor, however, analyzes the function and mechanical structure of your pelvis and spine, and this may be where the trouble lies. The pain you describe may be caused by irritation of the nerves in your lower back resulting in the gradual development of muscular weakness. Your nerves are the centres controlling the functioning of your muscles, and the longer the nerve irritation lasts, the greater the weakness and pain may become. A thorough spinal and nerve examination may reveal the problem, which your chiropractor can then treat, since he specializes in the nervous and muscular systems. ## STREETSVILLE OMHA NEWS

by FRANK WALKER

On Sunday, October 10, the five Streetsville teams played exhibition games at the Streetsville arena.

The Thunderbirds lost 4 to 2 to Erindale with Ron Smedding and Donny McLaughlin scoring for Streetsville. Joe Todd played an outstanding game on defense. The goaltending was shared by Mark Holmes, Robbie Arch and Vernon Pellizzari.

The I.G.A. Panthers played a strong two-way game defeating Erindale 4-1. Marc Sinclair is right back at it this year scoring two goals and one assist with partner Paul Black picking up two assists on Marc's goals.

Ross Elisele and Craig McIsaac scored the other two goals

with John Kordan picking up an assist. Kenton Tasker and Kevin Hunter teamed up as an excellent penalty killing combination. Lenny Bryant and Ian Bedford played well on defense.

The Hutt Fence Hawks tied Erindale 1-1 on a goal by Dale Darcy from Gary Walker. Veteran Paul Vella and newcomers Mike Thompson and Les Campbell played well for the Hawks.

Laurie Kemp scored on the first penalty shot of the season with Glen Mullaly picking up the other goal in a 2-2 tie with Clarkson Midgets.

Lockwood, Perla and Bond all played well for the Seaway Copper Kings. (Did you forget - that's the new

name of our Streetsville midget team). In the final game of the evening Dick Bowen's Juvenile Cobras lost 8 to 2 to Oakville.

A special welcome to Streetsville to the Ponzo family who have recently moved into town. Joe and Dino formerly played in the Etobicoke Hockey Association and are now members of the Streetsville O.M.

H.A. bantam and peewee teams.

On Monday, October 11 the IGA Panthers played an exhibition game at Streetsville defeating the Dixie-Burnhamthorpe rep. A team 6 to 2. Paul Flack scored two goals with singles going to Marc Sinclair, Kevin Hunter, Mike Prestidge and Boomer Bryant. Outstanding players for Streetsville were Bob Spence, Doug Payne and Kevin Hunter.

## Streetsville Skating Club has successful start

The Figure Skating Club opened its new season very successfully last week. There are still some vacancies available for those skaters interested.

The club now has a costume exchange in full operation; anyone interested in buying or selling, please come to the Figure Skating

Club's office at the arena.

The Club is very pleased to welcome last year's three professionals - Miss N. Sedler, Miss L. O'Rourke and Mr. R. Dowding.

The executive and skating pros are looking forward to a very profitable year.

## Tennis Tournament has many champs

A Senior Tennis Tournament was held recently at Springfield Park with the following winners:

Ladies Singles - Joyce Morrison over Ruth Smith, 4-6, 6-3, 6-2.  
Men's Singles - Clint Casselman over Bert Patterson, 6-0, 6-1.  
Ladies Doubles - a Mother and Daughter team of Kathy and Jenny Casselman over

Ruth Smith and Muriel Forward - 6-3, 6-2.  
Men's Doubles - John Bowman and Bernie Reynolds over Robin Lee and John Brodie, 6-4, 7-5.

The winners were presented with trophies at the annual Dinner and Dance held last Saturday at the Burnhamwood Golf & Country Club.

## RAIDERS SET DOWN GRAYDON

In a league like the Peel County Senior A football league, just about any team is capable of knocking off any other team. Erindale Raiders proved this last Friday when they ventured into Graydon's home field with an 0 - 2 record to challenge the unbeaten Hawks. The result was a well-earned 18 - 7 win for Erindale and an indication that there could be quite a scramble in this division all season.

Greg Beamish threw passes to Shawn Dunn for both Erindale's majors. Dependable Pete Buttle got his only convert attempt blocked but he got revenge by booting two field goals. Doug Kitts threw a short pass to Steve McEathron who ran for Graydon's only touchdown which was converted by Frank Ventresca.

Applewood remained the only team with an unsoiled record as they turned back bottom place Brampton Centennial 29 - 6. Steve Shane ran two TD's and a two-point convert. Bob DeGroot had one touchdown and kicked two converts and a single. Dave Greene threw the other touchdown to Brian Semklw. Gary Patrick and Fuzz Taylor stood out defensively for the first-place Axemen. Ronnie Hill went for Brampton's six - pointer.

Port Credit took advantage of penalties to defeat Lorne Park 24 - 15. Touchdowns by Bill Parsons, Dave Frittenberg and Chuck Neiberg turned back the Spartans. Lorne Park's quarterback Dan Showalter subbing for the injured Paul Ford threw authoritatively, including payoff passes to Merv Buck and John Turple.

## CHARGERS KEEP CHARGING

Somebody finally got across Clarkson's goal line but it wasn't enough and the Chargers made it three straight in Senior B high school football with a 20 - 10 win over T L Kennedy. Rock St. Amour was the first man to penetrate Clarkson's goal line. Ben Van de camp converted it and also kicked a field goal. However up at the other end Doug Kozak, Pete Van Kessel and Joel Schaefer each scored majors and Al Kizzuto kicked two converts.

## JUNIOR KOUGARS TIE LORNE PARK

Two weeks ago Lorne Park opened their junior season with a convincing 21 - 0 win over T L Kennedy. The Kennedy juniors apparently weren't completely convinced, however and last Thursday they came back, led by a vicious offensive line for a 14 - all tie with the same Lorne Park team. In fact it was a last minute kick single by Gary Dinan that put them back on even terms. Glen Gilbert and Mike Dawson had scored majors for Lorne Park earlier and Dave Robb had converted one. Meanwhile Louie Battagin had converted both Kennedy's touchdowns, scored by Joe Say and Joe Mancini. Bob Connelly, Terry Venner and

Mike Meadows were all outstanding on defence. Erindale were trailing 13-12 going into the second half of their game with Streetsville but from then on it was all Erindale. Jim Collins and Rick Flikkema showed Streetsville's best ground power of the year and scored the two touchdowns. Dennis Chadala kicked the single which gave Streetsville the one point lead at the half. Erindale piled up points on two TD's each by Randy Allen and Mike Hadlow, one by Steve McMurray, a major and a two-point convert by Doug Burgess and a single convert by Peter Walcott. For Streetsville in the first half especially, Ken Arnold, Dan Callaghan and Dave Madersbacher stood out defensively.

Sam Forgiore scored and Aldo Pighin converted for Applewood's points after Westwood had taken a 13-0 lead.

Quarterback Bruce Hamilton hit Ed McMahon on a post screen pattern to give Port Credit juniors a 6-1 win over Graydon. Mike O'Shea kicked a single for the Jayhawks.

Dan Glugosh who has scored all Glenforest's touchdowns this year got another last week to give his team a 7-0 win over Mayfield. The convert was by Frank Cocchio.

Brampton beat Central Peel 8-7 in a game decided by a two-point convert by Ken Darch. Bob Haggard threw Brampton's touchdown pass to Hugh Campbell.

## CRAWFORD RUNS 22 POINTS

Backfielder Dan Crawford of Streetsville midget football team couldn't be stopped last week. He crossed the goal line five times, three on touchdowns and two on two-point conversions. Quarterback Tom Kinder collected the balance of the points in the 30-16 win over the rookie Woodlands Wolves. Kinder also had a two-point convert to go with a touchdown. Paul Johnson ran one major for Woodlands and Bob Herron threw the other to Dave Evans. It was a big day for two-point conversions as Rob Anderson and Reynold Epema had one each on the Wolves majors. Kevin Pendergast stood out in a two-way effort for Woodlands.

T L Kennedy midgets rose to the top of the Western division by virtue of a close 8-7 win over Lorne Park. John Parry scored the last-minute single which won the game and also made the touchdown when he caught a pass from Joe Bradica. Alwyn Vandenberg converted it.

Steve Littlefield scored the major and Norbert Wilging stood out defensively for Applewood in their 6-3 win over Westwood.

Mark Harvey was strong on defense and Mark Spik kicked Glenforest's only point in their 7-1 loss to Mayfield.

# Derbys Drop Two To Hespeler

Streetsville Junior B Derbys are off to a slow start in the Central Ontario Hockey League. But there are signs of improvement, so don't panic yet.

In their home opener which Hespeler won 10 - 1 it was hard even for the Review to find any bright spot to report. But we searched and found a few. How are these?

1. The Derbys must have improved every period. In the first period Hespeler scored five times, in the second the Derbys got it down to three and in the third Hespeler managed only two goals. Now there's progress for you.

2. The Derbys won the only fight when Dave Kelly scored a clear cut decision over some ham from the other team.

3. After a start like that, and being outshot 63 - 13 (no, that is not a typographical error) the Derbys have no way to go but up.

Derbys also had a clear cut margin in another department penalties - but we're not sure whether this is to Derbys' credit or not. The score here was 63 minutes to 19 minutes for Hespeler, an incredible difference for two teams playing in the same game. Derbys were a man or two short for all but three of Hespeler's goals.

The Derbys' only goal came in the first period on a long shot from the point by defenseman Falk Gruenwald.

In the return match at Hespeler the Derbys looked like an entirely different team. With almost the same lineup they outshot

Hespeler for two out of the three periods and made a respectable game out of it although they eventually lost 7 - 4.

Tom Smith, just signed from the Dixie Bees put the Derbys ahead with the first goal of the game. Two more goals by Don Arch and by John Sears put the Derbys in the lead 3 - 1 at the end of the first.

In the second period the Derbys reverted to their form of the first game - too many penalties - and the result was a single goal by Dave Kelly lost in a host of goals by Hespeler, five goals to be precise. The Derbys came out fighting in the third with intentions of making a game of it. They had a goal called

back on them midway through the period which was disappointing after their valiant efforts. Hespeler came back with a single goal in the

period but the Derbys were ahead in shots for the period and away ahead of their performance in their opening game a few nights previous.

## First Advisory Board To Be Held At Allan Martin School

Allan A. Martin Community School will be holding its first Advisory Board Meeting on Wednesday, October 13 at 7.30 p.m. People who are interested in the development of their community are wel-

come to come and may serve on the Advisory Board. The Advisory Board should be comprised of people from all walks of life - business, teachers, students, housewives, are all required.

The purpose of the Community School is to provide local residents with the opportunity to take advantage of the school and its facilities after school hours, on weekends and holidays. Various programmes and activities are offered to the community.

Everyone is welcome to attend the Advisory Board meeting and for information contact Peter Thomas at A. A. Martin Community School 274-3619.

ODC Small  
Business  
Loan To  
Brampton  
Firm

An Ontario Development Corporation small business term loan of \$50,000 has been approved for Mercantile Steel Products Limited of Brampton, according to an announcement by the Hon. Allan Grossman, Minister of Trade and Development.

The company, engaged in supplying steel and steel fabrication, proposes to install new facilities and equipment in order to meet an increasing volume of business. Ontario Government loans are available to small Canadian-owned businesses to expand their operations in fields of manufacturing or services closely allied to manufacturing.

# DOMINION

# We're all in this together.

On October 21st, more than four million Ontario citizens will select, from among themselves, 117 people to represent them. And, at the same time, they will select one man as their Premier.

Bill Davis has said to the people of Ontario: "You have no need to judge us on our promises. We are asking you to support us for our performance...for the decisions we have made, for the policies we have introduced, for the more than 130 items of legislation we have implemented."

Consider that record.

The establishment of a Department of the Environment, and assistance to firms investing in pollution control equipment. The banning of logging in Quetico and Killarney Provincial Parks. Summer employment for students in clean-up operations (Project SWEEP). The Endangered Species Act. A tougher line with corporate polluters. With clear decisions and vigorous action like this, Ontario can breathe a little easier.

The Davis government's decision to halt the Spadina Expressway, coupled with a pledge to provide greatly expanded assistance to mass public transit, has brought us closer to a rational solution of our transportation problems.

The Provincial conference on economic and cultural nationalism reflects

and also contributes to an expanding awareness of the potential of our country and our people.

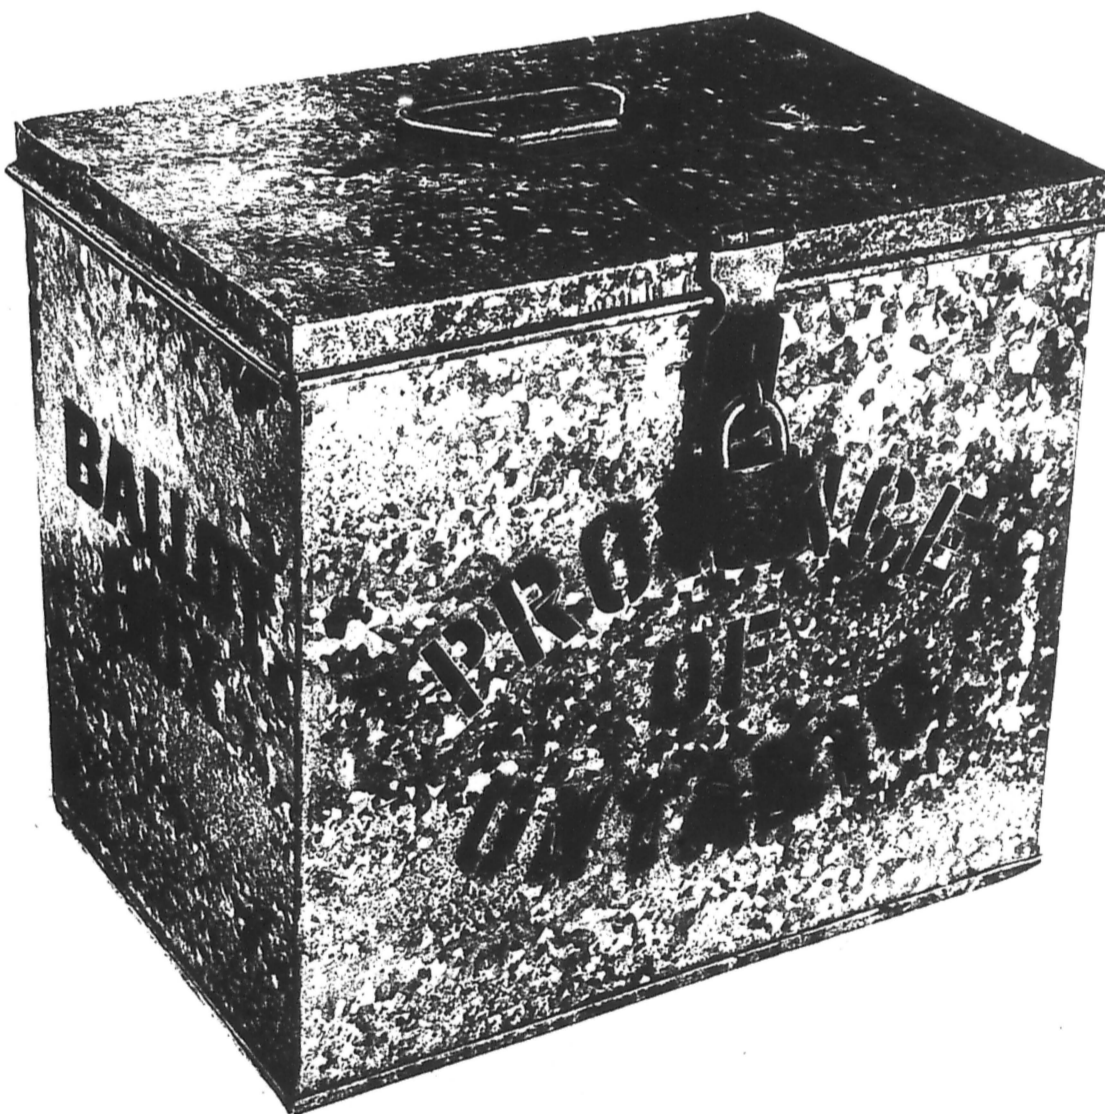

Davis decisions have helped the Canadian publishing industry; special provisions have been written into Ontario Development Corporation loans to encourage Canadian effort, to preserve and enhance what is distinctive about our society.

And there have been a great many other Davis government decisions... good decisions: No-fault car insurance. The task force for off-track betting. Expanded grants to day-care centres. Detoxification centres. Expanded housing on a rent-geared-to-income basis. Free medicare for the needy, and for people 65 and over. And lowering the age of majority.

Which brings us back to *your* decision, at the ballot box.

For democracy to succeed, it's not enough to talk about change. Change must be made to happen. That's why Bill Davis is doing things. And doing things—for people—is surely what leadership is all about.

In his first seven months as Premier, Bill Davis has demonstrated the kind of leadership and government Ontario needs. With your support on October 21st, he will continue. He can do much more.

**Davis is doing things...for people.**  
**On October 21<sup>st</sup>, do something for Ontario...Support Bill Davis.**

Inserted by the Ontario Progressive Conservative Association.

**On October 21st**  
**RE-ELECT BILL DAVIS For PEEL NORTH**

STREETSVILLE, Ont.

# Streetsville Review

STREETSVILLE'S ONLY LOCALLY OWNED WEEKLY

93 QUEEN ST.S.

125th YEAR, No. 10

PRICE 10¢ PER COPY

WEDNESDAY, OCTOBER 20, 1971

A new supermarket opened in Streetsville today in the old A & P Store at Centre Plaza. The store is called "Streetsville Farms" and will be open 7 days a week from 9 a.m. to 9 p.m. The owners of the store have been working very hard for the opening and have several good bargains in store for their new customers. A draw will be held on October 30 and four people will receive \$25 each in groceries.

## MEMBERS KEEPING SCRAPBOOK

The North Trafalgar Community Club meeting was held at Marda Miller's home on October 13 with 16 present. Mae Sammitt presented the Treasurer's report.

The 50th anniversary party held at Hawthorne Golf Club was reported on by June Leslie.

Life members were asked to make a scrapbook of newspaper clippings pertaining to the club.

Joan Williamson was appointed Chairman of the New Membership Committee.

Arrangements were made to hold a card party early in November. "Mike Swartz Birthday Party" was the name of a humorous,

and most enjoyable article read by Kathleen May. The next meeting will be held on November 10 at the home of Kathleen May with Otille Dowling and Marion Leslie in charge of the programme.

## VOTERS TO CHOOSE ONE OF THESE

NEIL DAVIS, 30, NDP, teacher, married with two children. The province and country's economy is the main issue and Davis feels drastic tax reforms would help stabilize economy.

WILLIAM DAVIS, 43, lawyer, married, five children. Davis has been in the Legislature for 13 years; was Minister of Education for 9 years and became Premier of Ontario last March. He is stressing economic co-operation.

GARY THALER, 36, Liberal, university professor, single. Says the major issue is representation and problems in the riding not being looked after by incumbent who is too busy elsewhere.

## UNITED CHOIRS PRESENT PROGRAM IN STREETSVILLE

For the first time in many years the three choirs of Streetsville United Church will present a program of secular music for the public. The senior, intermediate and junior choirs total more than 70 voices and each is a highly trained group. The junior choirs of the church have been consistently winning festival awards. As the youngsters grow older, they move up into the other two groups. "The main purpose of the choirs is the music for the regular services of the church" explained

choirmaster Fay Falls, "and for the festival services of Christmas and Easter, the choirs make extra provision. The Christmas choir festival has become a well-known feature of our religious program."

However, the choirs rarely have the opportunity to sing before the public at large in the community and practically never with a varied program of secular music of all styles from the classical tradition right down to the latest hits in popular tunes.

In order to give the people of the community generally a chance to see and hear these singers in such a program of music for the general listener, the choirs are uniting in a presentation on Saturday evening, October 23. The church auditorium is rather small and the number of tickets available is therefore limited but every attempt will be made to accommodate the largest number possible.

"We are also doing some special decorations and settings for the stage, which is another first for this auditorium. The choirs themselves have been having special rehearsals for this program for many weeks," added Mrs. Falls.

While tickets can be purchased at the door, advance purchases can be made through the church offices or through members of the Official Board of the Streetsville United Church. The admission charge is nominal; the program begins at 8:00 p.m. and there will be an intermission.

## U.C.W. holds Thank Offering Meeting

The Fall Thank Offering meeting of the United Church Women was held October 5 in the auditorium with 50 members and guests present. President Hazel Dalgleish was in the chair and since there was to be no business conducted the meeting was turned over to Unit 1 to conduct the Worship Service.

Norma Thomas, Eleanor Ferguson, Grace Cook and Mrs.

Forester took part with Isobel Christensen at the piano. Mrs. Dalgleish sang a solo "Man from Galilee". Muriel Lessard from Unit 5 introduced the guests - Rev. Robert Plant and his wife Carol. Rev. Plant is the Chairman of the Committee for Mission and Stewardship of the United Church. He and Mrs. Plant spent six weeks last year in Brazil and they showed slides and spoke of their trip. This was most informative and greatly enjoyed. Shirley Bentley thanked Rev. and Mrs. Plant for coming and sharing their experiences with the group. Refreshments were served.

## Seniors Feted Sherry

On Wednesday, October 6 the Streetsville Senior Citizens held a birthday luncheon at the Clubhouse in honour of Mr. Sheldon

Rice on the occasion of his 90th birthday with over 60 Seniors present to wish "Shelly" a Happy Birthday.

Mrs. Jean Steen and Doll Wright presented a wallet to the guest of honour on behalf of the Senior Citizens.

After the luncheon an afternoon of cards was enjoyed.

## Hoy's Plans Grand Opening

Have you seen what Hoy has done to his restaurant? He certainly has changed it!

Soon he will have a Grand Opening with Chinese cook York Seto who will cook special Chinese dishes for the Grand Opening of Hoy's Cafe.

The restaurant has been closed for several weeks while undergoing modernization with an accent of Asian architecture.

Hoy told the Review he is looking forward to serving once again his faithful patrons and the new ones too.

## MEETING

The first regular meeting for the Fall season of the Streetsville Historical Society will be held Thursday evening, October 21 at 8:15 p.m. in the lecture room of Streetsville Public Library.

Topic for the programme will be "What do you know about Election Night in Streetsville?" Everyone is welcome.

THE PRIME MINISTER OF ONTARIO, BILL DAVIS officially opened the new "Robert Speck Civic Centre" in Mississauga Saturday afternoon. Several area councils were in attendance including the Mayor, Reeve and some Streetsville Councillors. The Mississauga Town hall is located on #10 Highway and was officially turned over to Mississauga by Developer Bruce McLaughlin when he unveiled a plaque. In the photo the Premier is assisted by acting Mayor Chic Murray and Miss Mississauga. Streetsville was also represented at the opening by members of Council.

## MINOR LACROSSE BANQUET

A Father and Son Banquet is planned for the 26th of October at the Streetsville Community Hall. At this time all Streetsville Minor Lacrosse teams will be honoured. One of the highlights will be the presentation of the Presidents' Trophy to a player who has contributed to the betterment of his team-mates by his attitude and play.

son (former Mayor) is going to run again for Mayor?

Parishioners from the Anglican and Catholic churches in Streetsville travelled to Toronto Monday night and had the privilege of hearing Mother Therese and John Vanier tell of their experiences working with the needy in India and other parts of the world. Shouldn't we, with all our abundance be willing to share with those so much less fortunate?

We understand young Paul Flack was injured by a puck while playing hockey last week. The Review wishes Paul a speedy recovery.

Everyone has been so busy with the provincial election that the United Appeal had a hard time getting people to canvass in Town.

When a volunteer Canvasser calls at your door - don't forget "What's given in Peel is for Peel" - it's for all of us.

What's this we hear! George Wil-

Miss Elizabeth Colley, the head librarian at the Streetsville Library, with her co-workers, held a "get acquainted" tea for the local school librarians and Library members. Everyone had a chance to meet and talk over their experiences as librarians. In the photo (standing) - Miss Colley is chatting with some of her fellow-librarians. Those attending were Mrs. Jeffrey, librarian at Dolphin School; Mrs. Heathcock at Streetsville Secondary; Mrs. Vogen at Russell Langmaid and Ray Underhill;

Mrs. Wyllie, area 4 coordinator of P.S. LIBRARIES; Miss Lawlor, Vista Heights and Whiteoaks; Mrs. Ian Ferguson, wife of member of the board; Mrs. Hugh Manning, board member; Mrs. L. Dobson, board member; Mrs. R. Walker, board member; Mrs. T. Rea, wife of member of the board; Mrs. Meeking, in charge of adult-circulation; Mrs. Inglis, children's department; Miss Sharon White and Mrs. Sharon Johnston, part-time library staff.

for Peel South said Credit Valley Con-  
the "Department of servation Authority  
the Environment" has for a waterfront study  
been given approval in the Town of Port  
Credit.

## YOUNG PEOPLE ARE "INVOLVED"

Ward 3 Councillor Milton Gregory cut a ribbon Monday night to officially open the Glen Forest Youth Involvement Centre.

The name "Youth Involvement Centre" was chosen by the young people - as opposed to Drop-In Centre. They stress they do intend to be involved.

They are presently holding Car Washes in an effort to winterize their portable Centre. There will be a Bake Sale at the Centre on Saturday, October 13 - the young people are trying to raise funds

for a Seeing-Eye Dog for the C.N.I.B.

The Youth Involvement Centre is located in a portable, provided by the Town. It is located on parkland across from Glen Forest Secondary School. The Centre is operated by a Board of Directors consisting of 4 students, and 4 adults - in an advisory capacity only. Chairman of the Board is 17 year old Mike Mellan.

The Centre is open from 4 - 11 p.m. 7 days weekly, and all young people 13 years and over are welcome to become involved.

## CBC RADIO AT ST. JAMES' 1971-72 CONCERT SEASON

When CBC Radio inaugurated a series of public concerts in Toronto's St. James' Cathedral last year, it was somewhat of an experiment.

The problem of finding halls which are acoustically suitable for both live performances and recording pick-ups is a difficult one, and one which has occupied the music department for some time.

Aubrey Foy, organist and music director at St. James' brought the possibility of a joint series to the attention of the CBC and consequently seven concerts were presented last year.

These were successful for two reasons. Firstly, audiences responded very well to the idea of free con-

certs by outstanding artists resulting in continuous growth of attendance throughout the season.

Secondly, the CBC found the pick-up to be excellent and could consequently offer radio audiences high-quality live performances.

Mr. Foy, a dynamic, far-thinking young man, envisions not just music concerts in the future, but plays and poetry readings, as well as other secular events. He realizes the potential of St. James' as a contributing centre in an area of Toronto already heavily oriented towards the arts.

The first concerts of the season are as follows:

November 5 - Festival Singers of Canada; November 15 - Prague String Quartet; November 22 - Andrew Dawes, violin, Suzanne Shulman, flute and Claude Savard, piano.

Although all tickets for these concerts have been given out, the doors are opened to non ticket holders at 8.20 p.m. each concert evening and chances of getting in at that time are very good.

Tickets for future concerts will be available in November and can be obtained by calling the CBC ticket office at 925-3311, ext. 4835.

VOTE OCTOBER 21 PROVINCIAL ELECTION DAY

## O.H.C. NAMES 15 FIRMS TO CONSTRUCT 297 DWELLINGS

Ontario Housing Corporation has announced the names of the 15 building firms that will construct 297 single family and semi-detached dwellings on lease lots in Etobicoke under the Home Ownership Made Easy (H.O.M.E.) Plan.

The lots, which are located in the Federal-Provincial land assembly east of Highway 27, on both sides of Finch Avenue West, are the first H.O.M.E. Plan lots to be offered in Metropolitan Toronto by OHC.

A total of 66 builders submitted 123 proposals for the construction of the 261 single family and 36 semi-detached houses which will be offered for sale in the \$15,000 to \$17,000 price range.

With the exception of Claran Homes Limited of Scarborough, which will build the 36 semi-detached houses, the remaining 14 builders were each allocated from 10 to 29 lots on a lease basis. The lot leases will be assumed by the house purchasers.

By offering the land on a lease basis, OHC eliminates land costs

from the down payment for a house. The Corporation also keeps down payments to a reasonable level by limiting the prices of houses that may be erected on its lots to \$15,000 for a three-bedroom house - \$16,000 for a four-bedroom and \$17,000 for a five-bedroom house.

The minimum down payment for a H.O.M.E. Plan house is five percent of the purchase price.

H.O.M.E. Plan lots are offered on the basis of a 50-year lease but after the first five years, the home owner may elect to buy his lot. At that time, the price of the lot will be the market price established at the outset of the lease.

The Etobicoke single family lots, which have frontages ranging from 45 feet to 50 feet and 55 feet to 60 feet, will lease for \$46.05 and \$49.88 - monthly. The semi-detached lots will lease for \$38.37. All lots are at least 100 feet deep.

The 15 builders have mortgage commitments for the houses they propose to build. More than half the houses will be financed under the terms of the Ontario Guaranteed Mortgage Loan Program which calls for the provision of 75 per cent first mortgage financing by conventional lending sources and 20 per cent second mortgage financing by OHC. The home buyer provides the remaining five per cent in the form of a down payment.

The Thistleton lots bring to 7,864 the number of serviced building lots OHC has marketed in 28 municipalities since the lease lot program was launched in August, 1967.

capities since the lease lot program was launched in August, 1967.

## OUR GUEST

This newspaper does not enter into the national scene too often. Our job is with local news in Mississauga and Streetsville. But we do deplore threats and attacks upon a foreign prime minister, especially as he is our invited guest in our own country.

When Premier Kosygin visits Toronto this weekend, we hope that no unfortunate incident occurs, and that there is no "blunder" in security. In this respect, and for what it's worth, we would like to remind security officers concerned with the Russian premier of the date next Monday. It is the 117th anniversary of one of history's most notorious blunders. We refer to the Charge of the Light Brigade at Balaklava in the Russian Crimea on October 25, 1854.

### STEEL SCULPTURE

BY RON BAIRD

ERIN MILLS

### GATEWAY SIGNATURE

A specially created steel sculpture will be the entrance signature of Erin Mills New Town, the community for 150,000 residents now being created by Don Mills Developments Limited on 7,000 acres in the Towns of Mississauga and Oakville.

The Erin Mills signature has been designed and created by one of Canada's leading young sculptors, Ron Baird, 31, A.O.C.A., for Don Mills Developments.

The three-ton sculpture was installed in late August on a landscaped site near the intersection of Dundas Street and Erin Mills Parkway, and will serve as the gateway signature of the Erin Mills community.

The sculpture is the interpretation by Mr. Baird of the symbol for Erin Mills, a subtle combination of the letters "E" and "M". The symbol was inspired by and expresses the concept of Erin Mills - four interlocking, tree-oriented communities which will be developed by Don Mills over the next 15 - 20 years, Erin Mills South, Erin Mills Centre, Erin Mills West and Erin Mills Ridge.

Erin Mills South is the first of the four communities to be developed. First dwellings the community's Brookmeade neighborhood were offered for sale in August by Costain Estates Ltd. and Cadillac Homes. These builders will provide 376 single family and semi-detached and 422 town house and condominium units in Brookmeade. The community sig-

nature is made of sheet steel and weighs three tons. It blends with its natural site in the southeast corner of Erin Mills South. Set among trees and stone indigenous to the Credit Valley, the signature is 22 feet long, 8 feet in height and about 6 feet in depth.

The sculpture will weather to take on an earthy brown hue reflecting the rich soil and rolling landscape of the Erin Mills lands.

Mr. Baird is a 1964 graduate of the Ontario College of Art who has had exhibits at the National Gallery in Ottawa, the Art Gallery of Ontario and at many private and civic galleries in Toronto, Hamilton and Montreal. He also designed the jewellery worn by hostesses at the Canadian Pavilion at Expo '70 in Osaka.

SAFETY TIP- BICYCLE SAFETY CHECKS How safe is the bicycle your child rides?

Remember - bicycles are vehicles ... not toys and like cars need regular safety checks. Points to check are tires, wheels and spokes, seat, brakes, chains, handlebars and the horn or bell. Also if the bike is ridden after dark, remember ... special equipment is required by law - a white or amber light on the front, a red light or reflector on the rear, plus reflective material - red on the back fender and white on the front forks. Help your youngster enjoy safe cycling by making sure the bicycle is in safe mechanical condition.

The overhead wires that carry electricity into your home have been engineered to stand the strain of winter's wind and icy storms. But once in a while a gust of violent wind or a falling tree limb may bring a wire to the ground.

The wire on the ground is dangerous.

Don't approach it-and above all don't touch it.

Give us a call and we'll have an emergency crew on the spot almost as soon as you replace the receiver.

In the meantime, if people are about, you might warn them to keep away.

You'll be doing everybody a service.

Thank You

## LIBRARY NOTES

### NEW BOOKS IN THE CHILDREN'S LIBRARY AT STREETSVILLE

For Older Children: "The Mystery of the Nervous Lion and the Mystery of the Flaming Footprints" for the Alfred Hitchcock fans.

"The Black Stallion and the Girl" by Walter Farley; "Better than the Rest" - problems of a 'fat' girl, by Rowena Boylan; "Miss Pickrell and the Weather Satellite" - why did the weather report keep promising

sunny skies when it did was rain? A new book of one of your favourite characters by Ellen MacGregor and Dora Pantell.

For the Middle Group: "A Kitchen is not a Tree" - a story of a little boy who wanted a pet of his own, by George Panetta; "Tom B and the Joyful Noise" - a cocky little black boy who uses his shoeshine kit as a passport to explore New Orleans and the world of Jazz, by Jerome Cushman.

"The Toymaker's

Daughter" by Ursula Moray Williams - a fantasy about a beautiful child dropped by an eagle on a hillside who turns out to be not what she seems.

"Roller Skates Scooter and Bike" by Dorothy Clewes - who stole the scooter and the bicycle? For the Picture Book Set:

"The Old Witch and the Snore" by Ida DeLage - when the old witch's magic spell fails to remove the snoring bear from her cave, she gets the giant to help her.

The Berenstain Bears are at it again in two new stories - "The Berenstains B Book" and "Bears in the Night". "A Lemon Yellow Elephant called Trunk" by Barbara Softly. What happens when a yellow elephant tries to play hide-and-seek with his friends.

"The Giraffe's Necktie" by Constance Cozzens Milton - the animals in the Zoo did not know how to manage a necktie long enough for a Giraffe until the mouse solved the problem.

Don't forget - STORY TIME every Tuesday afternoon 2 - 2:30; all pre-school children and their mothers are welcome.

Organs play in silent concert at Sheridan College in Oakville. An electronically controlled grouping makes mass teaching possible. Organists listen to themselves on earphones without disturbing neighbours; the instructor hears one or all, through a quick flick of switch on electronic control board. Both daytime students and continuing education students at Sheridan use the room fully. Space is still available in continuing education classes Wednesday afternoon and Monday, Tuesday and Thursday evenings. Contact the Oakville campus.

A six-week Supervisory Training program, sponsored by the Commerce and Industry Division at Sheridan College is now in progress at Canadian General Electric in Oakville. The program runs for two, two-hour sessions every Tuesday, in order to accommodate rotating shifts at G.E. Instructor Stuart West is emphasizing the development of supervisory skills for those already employed at G.E., through a series of topics including the role of the supervisor, perception, communications, human relations, leadership styles (theory and practice) and motivation. At the front of the class on the left is G.E. Manager of Personnel Mr. M. C. Reeve with course instructor Mr. West on the right.

## ASK THE CHIROPRACTOR

**QUESTION:** I suffer from a tightness in the chest and difficulty in breathing, and in the past four months I have been rushed to hospital three times, fearing that I was undergoing a heart attack. Each time, electrocardiographs showed negative results. I have been told that this may simply be a nervous condition. Can this be possible? S.L.B.

**ANSWER:** Yes, it may be your "nerves", but this is nothing to dismiss lightly. Nerves are the electrical system of the human body, controlling your blood pressure, heart and stomach function, breathing and speech. The spinal column, through which the nerves run, is the switchboard which controls the whole system. Since the nerves extend outwards to the various organs and limbs through narrow openings between the spinal vertebrae, any irritation of these nerves through spinal misalignment can cause abnormality, and this may be contributing to your symptoms. Have your chiropractor give you a thorough spinal examination, x-rays, and nerve testing. By freeing-up any irritated nerves, he may be able to alleviate your problems.

## Live-Winding Reel Designed For Economic Range Of Uses

A new reel that will handle up to one-inch air, water, oil or chemical hose under pressure while turning, yet is economic enough for a wide

range of industrial and maintenance applications is being marketed by Nordic International of Mississauga.

Nordic's new H-70

model reel with live swing joints has 20-inch diameter, permanent-moulded, high strength aluminum heads that will accommodate up to 100 feet of one - inch hose; double that length of half-inch hose. Model H-71 with 23 - inch head will take fifty per cent more hose length. Both models have hand rewind by turning the head; finger-tip brake and lock device and crank handles are optional.

Equipped with bronze and viton o ring swing joints to allow unwinding or rewinding of the hose while under pressure, the live reels have been pressure tested to 3000 pounds per square inch. Nordic have designed these reels to accommodate a wide range of uses with an economically priced unit. One company with a six-acre landscaped site has provided the new Nordic reel for its gardener's use in watering flower beds and lawns with one-inch hose. A car manufacturer is using the reel in truck wash racks where hose can be left pressure loaded for instant use. Packing houses and similar locations where floor washing is frequent but intermittent, are finding the live-joint reel economic. A Maritime retailer is using these reels for display of hose, wire and chain.

## DUTCH SANDWICH RECIPES

### HOLLAND CHEESE SANDWICHES

Tired of the usual sandwich fare? Try these tasty open-style ideas from the Holland Cheese Consumer Bureau, ideas which are not only nutritious but are quick to prepare and easy on the budget.

Great for an impromptu snack, brunch or lunch they are also ideal for an early or late dinner. The protein-rich "Gouda Cutlet on Pumpernickel" for example, is a perfect meat substitute and with a vegetable platter or crisp salad and dessert makes an inexpensive, nutritious dinner.

### GOUDA CUTLET ON PUMPERNICKEL

butter or margarine 1 egg, beaten 3/4 cup all-purpose flour 1/2 c. bread crumbs slices of imported Holland Gouda cheese cucumber slices parsley

Coat imported Holland Gouda slices with flour, dip in beaten eggs then in a mixture of bread crumbs and flour. Set aside in the refrigerator 10 - 12 minutes to allow coating on the cheese to dry and to chill the cheese.

Meanwhile butter thin slices of pumpernickel and arrange on serving plates or platter. Melt margarine or butter in skillet. Fry breaded Holland cheese "cutlets" until coating is crispy and golden. Serve each cutlet on a slice of pumpernickel, garnished with cucumber slices and parsley. Serve with hot Dutch mustard or tart red jelly. Allow two cutlets per serving.

### HOLLAND CHEESE • FRUIT SANDWICH

Imported Holland Edam or Gouda, in slices or shredded sliced peaches brandy cooked ham slices oatmeal or rye bread butter

Sprinkle sliced peaches with brandy and allow to marinate for a few minutes. Meanwhile toast bread slices on one side only. Lightly spread untoasted side with butter and a little Dutch hot mustard. Top with ham slice, a layer of brandied peaches and then a slice of imported Holland Edam or Gouda.

Grill under broiler 2-3 minutes until cheese melts or place in 350 degree oven 5-7 minutes. Serve on individual sandwich plates with knife and fork.

### SUSAN'S SANDWICH

1 c. chopped cooked chicken, tuna or ham 1 c. shredded imported Holland Edam or Gouda cheese 1/4 c. chopped celery 1 tbsp. finely minced onion 1/4 c. mayonnaise 1 tsp. lemon juice pinch of nutmeg salt & pepper to taste

Mix all ingredients together. Spread on split English muffins or crusty rolls. Place under broiler 3 - 4 minutes until cheese melts or bake in 350 oven for 10 minutes. Garnish with tomato slices. Makes 6 - 8 open-face sandwiches to be eaten with knife and fork. Alternative: The above mixture is a delicious filling for sandwich rolls. Remove some of the soft centre from soft rolls. Fill pocket with Holland cheese mixture. Wrap rolls in foil. Heat in 350 degree oven 10 minutes just before serving. Sweet mixed pickles are a tasty accompaniment.

## PHOTOGRAPHY POPULAR AT SHERIDAN COLLEGE

Doug Boulton, well-known photography instructor at Sheridan College, will teach the evening course in Advanced Photography for Continuing Education.

Photography courses at Sheridan, both basic and advanced, have proved very popular this year, said Burt Bonnell, assistant director of Continuing Education. The Basic photography course has a "record enrolment" and he expects the same for the course in Advanced Photography, which begins November 8. Mr. Boulton, who has just completed a television series for educational TV, was also recently honoured by an invitation to speak to an elite professional photography group in the U.S. He is well known both in Oakville and Mississauga and is also qualified

as a black-belt judo instructor and referee.

In his new course which will run Monday and Wednesday evenings from 7.15 to 9.45 p.m. at the Oakville campus, Mr. Boulton plans to cover

equipment use, film and applications for film; layout and techniques, electronic flash, and 4 x 5 adjustable camera techniques. For further information 845-9430, 826-4300 or 362-5861.

## Town of Mississauga ENGINEERING AND WORKS DEPARTMENT TENDER P.N. 71-096 SODIUM CHLORIDE CONTRACT

For the supply and delivery of Sodium Chloride to provide winter road maintenance for the Town of Mississauga.

Sealed Tenders in the envelope provided will be received by the Purchasing Agent on behalf of the Council of the Corporation of the Town of Mississauga until 4:00 P.M. E.D.S.T.

TUESDAY, OCTOBER 26, 1971

A Public Tender opening will be held at the Mississauga Civic Centre, 4100 Hurontario Street, Mississauga, Ontario, at 12.30 p.m. on Wednesday, October 27, 1971.

Further information, including tender forms, envelopes, information to bidders and specifications will be available on or after October 15, 1971 at the office of the Town of Mississauga, Purchasing Agent.

The lowest or any tender not necessarily accepted.

R. D. Hasted, Purchasing Agent.

# JAYCEES HOST INTERNATIONAL HOLIDAY FOR THE HANDICAPPED

The New York and Ontario Jaycees will be hosting their 5th annual "International Holiday for the Handi-

capped" on November 5. This is an all day visit to Niagara Falls for physically or men-

tally handicapped children. The day's events include visits to the

aquarium, to the top of the Skylon Tower, to the Wonderful World of Fantasy, a Wax Museum and an antique

auto museum. Over 4,000 handicapped children participated in last year's visit. All of these events

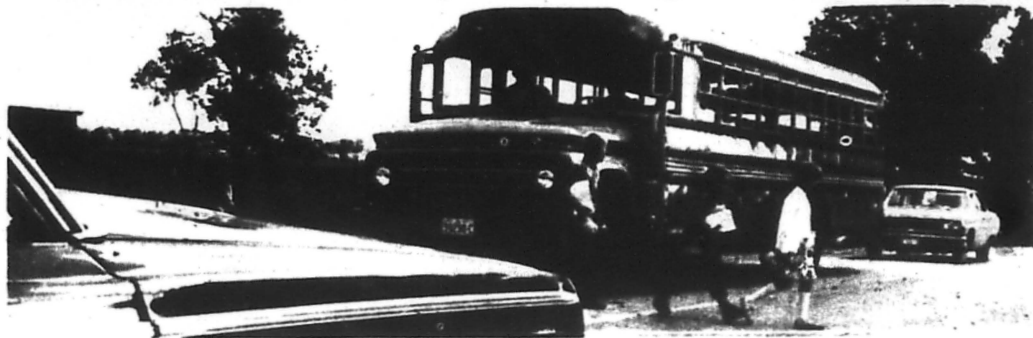

will be free of charge and nurses and Jaycees will be on hand at each one all day. The Mississauga

Jaycees are currently looking for agencies, hospitals, or groups who have handicapped children and are in-

terested in participating, and request that they contact them at Box 36, Mississauga or phone project

chairman Howard Payne at 677-4986 - (days) or 274-4772 - (nights) for more information.

## Motorists must stop when lights are flashing

Over 470,000 school children relied on buses to get them to and from school last year.

Although teachers and parents try to stress that each child is

responsible for his behaviour in and around school buses you can help them. Remember when you are overtaking or meeting a school bus stopped on a highway with red signal lights flashing, the law requires you to stop on a highway where speed limits ex-

ceed 35 mph. If you are on the other side of a highway divided by a median strip you do not have to stop. A median strip is defined as that part of the highway built so as to separate traffic travelling in opposite directions by a strip of

pavement more than 10 feet in width, a physical barrier or an unpaved strip of ground. Come to a complete stop well behind or in front of the school bus. Don't start until the bus starts moving or the signal lights are no longer operating.

## DRIVERS ARE ASKED TO 'WATCH OUT FOR SENIORS'

"Pedestrian accidents involving senior citizens have reached tragic proportions", Mr. Neil Gaskin of the Ontario Motor League - Toronto Club stated on the recent study of senior citizen pedestrian accidents undertaken by the Canadian Automobile Association. "Senior citizens, aged 65 and over, account for almost one-quarter of all pedestrian fatalities and more than 10 percent of all pedestrian injuries although they represent less than 8 percent of our population."

Noting that the CAA study showed that nearly one-third of senior citizens struck were crossing at intersections with a traffic signal, Mr. Gaskin called on motorists to be far more careful when they see older people crossing. "We as motorists must realize that the elderly are being exposed to ever increasing traffic volumes and that many are ill-

equipped to cope with this exposure because of a variety of infirmities both mental and physical", the General Manager of

the Ontario Motor League said. Mr. Gaskin urged all motorists to be extra cautious during the next three months as

October, November and December showed the highest incidents of pedestrian accidents involving senior citizens.

## Federal Grant To Help Single Parent Families

A \$25,200 grant from the federal government's welfare grants program has been approved for a single parent's self-help project sponsored by Parents Without Partners of Hamilton, John Munro, Minister of National Health and Welfare and M.P. for Hamilton East announced recently.

Purpose of the project is to identify psychosocial and environmental needs of newly separated parents, to examine and develop to their optimum services currently available to meet these needs, and

to create new services where required. Special attention will be placed on crisis

intervention and assistance given to recently separated persons by others who

have previously experienced similar problems. The project will be

undertaken in collaboration with the Hamilton Family Service Agency.

## HUNTER SAFETY COURSE

Just in time for the big game hunting season is the fall hunter safety course at the Cold Creek conservation area on Wednesday, October 20 and Thursday, October 21, commencing at 7 p.m. Under chief instructor Lou Romhanyi students will cover all aspects of the hunting sport. The first session consists of prac-

tical work and oral lectures on safety and firearms, while the Thursday class covers care and cleaning of firearms, clothing, regulations and sportsmanship.

Students must attend both evening classes to qualify for the Ontario Department of Lands and Forests hunter's licence examination, and can

register for the course by contacting Mr. Romhanyi at 749-0747 or George Calver, area superintendent at Bolton, 857-1646.

Cold Creek is one of 14 conservation areas in the Metro area administered for public recreation by the Metropolitan Toronto and Region Conservation Authority. It is loc-

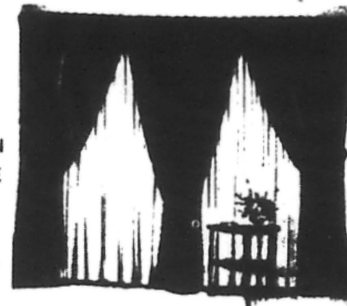

ated between Bolton and Nobleton, about three miles north of the King sideroad, on concession road 11.

## Lorne Park Recreation Meet

The Lorne Park Recreation Association will hold their regular monthly meeting at 8.00 p.m. on Monday,

October 25 at the Lorne Park Community Centre. All area residents are welcome to attend.

Dear Friend:

I am writing to ask for your support on October 21st in my bid for re-election as your member in the Provincial Legislature.

Since 1967, it has been my privilege to serve you on a full time basis. I have attempted to keep in touch with you; to seek your views on important issues and to make these known by speaking out in the Legislature and in caucus. Two important results, among others, were my successful intervention on behalf of those adversely affected by reassessment, and the quashing of the proposed new airport flight path over Mississauga.

Though I have met many of you during my term of office and throughout the campaign, with some 72,000 voters it has not been possible for me to call on each of you. I renew my pledge to serve you to the best of my ability regardless of political affiliation.

I ask for your vote on October 21st.

*Doug Kennedy*

Doug Kennedy.

Doug **KENNEDY** X

## A Letter From Home

by MRS. MILDRED BELLEGHEM, A Member of the  
Mississauga Historical Society

Dear Ruth:

It was lovely among the Northumberland Hills this weekend and with reluctance we left it behind to return to reality.

As we rambled over our "farm" - these words came to mind: "A day just meant for roaming, With maple trees on fire, ... and a day of purple splendour ablaze with autumn tints, Carpets of leaves upon the grass as colourful as chintz. A day just meant for roaming, Where an eager heart might find A bond of beauty ever bright, Twixt earth and humankind. Edna Jaques. And this poem: "God is so lavish with His gifts

Of loveliness these autumn days....

A stand of sumac, crimson red  
Against a tall hill's browns and grays.  
A cluster of blue gentian blooms  
Beside the yellow golden rod,  
And ah, the silky lustrous white  
A-spill from milk-weed's gray-green pod!

As purple as the monarch's robe,  
Grapes hanging heavy on the vine;  
And every breath of sun-drenched air  
Heady with scents so sweet and fine.

God is so lavish with His gifts  
Of loveliness these autumn days ....  
My heart is brimful every dawn  
With fervent gratitude and praise."

By

Virginia Blanck Moore

and "we walked along the leaf-strewn path... and our steps made crackling sounds ... leaves were falling everywhere...no artist can quite duplicate those gay bright colours.... the Master's handiwork!"

Later, we gathered around a bonfire for supper and the laughter and merriment recalled with nostalgia other bonfires on a farm!

I picked up an old paper dated 1914 - THE STREETSVILLE REVIEW and PORT CREDIT HERALD - thought you might be interested in some of the news of that day -

TORONTO TP COUNCIL DECEMBER SESSION, Cooksville Town Hall, Dec. 15, 1913 -

The Council met, the Reeve in the chair. Members present - Messrs. Rutledge, McCaugherty, Gordon and Pallett.... passed the following accounts: Weylie McCracken, road commissioner wages ..... 52.80 R.W. Lackie, Road Commissioner, wages etc. 97.67; W. H. Johnson, Road Commissioner wages 18.90 Robt. May, Road Commissioner wages 31.50 J.K. Morley services as auditor for the past year 13.00; A. E. Tolman, for repairing the flag and furnishing material 8.00; (some is obliterated) ..... Lush-Pallett, resolved that the Treasurer pay to Marshall Sutton Medical Officer of Health, the sum of Fifty dollars salary for the year 1913, as per By-law, Carried. Rutledge-Gordon, Resolved that the Treasurer receive and place to the credit of the Municipality the following sums received for the sale of old plank, Wm. Maltby, \$6. John Graham \$5.15, A. A. Gage \$4.20, E. Grafton \$3.35, E. W. Wilson \$1.50 and Geo.

Lewis \$1.80. Total \$22.20. Gordon - McCaugherty Resolved the Treasurer be and is hereby authorized to place to the credit of the Hydro Electric Fund of this Township, the sum of \$500, at the usual rate of interest until such time as they receive from subscribers sufficient sums to repay the same. Carried.

McCaugherty - Rutledge, Resolved that the treasurer pay to Luke Marchment the sum of \$23.00 for digging a ditch at Churchville - Carried. Pallett - Rutledge Resolved that the Treasurer pay the following accounts and charge the Hydro Electric account of Toronto Township as follows - to the Hydro Electric Power Commission of Ontario, Power act \$178.13 and to R. M. Parkinson, trouble inspector, 1 month salary \$10.75 - Carried.

There are many more interesting items, at a later date I'll tell you more.

In the same paper on another page under the heading DIXIE - "The Hydro Electric line is being extended from Cooksville to Dixie and Summer-ville, down the Third Line (now Dixie Road) to Mr. L. H. Pallett's and along the MIDDLE ROAD (now Q.E.) to Mr. Guthrie's. A number of men are working on the line now and will be here for two months. The Hydro Electric is a great boon to the farmers and many are having the power installed."

Further on, on the same page - "BORN PEARSE - in Streetsville on Sun. Jan. 4th, 1914 to Mr. and Mrs. Arthur Pearse, a daughter. McGILLION - at Dixie on Dec. 27, 1913 to Mr. and Mrs. B. McGillion, a daughter. CLARKSON - at Summer-ville on Wednesday, Dec. 31 to Mr. and Mrs. Norman Clarkson, a son. And in the same paper the following:

THE ELECTION - "Monday was a fine day for the contest of the Reeveship of the Village and both candidates commenced as soon as the poll was open to get the voters out. Mr. Goodison had three rigs on the go while his opponent had only one, and the voting continued brisk until five o'clock. (note - Mr. Goodison's "opponent" was the Editor of this paper, The Streetsville Review - Mr. O. H. Church). Mr. Goodison had the support of the hotel keepers and Harry Kumpf's chestnut (horse) drew more than one chestnut to the poll, EDDIE CARR didn't vote for the

Editor but he offered congratulations to the winner two days later. Joe Drennan was a strong supporter of Mr. Goodison and didn't make any bones about it either. Joe Phair didn't show up until the last minute and came within an ace of losing his chance to vote. We wonder if he was away looking for a man to start a poolroom as soon as the Reeve was elected? One man got so excited that he marked his ballot for both candidates. That was the only spoilt ballot. We have not found out yet who that party was. The ladies turned out well, and somebody said that they all voted for CHURCH - sure they did - you would not expect a lady to vote for a poolroom would you? But poolrooms was not the main issue of this election - the ratepayers were not satisfied with the administration of municipal matters during the past year; they voted a change and got it; 148 ballots were cast - the largest vote polled for many years - 79 voted for CHURCH and 68 voted for GOODISON, making a majority of 11 for the former. Needless to say the result of the poll was a surprise to many, and more than one man lost his money by voting the wrong way.

The fire bell which arrived a few days ago, was hoisted and placed on the tower of the fire hall on Monday in order to ring the result of the Election - but instead it was tolled - the number of strokes being eleven.

The crowd that usually do the serenading were not in humour Monday night, and when another bunch got out with materials for a good big bonfire, they were interfered with, and the Constable was called out at two o'clock in the morning to put a stop to such unseemly conduct on election night. Clubs and coal oil were used pretty freely and the boys report getting some pretty hard knocks. We fail to see the harm in the boys having a little fun on election night when they do not destroy property.

Mr. Goodison is a game loser and there are no hard feelings over the result of the election.

We believe we got the support of every temperance man and woman and take the result of this election as a true indication of the outcome of the voting on the Canada Temperance Act on the 29th of January in this little burg.

We desire to express our appreciation of the confidence the ratepayers of this fair

village have placed in us by electing us to the high and important office of Reeve and while we feel the responsibility connected with it, we shall endeavour to fill the position with credit to ourself and the municipality."

The paper is really interesting; maybe I'll tell you more later on -

With love,  
Your Mother.

RECTOR - REV. RICH 1903-1909 - STREETSVILLE

Members of the winning team of "Open Challenge" are commended by Brig. General R. F. Herbert, Commander of the 10th Tactical Air Group. Left to right are - Capt. J. W. Copp, St. Huberts, Quebec; MWO William Humphrey, Etobicoke; MWO Barry Hubbard, Mississauga and Brig.

MWO Barry Hubbard of Mississauga was "Drop Master" for the winning team taking part in "Open Challenge" competition for Air Reserve crews. MWO Hubbard is at the open doorway of this aircraft as it passes low over the target for a message pickup during the competition.

## HOUSEPLANTS COME INDOORS

With the chance of frost at any time the Ontario Department of Agriculture and Food horticulturists recommend bringing houseplants indoors very soon. Potted plants can be dug up directly. But,

those planted directly in the garden soil may need to be divided and cuttings taken. See that all plants are in good condition before bringing them in the house. Remove any insects and gently hose down the foliage.

For plants that are too large, take three or four-inch cuttings of the youngest and strongest shoots. Root them in sand or in a glass of water. Obtain these cuttings now for successful overwintering of your garden plants.

## MISSISSAUGA RECREATION

## AND PARKS DEPARTMENT

## 1971-72 NATURAL ICE RINK PROGRAM

Natural ice rinks are operated and supervised by volunteer groups or individuals in approved locations such as parks, schools, etc. where water and/or lights are available.

Anyone interested in operating a rink this winter may obtain an APPLICATION FORM from the Recreation and Parks Department, 4100 Hurontario Street or phone 279-7600, Extensions 305-308.

The Department will supply and instal rink boards, supply hoses, scrapers, shovels and heated trailer or hut to store equipment. Snow removal assistance will be provided when snowfall exceeds four inches.

DEADLINE FOR APPLICATIONS

IS NOVEMBER 1, 1971.

#7415

## FAMILY OF FIVE EMBARK ON 10-MONTHS' SAILING CRUISE

Almost everyone has visualized an extended pleasure cruise in the Caribbean. The dream came true recently for J. E. Smith and his family, of Georgetown, when they left Bronte harbor to spend 10 months sailing among the islands. A newly-built 30-foot Gramplan sail boat with auxiliary motor

will be home for the Smiths during the long voyage. Jack and Madeline began thinking about the trip eight years ago. Their children, Karen 13, Wendy 11 and Lise 5 1/2, are just as enthusiastic as their parents. Even their 14-year old cat, Mandy and 10 year old dog, Laddie, who accom-

panied the family, seemed to take a new lease on life. The Smiths are not burning their bridges behind them. They have rented their home in Georgetown and intend to return to this area next year. A mechanical engineer who became interested in electronics, Jack spent 11 years

with Power Projects, Atomic Energy of Canada Limited, Sheridan Park. Regarded as a pioneer in the control computer field he was responsible for such equipment at the Douglas Point Nuclear Power Station. Until resigning recently he was also in charge of control computers for the Pickering and

Bruce Generating Stations. An interest in sailing came naturally to Jack. His father was in the Royal Navy during the First World War. As a boy in Toronto he listened spellbound as an uncle recounted his experiences in the merchant marine. Jack has owned and operated several boats over the years. His female crew is less experienced.

Madeline and Jack are confident that their plan will result in an even closer family relationship. The children are more inclined to picture the trip as an adventure story come true.

When first told of the plan the youngsters visualized a school holiday lasting almost a year. Now Karen, Wendy and little Lise look forward to an educational program few children ever experience. While cruising among tropical islands they will participate in a correspondence study sponsored by the Ontario Department of Education. Madeline will supervise Lise's studies and Jack those of Wendy and Karen. Between lessons all will lend a hand in running the ship as it sails to new places and brings alive history, geography and social science.

## A WINE RECIPE USING NIAGARA PENINSULA GRAPES

Grapes grown in Niagara are now available in good quantities for use as dessert grapes or for home processing. Thanks to the generally warm weather experienced this year sugar content of the grapes is above average which will be good news for the increasing number of people who make a hobby out of making home wine as well as for housewives interested in preserving their own grape jams, jellies and juices.

Ontario's tender fruit growing lands have benefited from the ideal growing conditions provided through the summer and early fall days and the 1971 grape crop is likely to be one of the largest recorded. Last year 65,000 tons of grapes were gathered from the 22,000 acres of vineyards in the Niagara Peninsula, which produce more than 90% of all the grapes grown in Canada.

Niagara grapes are marketed in distinctive half bushel cartons at most fruit stands and outlets, while wine makers within easy driving distance of the grapes may prefer to buy directly from the growers, in full bushel quantities.

Home wine making is both simple and inexpensive for the amateur vintner, with each 15 pounds of grapes producing approximately one gallon of wine.

First the stems are removed from the grapes, which are then mashed in open barrel or stone crock. This should then be set aside for a few days at moderate temperature to encourage fermentation, and this stage in the process will be indicated by a bleaching of the grape skins.

Next the juice should be drained into a clean wooden barrel or glass jar, and sugar syrup added at the rate of 1/2 to 1 1/2 pounds per gallon, depending on personal taste preference.

### NEW DWARF LILAC ATTRACTIVE HEDGE

For an attractive hedge, try the new dwarf lilac now available in Ontario. This little plant will not only produce an attractive, distinctive hedge but will also serve as an effective addition to the shrub border.

Mauve panicles of flowers highlight the dark green foliage in May and June. Occasionally, a second bloom is produced. This compact round-shaped plant with small foliage grows to a height of about 4 feet.

The name of this lilac varies in nursery catalogues; no one name has yet been fully accepted.

ference. The opening in the barrel or jar should then be covered with cotton and once again the wine be allowed time to ferment.

Once the bubbling, or fermentation has stopped the container may be sealed tightly

with a bung or cork, and periodic tastings will reveal when the wine is ready for consumption.

In one way, Ted Humphreys has it easy.

He's the candidate for the political party that not only pledges reform, but follows through after the votes are counted.

That was proven in Manitoba where the New Democratic Party won the last election and then followed through on its reform program.

In the same way, Saskatchewan went NDP this year—to be sure of performance on crucial issues. So, the NDP means what it says. In Ontario, these things can be done by an NDP government:

Lower-cost healthcare premiums, no-fault public car insurance at lower premium cost to the motorist, lower school taxes for homeowners.

And—more importantly—real job-creating programs, not temporary make-work projects.

And curbs on American takeover of our industry. And a new GO-train line through Mississauga. We can get these things—the things we need—by voting for Edward Humphreys New Democratic in Peel South. There's no other way.

For information, a baby sitter or a ride, to the polls Thursday, call the Humphreys committee room, 941 Lakeshore Road E. 274-2571, 274-2572, 274-2573, 274-3053.

## MALTON MUSICIANS TO HELP UNICEF WITH A CONCERT

Musicians of the Lloyd LaVaux School of Music and a young Brampton artist will combine talents in a benefit for UNICEF at Westwood Public School auditorium on Sunday, October 31.

The benefit concert to be held in Malton, will feature many brilliant young artists. A silver collection to be received by a UNICEF representative will be taken during the afternoon.

Appearing on the program with his students will be Lloyd LaVaux, professional entertainer, teacher and composer. He has appeared in many parts of the world before residing in Malton. His ability has been proven by the brilliant records of his students at the Peel Music Festival competitions.

Ian Baird, accordionist, will feature original compositions. Nine-year old Paul Sims, guitarist, is studying Grade IV and will include, on the program a number from the Grade IX syllabus. An accordion duo, Christine Pryde and Bruce Besos are also festival competitors.

An honour student in Grade V is Lucy Carboni, pianist. She has been studying about two years. Larry DeBellis, guitarist, festival scholarship winner, will be playing both classic and electric guitar. Dixie and Beate selections will be provided by "pop" pianist Barry Munroe.

Teachers Phil Buchanan and Miriam Zeman will be taking part with the students. Phil teaches guitar, banjo and mandolin, mostly to beginners. Miriam holds a Grade X standing and has recently started with the school as a teacher.

Ray Strimatis, an Estonian who sings and has studied Italian opera, is well-known to Malton residents. The display of art will be by pupils of The Art Den, located in Brampton, with students ranging in age from eight years to adult. The teacher, Lynden Davidson, will be in attendance at the benefit program.

## A.R.F. HAS NEW QUARTERS

The Addiction Research Foundation of Ontario entered a new era on September 28 with the official opening of its new \$10 million headquarters at 33 Russell Street in Toronto.

A. B. R. Lawrence, Ontario Minister of Health, officiated at a brief dedication ceremony conducted on the front steps of a new 100-bed hospital facility - the Institute for the Study of Addiction, a part of the Foundation's overall central program.

The Institute is the Foundation's central unit for clinical research, patient care and teaching. Affiliated with the University of Toronto, and financed exclusively by the Ontario Hospital Services Commission, the Institute states its goal as - the development of an integrated program of treatment, research and education into the problems of, or related to the use of psychoactive drugs, including alcohol.

The new complex marks the first time in its 20-year history

that the Addiction Research Foundation is able to bring together its research, teaching, public information and administrative operations into one adequately equipped centre.

Established by an Act of the Ontario Legislature in 1949, and financed by an annual grant from the provincial government through the Department of Health, the Foundation is under a mandate to conduct, direct and promote programs for the treatment and rehabilitation of persons dependent upon alcohol and other drugs, to pursue wide-ranging programs of research, to train personnel for the health professions, and to provide information to the total population respecting the recognition and prevention of drug dependence.

Facing north on Russell Street, between Huron Street and Spadina Crescent, the main six-level building houses the Foundation's administrative offices, Communications Division and the Institute for the Study of Addiction.

During the past week in the Port Credit OPP patrolled area in Peel County, there were 14 property damage accidents, 3 personal injury accidents and 9 people injured. During the same week a total of 38 accidents were investigated by the personnel of the local Detachment. Thirteen of these were personal injury accidents with a total of 30 people injured, none seriously. There were four persons charged with Ability Impaired While Driving and 2 charged with Dangerous Driving.

Col. James Creighton who was transferred here from Kitchener in June was transferred to Forest Ontario, reporting for duty there on October 25. Col. R. Smith is transferred back from Ontario Place.

## Honourary Degree For Mississauga Man

H. David Archibald, Executive Director of the Addiction Research Foundation in Ontario, received an honorary Doctorate of Science from Acadia University in Wolfville, Nova Scotia, during the fall Convocation ceremonies on Saturday, October 18. Mr. Archibald is a resident of Mississauga.

As Executive Director of the Addiction Research Foundation for more than 20 years Mr. Archibald has been deeply involved nationally and internationally in society's attempts to control alcohol and drug abuse.

Under his guidance, the Ontario Foundation has developed an extensive program

of research, treatment and communications which has been designated by many countries and the World Health Organization as the prototype for other nations to follow.

It is one of the few organizations in the world to combine, under one roof research, education and treatment programs in both the field of alcohol and drugs.

Demand for Mr. Archibald's expertise has resulted in appointments to the Expert Advisory Panel on Drug Dependence of the World Health Organization and the

Executive Committee of the International Council on Alcohol and Addictions, Lausanne, Switzerland.

He has acted as consultant to governments in Canada, the United States and Europe and recently accepted appointment to the Advisory Board of the Institute for Public Policy Analysis. This international agency is concerned with defining the historical development and effectiveness of international drug control systems, under the auspices of the Economic and Social Council of the United Nations.

## Erindale Geography Students Return From Field Trip

Twenty-two students enrolled in Geography at Erindale College, have just returned from a field research project in Simcoe County. While there the group lived in private homes in the French-Canadian community of Lafontaine.

Among the projects were a study of soils in the Holland and other marshes, an investigation of the waste carrying capacity of the Nottawasaga River, observations upon beach and ski recreation develop-

ments, interviews regarding the impact of Highway 400 north of Barrie, a study of shopping patterns in rural areas, of changed land uses in Barrie, and evidence of the historical development of Floss townships. Academic staff members of the College conducting the party were Professors Putnam and Andrews and Mr. McIlwraith who have taught at the College in previous years, and newly appointed Professors Harrison and Munday, and teaching assistant Mr. Relph.

## WINS \$1,000

Mrs. Patricia McAlpine of 30 High St. Port Credit is \$1,000 richer this week as a result of being a winner in the Ontario Kinsmen Lottery which

was drawn for last Saturday. There will be another lottery on February 15 and you can obtain tickets from members of your local Kinsmen Club.

## ONT. HEALTH DEPT. ATTACKS INDUSTRIAL NOISE POLLUTION

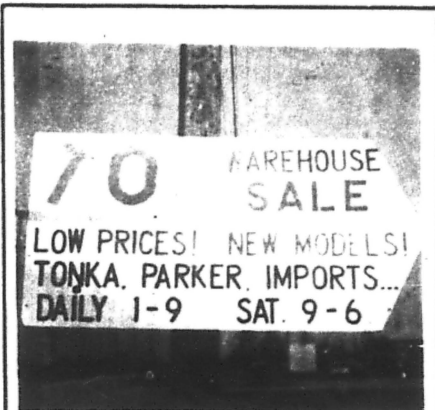

A mobile testing van has been added to Ontario's industrial noise - level survey program. Health Minister A. B. R. Lawrence announced this week. The specially built van, officially designated as a "mobile audiometric testing unit," will conduct tests on industrial employees exposed to high noise levels in their work.

Mr. Lawrence said the new service is aimed especially at small companies since most large industries have already instituted hearing conservation programs which include regular examinations of employees

working in noisy conditions.

The Health Minister said the testing program will serve three main objectives: to find workers suffering from noise-induced hearing loss who may not recognize it; to monitor the hearing of employees exposed to noise to detect early signs of hearing loss; and to provide information for a broad study on the correlation between hearing loss and exposure to noise in industry.

Tests will be repeated at regular intervals of 12 to 18 months.

The big warehouse toy sale is now on again at the NORTH END OF STREETSVILLE. You cannot miss the big signs.

## WHY BUY "CANSAVE" CHRISTMAS CARDS?

For 50 years, CANSAVE, the Canadian member of the International Union for Child Welfare, has believed "that mankind owes to the child the best that it has to give." CANSAVE helps the countless number of children who are bound by the despair of poverty, disease and illiteracy through:

Schools for children

Agricultural and vocational training for youth

Medical clinics

Day care centres

School garden and feeding programs

Village self help programs

Food, clothing, medicines and shelter in times of man-made and natural disasters.

Every CANSAVE card you buy helps to support these and similar programs in 26 countries around the world.

You can't change the world for all children in need, but you can help some. Now, more than ever, we still have promises to keep.

Enquiries about the world-wide work of The Canadian Save the Children Fund may be addressed to the National Director, 70 Hayter Street, Toronto 2, Ontario.

## Athletes Of The Week

We're not sure which generated the more celebrations last weekend, Pittsburgh's World Series win or Streetsville Tigers seniors' first football win of the year. The Pirates' take-home cash was a bit higher, but man for man, and fan for fan we think the rejoicing at Streetsville high school was a bit more enthusiastic.

With the three-minute flag up in the last quarter it all started. The Tigers had just blown a 7-0 lead they had carried into the fourth quarter and were now trailing 11-7. There was a minute and fifty-five seconds to go and Streetsville was in a hopeless position on their own five-yard line. Two running plays gained yardage but not enough for a first down.

It was at this point that coach Bob James and quarterback Bernie Baldwin figured "What have we got to lose?" They gambled on a third down and Wayne Sterritt just made it on a sweep.

Revived from their gamble that paid off, Bernie Baldwin tried another gamble. He tried a long bomb to flanker Dave Kerr but it was knocked down. He tried another and this time it paid off. Dave Lockwood hauled it in for a gain of fifty yards and now the Tigers were past midfield.

On the very next play Bernie threw another long one - it was Dave Kerr who caught it and made it to Kennedy's twenty yard line before he was stopped. Dave, a standout on defense all day had been brought in for their last desperation offense and the move paid off.

By this time there was less than half a minute left and the Streetsville fans were starting to get hopeful ideas. Wayne Sterritt made one more ground gain and the three-minute flag came down signalling the last play in the game.

Bernie wound up for one last try - it would have to be a pass gamble. He threw it towards a receiver in the end-zone. But alas! The pass was intercepted and run out by an alert Kennedy defender. It appeared that the game was over, but wait - we get another chance!

On the pass play the referees had caught a Kennedy man holding. Kennedy was penalized half the distance to the goal-line and Streetsville had another chance.

This time it was good. Bob Handley caught the pass with one hand on the side of his leg and clung to it long enough to count.

The crowd didn't wait for the convert attempt but poured onto the field in wild celebration. When the referees were able to restore order Robert Chadala kicked a good convert to make it a 14-11 win for Streetsville and the celebrations resumed.

It was only the second win in three years for the Streetsville senior Tigers. The other win was also against Kennedy.

Bernie Baldwin, Wayne Sterritt, Dave Lockwood and Robert Chadala are all "Athlete of the Week" alumni. The two other key figures in the victorious march are Dave Kerr and Bob Handley, therefore designated as Streetsville's "Athletes of the Week".

BOB HANDLEY

DAVE KERR

Sometimes over the past years I have read in this column criticism of individuals or organizations that I feel the readers tend to overlook the fine jobs that some of these dedicated men in our town try to do.

The largest program operating in our town is the organized sports program. The only reason that this program is still so successful is due to many people who believe that their effort in helping youth is one of the biggest contributions to our future that they can give.

To fully appreciate the fine job that has been done, one only has to get involved in any of our local sports and see the many hours that are required to make these sport programs successful.

I think it is about time that we looked around and applauded some of these individuals and organizations that have been involved and will be involved for many years to come.

This is the first year that I've had a personal contact with the Streetsville Kinsmen Club and I'm amazed and pleased at what a few men have been able to give to our Lacrosse program. To complete successfully this year the Kinsmen Club have donated \$10.00 per player to our program as well as supplying whatever manpower we required whenever asked. This was a lot of money and work for this club.

So President Bob Holmes and his fine organization my hat is off to you for the exceptional job you have done this year in lacrosse.

Signed: Dale Jackson, President of Streetsville Minor Lacrosse

## STREETSVILLE OMHA NEWS

by Frank Walker

Sunday, October 17, 1971 saw all five Streetsville clubs

playing at home against Milton for the opening games of the OMHA season. In the first game

the Thunderbirds were defeated 5-0. Loeplach was the big gun for Milton getting two goals and two assists.

The game was fairly close by the end of the second period but the Streetsville boys seemed to run out of gas in the third period.

The IGA Panthers came up with a solid two-way effort defeating Milton by 3-2. Mike Prestidge led the way for the IGA boys with two unassisted goals. Paul Flack netted the other goal from Marc Sinclair and Ross Eisele. Len "Boomer" Bryant played his usual strong defensive game. Other extra good efforts came from Bob Spence and Dean Ponzio.

The Bantam game went to Milton 3-2 with Tonelli getting two and Stover one for Milton. The Streetsville scoring was by Paul Vella and Jeff Merriam. Mike Thompson, Jim Gray and Joe Ponzio picked up the assists. Larry Lacombe played a fine game in the nets turning Milton shots aside with remarkable ease. Two of the big wingers Robble Flack and Gary Walker missed the game due to injuries. The Juvenile Cobras tied Milton 3-3 with goals going to Cooper

## S.M.H.A. NEWS

BY Gary Walker

**PAPERWEIGHT:** On Saturday, October 16 the Streetsville Minor Hockey was back in action. Starting off with Canada Brick against Streetsville Pharmacy-Brick and Pharmacy battled to a 0-0 tie with Eddie De Melo and Mike Eden earning shutouts. Kiwanis Club and Lions Club played to a close 3-2 game with Lions coming out on top. For Lions it was Scott Jackson picking up two goals with the other goal going to Steve Nixon and Todd Jackson with an assist. For Kiwanis it was John Chadala and David Gray each coming up with a goal.

**NOVICE:** Last Saturday Kinsmen Club defeated Atkinson Insurance 3-1. It was Mark Mullally who won the game for Kinsmen by scoring 3 goals against Atkinson. Joe Barbosa got an assist on Mark's first goal.

For Atkinson's lone goal it was Pat McLaughlin, unassisted. Dominion Sash beat Eric Ladner's 3-0. For Dominion Sash it was Frank Smedding, Dave Watson and Gary Hannah each scoring a goal to overcome Ladner's.

Mike Brubacher earned himself a shutout in nets. Munro Stationery dumped Canada Brick Truckers 4-0. Bruce Beckett played a good game and rifled home 3 goals with the other goal going to Jim Menzies. The assist went to Stewart Knowles. Greg Osborne was the hero of the game when he popped in three goals for Reid Milling as they defeated Consumers Gas 4-2. The other goal for Reid Milling went to Mark Voeltz and Michael Dorney picked up an assist. For Consumers it was Bill Guest and Peter Farmer each firing home a goal.

**PEEWEE:** It was Robinson's Pharmacy and Maple Lodge fighting out to a 2-2 tie. For Robinson's it was John Thompson and Ross Carkner coming with a goal each and Paul Greg earning an assist. It was Rick Hughes and Grey McIsaac picking up the goals for Maple Lodge.

In the Bentley and DeMarco game DeMarco was shut out by Bentley 2-0. Eric Stephan and Gary McRae teamed up and each got a goal to win the game. In the nets it was Richard Kurtz

earning a shutout. Nido's blanked Rotary 2-0 in a close game. For Nido's Jeff McNish and Lawrence Blaney each banged in a goal to overcome Rotary. Nido's goal keeper Jim Davey earned himself the shutout.

**BANTAM:** Both bantam games were very close with the first game 3-2 for Streetsville Travel over Lyons Auto Body. Paul Cooper played a good game as he came out with two goals. Big Terry Anderson also played a fine game as he picked up a goal and an assist. Dave Thompson and Wade Dickson banded in a goal each for Lyons with an assist going to Tom Gordon.

Queen's Fish and Chips and Harold's Texaco struggled to a 2-2 tie with each team playing well.

The goals for Harolds were by Jeff Roberts and Peter Boonstra with a goal and assist.

**HAT TRICK CLUB MEMBERS:** This week Greg Osborne, Mark Mullally and Bruce Beckett.

GREG OSBORNE

MARK MULLALLY

REVIEW, WEDNESDAY, OCT. 20, 1971 Page 9

McPherson and Handley, Zardo and Cooper also picked up assists each.

There was a 100% hustle by all players and especially George Lawrence in goal.

In Midget action the Seaway Copper Kings dropped a 5-3 decision to Milton. Too many penalties spoiled what could have been a good game.

The IGA Panthers defeated Oakville 5-1 in an exhibition game at Oakville on Friday, October 15. Paul Flack scored two goals with singles going to Mike Prestidge, Marc Sinclair and Dean Ponzio.

Outstanding players for the IGA boys were Dean Ponzio, Ian Bedford and Dean Campbell. The star of the game was Bob Spence in goal who even managed to stop a penalty shot.

## High School Football

### THREE WAY TIE IN SENIOR A

Gordon Graydon Hawks dealt Applewood Heights their first loss of the season last Friday and the result created a three-way tie for first in the Peel county Senior A football league. Meanwhile in a clash that had at stake the possibility of a playoff berth, Erindale trampled Lorne Park 41-0.

Doug Kitts had a good day at Applewood, throwing passes to his three receivers Len Platt, Leo Franchino and Mike Kearns. Platt scored two touchdowns and Franchino one in the first half to give Graydon a 21-0 lead. Applewood's ground attack began to click in the second half as Tom Caswell and Bob De Groot went over for majors. Then Kitts and company got rolling again and Platt caught his third touchdown pass to end the scoring. Frank Ventresca kicked converts for all for Graydon scores and Stas Taryvdas scored a two point conversion for the Axemen.

Erindale's big win over Lorne Park kept the team's momentum going after their win at Graydon last week. The return of Ken Bridges bolsters a defense that also features stand-outs Craig Lorimer, Dan Parkinson, Glen Mac Donald, Bill Acrit, Bill Ackerman and Pete Leiss. The defense made four interceptions which accounted for two touchdowns. Leiss and Shawn Dunn each intercepted for a touchdown. Ackerman also hauled in two interceptions. Dunn made another touchdown on a pass from Greg Beamish as he and Ken Ramsay piled up a host of yards on Beamish's passes. The Raiders had everything going right including a powerful ground attack that netted them three Blake Medlar touchdowns. Pete Buttle scored on five convert attempts to complete a big double header win for Erindale.

Port Credit romped to a 20-1 win over Brampton to keep pace and capture a share of the three-way tie for the lead. Stu Saville (2) and Grant Bryk had majors and Phil Pollicelli two converts.

### TIGERS WIN IN LAST SECOND

Streetsville Tigers won their first senior football game of the year on a last ditch effort that saw Bob Handley cling to a Bernie Baldwin pass long enough to count. It was the next play after the last play of the game. The last play of the game was replayed as a flag against Kennedy gave the Tigers one more chance and Baldwin and Handley took full advantage of this opportunity. Wayne Sterritt ran an earlier touchdown and Robert Chadala converted both. Jim Williams scored Kennedy's major and Bob Henealt got a two point convert giving Kennedy the lead in the last quarter. Ben Vandecamp kicked a 35 yard field goal to give the Kougars a comfortable lead which vanished on Streetsville's last minute march for Handley's touchdown.

Clarkson Chargers registered their third shutout in four games and now boast the best defensive record of any senior team in Peel County. Their tough defense led by Paul Lafontaine has permitted only one touchdown all season. Last week Dave McMillan's fourth quarter touchdown put the score out of reach. Glenforest held the Chargers to a standstill after Al Rizzulo's first-half field goal.

### ONLY BRAMALEA UNBEATEN IN JUNIOR

The Bramalea junior football team piled up the biggest score of the season when they walloped hapless Mayfield Mavericks 52-6 last week. The game kept the records of both teams

intact, Bramalea without a loss and Mayfield without a win. The seven touchdowns were by Bob Widdis and Bob Dugan (two each), Mike Cadman, Paul Walter, and Jeff Motley plus six converts by Fraser Pahad and a single by Peter Roe. Mike Westlake scored for Mayfield.

Port Credit got touchdowns from Rick Cole, Kurt Davis and Ed McMahon, converts by McMahon and Ken Kielbiski and a two-point safety touch in their 23-20 win over Glenforest. Dan Glugosh got three more touchdowns for the Gryphons giving him all of their six for the season and Frank Coccia converted twice in the close contest.

Graydon handed Westwood its first loss by a 14-7 count.

Doug Burgess swept around for the only touchdown of the game and Peter Walcott kicked a convert and a field goal to lead Erindale Juniors into first place in the West. The score was 10-1 over Lorne Park. Also outstanding for the Raiders were two way men John Klinck and John Levick and defenseman Chris Boag.

Streetsville had second-half troubles again and were dropped by Central Peel 38-14. The junior Tigers' points came on first half touchdowns by Glenn Mullally and Mike Roy and two converts by Dennis Chadala. Wayne Exelby and Matt Williamson were outstanding for Streetsville on the offensive line. John Arstikaits was the big gainer for Central Peel, running many yards, scoring three TD's and a 2 point conversion.

T L Kennedy Juniors stayed close to the top with a 31-14 win over Brampton Centennial Doug Stephenson and Joey Say had two touchdowns each while Louis Battagin accounted for seven points with his trusty foot.

### TIGHT RACES IN MIDGET

Three teams kept unbeaten streaks alive in the Midget West but all have been tied at least once. Brampton had a 20-0 win over Streetsville to keep pace with Central Peel who edged past Lorne Park 16-15.

Erindale pulled up close to the leaders with a 30-8 win over Woodlands. Greg Hoffland intercepted two passes for touchdowns to lead the Midget Raiders. Other majors were by Robin Rowe and Ron Bell. Three two-point conversions went to Rowe, Adrian Marchant and Greg Smith. Paul Johnson who got the touchdown and Reynold Epema who got the two-point conversion were both outstanding for the Woodlands Wolves.

Applewood had a week off in the East as Bramalea got knocked from the unbeaten ranks to leave the Axemen alone on top. Mayfield beat Bramalea 20-0 while Westwood took Graydon 8-0 and Credit beat Glenforest 24-0 to make it shutouts all around.

### This Week's Schedule

THURSDAY, Oct. 21

Junior:  
Brampton at Streetsville  
Erindale at Kennedy  
Central Peel at Lorne Park  
Graydon at Applewood  
Bramalea at Port Credit  
Glenforest at Westwood  
Midget:

## AROUND THE TOWN .....

The Lions Club is up to its good deeds again. The Streetsville Lions have decided to donate \$1,000 to the Milton Farm for the Deaf. This brings their total contributions to date up to \$2,500. They hope their pledge is contagious among the nearly 80 clubs that have donated something so far.

The Lions Club also approved the donation of \$400 to assist in a joint programme for furnishings for the old library, now used as a Clubhouse by our Seniors.

The Wellands (Lions Club members) are organizing this year's Hallowe'en Dance for the Lions and Lionettes. It is to be held this Friday and guests are welcome.

Complaints are being received by Deputy-Reeve Weylle regarding mail service. It all comes down to poor mail service.

An example as related by the Deputy-Reeve to Council, is that of a family whose bank statements were mailed from Streetsville in the middle of September and again on October 19. They still haven't received them.

And of the family who moved to Vista Drive from Reid Drive and have been there for over a year. They received their mail at their present address until recently when it started to be delivered to Reid Drive with the Vista address. Now, that's ridiculous!

Council has approved a request from Police Chief Fletcher to send a police officer to the Ottawa R.C.M.P. College for a course on drug control. Is it getting that bad here, too?

Council is splurging - they are

buying a clock for the Council Chambers.

An invitation to an Open House at the Peel Family Services offices was extended to Council and the Town. The location is 93 Dundas E., Cooksville; the date Wednesday, October 27 (today) from 4 to 10 p.m.

The new Director of Works was presented to Council Monday night. He is Keith Cowan, a professional engineer with extensive experience.

A report has been presented by the Consulting Engineer regarding the extension of Joycelyn Drive from Theodore Drive to Shields - Snow subdivision. No action has been taken as yet.

**NORTH PEEL OFFICIAL ELECTION RESULTS**  
BILL DAVIS (P.C.) 30,061  
NEIL DAVIS (NDP) 11,210  
GARY THALER (LIB.) 9,096

Last week an attempt was made by a man to rifle the cash box at the Beamish Store in Streetsville. He managed to run out of the store, was chased by store Manager Russ Clancy. The unsuccessful thief escaped.

Streetsville's Remembrance Day Service at the Cenotaph will take place on Thursday November 11 starting at 10.30 a.m.

"Never on Sunday" is the theme that Streetsville Police Chief Don Fletcher is using this week.

ON Monday night Streetsville Council officially proclaimed Saturday, October 30 as Hallowe'en Night - so Chief Fletcher urges all Streetsville residents to observe Hallowe'en on Saturday - not Sunday.

## COMMENCEMENT AT S.S.S.

Streetsville Secondary School will hold its 13th Annual Commencement on Friday, November 5 at 8 p.m. - an auspicious occasion for students, staff and parents. Mr. John M. Porter - President of Sheridan College will be the guest speaker.

## SUBDIVISION WANTS TO BE PART OF STREETSVILLE

Council was asked Monday night to annex part of Mississauga or enter into a service agreement with them regarding the Shields - Snow-Sheridan Development.

The 56.14 acres of land in question are to the east of the Town (beside C.T.S.) below the "red hill". Most of the land and in particular the proposed commercial portion of the subdivision plan

lies in Mississauga.

Mr. McCauley representing the Developer told Council that because of the "geographic accident" in the border between Streetsville and Mississauga the future community will be more closely related with Streetsville and therefore should be a part of it.

A total of 290 units are planned for this subdivision, plus a park,

schools, if needed, and commercial tax assessment if it becomes part of Streetsville, Mr. McCauley said.

An unofficial view of the Muller Creek trunk sewer reveals its capacity is adequate to service the new community, said Mr. McCauley. He asked for a speedy decision and discussions will be underway tomorrow.

## PUBLIC TRANSIT FOR TOWN ?

Mr. John Scott of Georgetown Transportation presented to Council Monday night a proposal for bus transportation in Streetsville.

His proposal for the "crawling" period of the Transit is for an eight-hour a day service. Two runs to the GO Station - one at 6.35 a.m. and the other at 7.35 are first on the list.

At 8 a.m. the plan is to provide service to the Secondary School for students who are not over the "three-mile" regulation of the Board of Education bus privilege.

Two more runs will be made in the evening bringing people back from the GO train.

If an agreement is reached between the municipalities, the possibility of transferring to the Mississauga Transit will be an added advantage, explained Mr. Scott.

The cost of the service will be \$12 per hour - \$96 a day. In all probability, the Town will have to subsidize the Transit since no

transit is able to sustain itself and make a profit, Mr. Scott said. Council assured him that his proposal will be considered.

## SURPRISE FOR DEPUTY-CLERK

Art Falls, who until last Friday, was Deputy-Clerk of the Town of Streetsville is the latest municipal office staff member to have his services dispensed with.

Mr. Falls is at his home sitting out his "two weeks notice" and, other than saying to THE REVIEW that his dismissal was "quite a

wallop" has no other comment to make at this time.

The Town lost one employee, and gained one all in the same week. Last Monday the new Town Engineer, employed to replace former Works Commissioner Bill Hamilton, started his job.

On Friday the Town Clerk notified Mr. Falls that his services were no longer required.

## Residents Want Fence

A deputation headed by Mr. P. Wright and Mr. Williams attended the General Committee meeting on October 18 in support of a petition submitted to Council requesting a fence be erected along the western edge of the Mullet Creek south of Thomas Street.

The reasons given were:  
1. Large number of very young children in the area.  
2. Recently constructed storm sewers on Thomas Street exaggerates the problem.  
3. Town has easements along the back of these properties and the residents do not know where their

property ends and the easement begins.

4. Residents are afraid to put up an expensive strong fence as the Town may have to come in and take it down to get into their easement.

5. Unless everyone fenced at the same time individual fences would not be effective, as the children would be able to go around the end.  
6. Large pond on the private property at the south easterly limit of the subdivision.

It was further the feeling of Mr. Wright and Mr. Williams there was a moral obligation on the Town to erect the fence when such a danger was brought to their attention. After some discussion it was recommended that the Works Commissioner prepare and submit to this Committee a sketch of the area showing fences already erected and prepare an estimate of cost of fencing the other private properties not already fenced and in addition that he investigate the pond which apparently is on private property and if not a part of the Creek arrange to have it filled in immediately.

## Lionettes Meet

The Streetsville Lionettes met on Thursday evening, October 21 at the home of Ginny Estey. President Jane Erven welcomed those present, with a special welcome to Marilyn Ayers.

The business meeting began with roll call followed by reports from Committee chairmen. On September 24 the Lionettes had a party for one of the boys at Milton Farm for the Deaf. The "Birthday boy" cut the cake and the boys served it themselves. Gwll Hammond reported that cake, apple cider, and the gift were much appreciated by all the boys.

Another party was held on October 16 for the Brampton and District Retarded Children, at the home of Marg Stewart. Gwen Carlson reported that after a lovely hike, refreshments were served and everyone had a good time.

Cath Richmond who represented the Streetsville Lionettes gave a report on her visit to Senior Citizens' Open House at their new apartments. Cath was very impressed with what she saw and said that everything was "just beautiful". The present tenants were very kind and hospitable in showing guests around their apartments.

The Ways and Means Committee, headed by Claudia Haddon, announced that the theme for the annual Lionettes dance will be - "Around The World". It will be held on January 29, 1972. The theme suggests a whole world of ideas on what to wear, and with door prizes and mouth-watering refreshments, it should indeed be something to look forward to. After the meeting the Lionettes enjoyed a game of cards.

Lunch was served by the hostesses for the evening, Gwen Carlson, Jane Erven and Noreen Dowling.

## Will Not Seek Mayor's Seat

Following is a news release given to the Review Monday evening for publication:

"It is not customary to declare one's intentions prior to nomination in municipal elections.

"I feel I must answer the many friends who have offered their support in the forthcoming election. "I do enjoy municipal work and I am pleased to give my time to Streetsville.

"However, due to present commitments in my personal and business life, as well as present responsibilities as your representative at municipal council and its various committees, together with County Council work, any additional time is limited. Therefore on Nomination Night, November 22nd, I will accept again the nomination for Reeve and will be pleased to continue at that position if the electorate so desires on election day, December 4th.

W. Wm. Appleton."

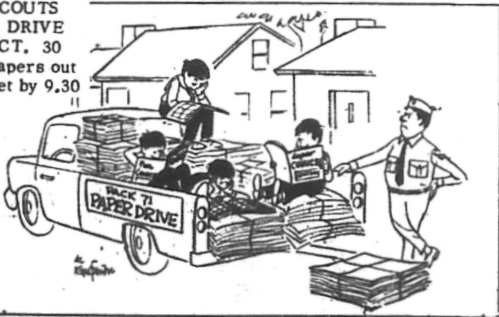

## HALLOWE'EN ON SATURDAY, OCTOBER 30

Last Wednesday Streetsville Farms, the new grocery store in Streetsville, held its opening with many specials. Cutting the ribbon from left to right - Danny Mangos, Manager; Mayor Hazel McCallion; and Plaza Owner Angelo Papastamos.

UNICEF works in mil-  
lions but thinks in  
cents. Every nickel in  
a Hallowe'en box  
means five children  
protected against tub-  
erculosis. Every dime  
would give an exercise  
book to three school  
children.

Applewood III is the latest development by the Shipp Corporation Limited in apartment construction of the luxury-class. The new 20-storey, triple-tower building situated at 3400 Riverspray Crescent in the Applewood Hills area of Mississauga provides a resort living-style for residents. Much attention centres on artistic design, as the above pictures show. Top left, main front entrance, impressively modern; top right, the main lobby is seemingly supported by the figure "Awakening of Dawn" depicting the flair of youth, in sandstone by the Canadian sculptor, Alex Svoboda, and the collage on the background-wall is a design by Helen Fitzgerald; lower left, spacious interior of a model one-bedroom apartment; lower right, the sky lounge provides rooftop seclusion for quiet conversation. The view extends for 50 miles.

The Shipp family, since their firm's early developments in this district, has endeavoured to provide home-buyers and apartment-residents with "something better". Begun in 1923, the Shipp Corporation built their first house in Toronto Township and Etobicoke in 1951 in the Applewood area.

In Streetsville five years later, the Shipp Corporation commenced construction of 250 houses in the Riverview Heights subdivision. It is interesting to note that these homes averaged \$17,950 in price on a 6% mortgage. It was only 15 years ago. Later developments include Applewood Hills, which takes in the original 845-home Applewood Acres to the south on the Queen Elizabeth Highway, and the 800-home Applewood Heights on the north side of Dundas Street. The Greater Applewood complex stretches from the south side of the Queen Elizabeth Way to the south side of Burnhamthorpe, comprising close to 4,000 units.

## PEEL CHAPTER INSTALLS NEW OFFICERS

The Golden Anniversary year of Peel Chapter #96 Order of the Eastern Star opened with the Installation of Officers held at the Masonic Hall, Streetsville on October 18.

Mrs. Viola Caves, a Past Matron of the chapter, journeyed from Thornbury to install Mrs. Bernice Turner as Worthy Matron. Her husband Mr. Gordon Turner was installed by Mr. Les Peer P.P. They were assisted by: Mrs. Bonnie Fletcher P.M. - Installing Marshall; Rev. Wm. Province P.G.P. - Installing Chaplain; Mrs. Emmie H. Barker P.M. - Floral Ceremony; and they were assisted by Mr. Tom Emmans P.P. with Mrs. Vera Johnston and Mrs. Irma Holden as Warden and Sentinel.

Mr. G. Douglas rendered appropriate music for the installation with Mrs. Hazel Dalglish as soloist.

Other Officers installed were: Associate Matron - Mrs. Emmie H. Barker; Associate Patron - Mr. Les Peer; Secretary - Mrs. Otilie Dowling; Treasurer - Mrs. Irene Broadbear; Conductress - Mrs. Ivy Pelling; Associate Conductress - Mrs. Frances O'Connor; Chaplain - Mrs. Hannah Province; Marshall - Miss Grace Bulloch; Organist - Mrs. Emily Wright; Adah - Mrs. Irene McCracken; Ruth - Mrs. Toni Peer; Esther - Mrs. Muriel Tomkins; Martha - Mrs. Muriel Graham; Electa - Mrs. Florence Emmans; Warden - Mrs. Win Emmans; Sentinel - Rev. J. Province.

Mrs. J. Dalglish will be soloist and heading the various

People Buying More Bonds

A total of \$38,395.00 in sales from 75,357 applications for the 1971-72 Series of Canada Savings Bonds through the Payroll Savings Plan has been achieved to date by Ontario organizers in the current campaign. Campaign officials say they are very pleased with the results and note that the current level of sales is 10.4 per cent higher than that of last year at the same time.

The CSB Payroll Savings campaign is being conducted in more than 2,500 establishments throughout the Province by a 41-man force of organizers headed by Campaign co-directors A.F. Francis.

The new series provides an annual yield of 7.19 per cent if held to maturity in nine years. Sales to date in the Cooksville-Burlington area total \$566,000. Organizer for the area is D.C. Scarlett.

committees will be: Sick and Sunshine - Mrs. Barker; Ways & Means - Mrs. Florence Emmans; Benevolent - Mrs. Johnston; Publicity - Mrs. Muriel Tomkins; Refreshments - Mrs. Win Emmans; Entertainment - Mrs. Ivy Pelling; Estarl - Mrs. Province. Following the installation Mrs. Emma Blake, the Immediate Past Matron was presented with her Jewel by Mrs. Barker and Mrs. Blake then presented Mr. Tom Emmans, Immediate Past Patron with his and they both signed the Holy Bible.

Mrs. Blake will be in charge of the Talent Table for the new year. Following this delicious lunch was served by Mrs. Win Emmans and her committee. Members were re-

mindful of the Rummage Sale to be held at the Masonic Hall Streetsville on Saturday, November 6 at 10 a.m. with Mrs. Florence Emmans in charge.

## The ultimate in a resort-oriented complex for families.

# APPLEWOOD III

## In the heart of rolling Applewood Hills.

It's Like Living in a Posh resort. Where you can swim in an Olympic pool. Go putting on a 18-hole green. Master the game of tennis. Shoot billiards, or exercise in a professionally equipped gym. For children: a live-in nursery. And as a surprise, a free bonus room included in most suites. Applewood III. Just minutes from the expressways and downtown Toronto.

At Thirty-Four Hundred Riverspray Crescent in Mississauga, just north of Bloor Street and West off Dixie Road.

Another tempting idea by Shipp Corporation  
Open all weekend 10 a.m. to 6 p.m. Phone 277-1401

# S.M.H.A. NEWS

**PAPERWEIGHT:** Last Saturday the Streetsville Minor Hockey League was packed with action. In the Paperweight group it was Kiwanis defeating Canada Brick 5 - 1. John Chadala was flying as he led the Kiwanis team with five goals. For Canada Brick Jim Flack rifled in a goal with the assist going to Bradley Arme.

In the other Paperweight game Lions Club overcame the Streetsville Pharmacy team 4 - 2. The two Jackson brothers, Todd and Scott combined scoring two goals each. Todd also picked up an assist on his brother's goal.

**NOVICE**  
In the Novice League Munro Stationery blanked Dominion Sash 1 - 0. Mike Lang-

don was the lone goal scorer for Munro Stationery. Bruce Beckett picked up an assist on the goal.

Atkinson's Insurance and Reid Milling battled to a 0 - 0 tie. Each team played a good strong game. Joe Mota for Atkinson's and Jean Dorval for Reid Milling were the goalies who picked up a shutout each.

Canada Brick Truckers and Kinmen played a close game with Truckers as the winners 2 - 1. Jim Wintle and John Stephan each banged home a goal for the Truckers. The assists went to Allan Vella and John Stephan. For Kinmen it was Mark Mullally who popped in an unassisted goal.

Eric Ladner defeated Consumers Gas 4 - 3 in a close game. For Ladners it was Steve Bergasse who came up with a great game and shot home three goals. The other goal went to Greg Walker. Consumers goals were scored by Peter Farmer, Stacey Sears and Jim Leslie with an assist going to John Lyons.

**BANTAM**  
Queen's Fish and Chips beat Lyons Auto Body 3 - 1. Steve Foster played a good defensive game and also got a goal. Bruce Pengilly and Frank Araujo fired home two more goals for Queens. Lyon's goal was scored by J. Falbo.

Harold's Texacoed Streetsville Travel 3 - 3. Harold's goals were by Bob McLaughlin, Dave Crawford and Peter Boonstra. Jim Rowe played a good game on defence. For Travel it was Paul Cooper playing another good game with a goal and an assist. Paul Kelly and Terry Anderson scored the other goals.

**MIDGET**  
(Super League)  
About 20 of the Bantam group have been moved up to Midget in an effort to balance the two leagues. The Midget League will now be known as the Super League - reports SMHA Convenor Ron Jeffery.

# MISSISSAUGA DIVER WINS INTERNATIONAL TROPHY

Mississauga Diving Club member Glen Runowski earned a second-place trophy in an international diving meet in Euclid, Ohio, October 23 and 24.

The eleven-year old diver placed second out of 18 in the Boys 11 and 12, one metre board and also got a fourth place medal in Boys 12 and under on the three metre board.

Runowski finished first in two events in the recent successful Mississauga Diving meet.

Competition was keen in the Invitational with a total of 160 divers coming from Ohio, Pennsylvania, Kentucky, Indiana, Michigan and New Jersey. The five Ontario clubs represented were Mississauga, Etobicoke, U. of T. Women's

Diving Club, Woodstock Y.M.C.A. and Western Diving club from London.

September North was the only other representative from the Mississauga Club, placing 16 out of 19 in the Girls 11 and 12, one metre and 12th out of 17 in the Girls 12

and under three metre.

September and Glen were assisted in the absence of Coach Bruno Krawzick, during warm-ups by well-known coaches Mrs. Marnie Tarham of Woodstock and Mr. Pat Kiehl of Pennsylvania. Mr. Kiehl is the coach of Laura Cipullo the U.S. and World Champion for Girls one metre for 11 and 12-year olds, who delighted audiences here by her top-notch performance at the recent Mississauga meet.

famous Hobie Billingsley, diving coach at Indiana University. Mr. Billingsley is the A.A. diving coach for the U.S. NATIONAL and Olympic teams. His divers captured five out of six U.S. National Championships in Houston last summer.

Mr. Runowski said "The clinic was extremely helpful in discovering new diving techniques." He wished to see more of the same sort of programs in Canada.

"Participation in first rate diving clinics and meets is an important part of training and with more experience our divers will be very strong competitors."

## Construction Activity

In a report from the residential Sales Division of E.A. Mitchell Ltd., Realtor, several significant points of interest are outlined in respect of residential real estate in the Brampton - Bramalea area. Reporting was done by Haynes, Vice President and Sales Manager of the firm.

A brief history of the total number of housing starts including apartments and condominiums as follows:

1969	Brpt.	Bramlea.
1970	514	97

These statistics were obtained from building inspector D. Warren and L. Thurston and reflected a substantial construction activity.

The average price of resale homes rose at a high rate of 10% per year during 1967 to 1969 reaching a peak in late 1969 but have risen at a much slower rate since then as indicated hereunder:

1969	28,103
1970	28,198
1971	28,393

The average length of time a property is listed before it is sold is 42 days and also on the average it is sold for 92% of its listed price.

The market is quite firm, not quite as strong as it was in 1969 but every indicator leads us to believe it will continue at its present good pace throughout the foreseeable future.

## ASK THE CHIROPRACTOR

**QUESTION:** What can be done, other than surgery, for disc problems in the lower back? Would low back disc trouble cause pain in the legs, or only in the back?

**ANSWER:** Depending on how advanced the trouble is, the location of the damaged disc will usually determine location of the pain. It may remain localized in the small of the back (lumbar region). The beginning of disc degeneration does not necessarily mean pains down the legs.

There are many other signals for early disc problems. Some of these are: (1) slow, gradual pain in the small of the back, (2) pain in the shoulder and arm regions (3) stiffness in the low back or base of the neck, (4) change in the sensation in the skin of the extremities, arms and legs, (often described as numbness) (5) rigidity of spine, (6) sudden back pain when coughing or sneezing, (7) dull aching "hard to pinpoint" pain, (8) fatigue of the lower spine, especially while standing or shopping.

Your family chiropractor can do much to locate and alleviate these symptoms when consulted early. See him for further information about disc problems.

**PEEWEE**  
Di Marco Plumbing and Robinson's Pharmacy fought to a 3-3 tie. For Robinson's it was Dave Odd who was flying and picked up 2 goals. The other goal was scored by Ross Carkner. John Thompson picked up an assist. Randy Livingston, Richard Koyama and Paul Higgins all played a good game, each scoring a goal. The assists went to Larry Metcalfe, Leo Brideau and Peter Feenstra.

In the next game Bentley Hardware and Nido's Auto Body also played to a 3-3 tie. For Nido's it was Jim Hogue, Gord Pritchard and Lawrence Blaney who each scored a goal. The assists went to Kevin Urech and Lawrence Blaney. Eric Stephan played a strong game for Bentley's, getting a goal and assist. The other two goals were scored by Jim Walker and Gary McRae.

Maple Lodge dumped Rotary Club 3-2. Bill Hammond played a good two-way game and came out with a pair of goals for Maple Lodge. The other goal went to Craig McIsaac. For Rotary it was Kenton Tasker who came up with a fine game and scored a goal and an assist. Dave Pollard banged in the other goal.

## High School Football

### GRAYDON, PROT CREDIT ATOP SENIOR A

The teams that get in the Senior A high school football playoffs will be Graydon, Port Credit, Applewood and Erindale but not necessarily in that order. The exact order will have to wait pending the outcome of this week's schedule-ending contests. Brampton and Lorne Park seniors have been eliminated and their efforts next week will be for their honour only.

Each of the eliminated teams had another swat taken at their pride last week. Erindale beat Brampton 31 - 0 and Graydon beat Lorne Park 40 - 14. In the other senior A game Port Credit showed surprising strength in a 23-0 win over Applewood.

The Port Credit team seemed to be able to penetrate the Applewood line with tremendous power. Applewood's offense couldn't seem to get going either and they didn't get a first down until late in the second quarter. Greg MacRae had two TD's and Stu Saville one for Credit. Phil Policelli kicked two converts and Dave Clare kicked three singles.

Doug Kitts threw five touchdowns and just for variety, went over for one himself as it was Graydon all the way except on the very first play of the game and the very last. On those two plays Lorne Park scored touchdowns, with Merv Buck and John Turple getting them. Paul Ford threw a two point conversion to Ted Crowe on the last major. Pass catchers who scored for Graydon were Graydon's big three receivers. Len Platt and Leo Franchino got two each and Mike Kearns one. Frank Ventresca converted four.

Erindale continues to show the strength expected of them since they are back to full strength. Shawn Dunn scored twice, the second when he snatched the ball which was blocked on a Brampton punt in their own end. Blake Medlar and Dave Anderson got the other majors. Pete Buttle kicked seven points on a field goal, a single and four converts. Erindale put up a stone wall defense led by Don Parkinson, Ken Bridges and Mike Johnson. The Raider offensive line was also in top form and has had a lot to say about Erindale's recent successes. Three who stood out Friday were Paul Smith, Bob Crane and Mike Bockwell.

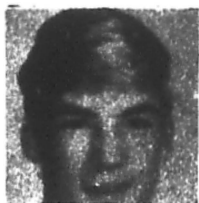

### SCRAMBLE FOR PLAYOFF IN SENIOR B

Three teams, Glenforest Gryphons, Kennedy Kougars and Streetsville Tigers will all be hoping for a win this week which would give them the fourth and last senior B football playoff berth. All three lost last week to keep the uncertainty alive until the last day. If all three lose again this week an interesting situation arises. Each team has beaten one of the other two so the playoff position will be awarded to the team with the best defensive record. Glenforest has a clear lead at the moment.

Streetsville showed impressive determination in holding Clarkson to seven points. Clarkson's defense was penetrated for a single point but they remain the best defensive team in the county. Al Rizzuto recovered a fumble in Streetsville's end zone to get the only touchdown of the game. Pete Van Kessel kicked a single for Clarkson and Dave Lockwood did likewise for Streetsville. Gary Lyons, Chris Dineley, Glenn Fletcher and Ed Kilpatrick stood out in a strong defensive effort by the whole Streetsville team.

Henry Vandenberg threw a TD pass to Rick St. Amour and a 2 point conversion to Rob Heneault but that was all Kennedy could muster in their 34-8 loss to Central Peel. Murray Graham scored two touchdowns, a field goal and a convert for 15 points to lead the Centurions. Gary Wilton had two majors and Bill Archdekin one.

Ted Dahonick got Glenforest's only touchdown in their loss to Bramalea. Brian Scott and Nigel Cook had majors and Ray Ellis kicked four points for cook had majors and Ray Ellis kicked four points for the Broncks.

Shawn Dunn  
Erindale Raiders Sr  
6 majors in 3 weeks

Glenn Fletcher  
Streetsville Tigers  
Outstanding on defense

### this week's SCHEDULE THURSDAY, OCT. 28 JUNIOR

Streetsville at Lorne park  
Brampton at Erindale  
Kennedy at Central Peel  
Applewood at Glenforest  
Port Credit at Mayfield  
Westwood at Bramalea

### MIDGET

Lorne Park at Streetsville  
Erindale at Brampton  
Central Peel at Kennedy  
Glenforest at Applewood  
Mayfield at Port Credit  
Bramalea at Westwood

### FRIDAY, OCT. 29 SENIOR A

Port Credit at Erindale  
Lorne Park at Graydon  
Brampton at Applewood

### SENIOR B

Kennedy at Clarkson  
Streetsville at Central Peel  
Glenforest at Bramalea

The closest race in Peel County football is in the junior west division where a single point separates the top four teams.

Kennedy's 16-6 win over Erindale tightened the race which will net only two playoff berths for the four contending teams. Kennedy's defensive line led by Mike Meadows and Mark Brown held off Erindale most of the game while Joey Say scored two majors and Louis Battagin kicked four points. Doug Burgess was best for Erindale and scored their only touchdown.

Brampton won a very important game edging Streetsville to keep in contention. Jim Collins and Dave Madersbacher each had a touchdown while Streetsville's other six points were kicked by Dennis Chadala who kicked a field goal, two converts and a single.

Sam Forgione of Applewood and quarterback Andy Bonnell of Graydon traded touchdowns while the kickers Aldo Pighin of Applewood and Graham Newsham traded converts. The result was a 7-all tie and both teams eliminated from playoff hopes.

Paul Walter, Bob Dugan and Terry Wright led with majors to keep Bramalea undefeated. Port Credit now has two losses but they can still get in the playoffs by virtue of their extra game in the unbalanced schedule. Only an upset by Westwood over Bramalea would eliminate Port Credit.

Westwood won another close one, taking Glenforest 34-28 with Bas Forrester, Brian Trimble and Marty McNally getting all the Wildcasts' points. Dan Glugosh finally got some support when Dave Rasmussen scored a touchdown. This was the first major all season by Glenforest by someone other than Glugosh. Glugosh himself scored three more TD's including the runback of the opening kick. Rasmussen also had a two-point conversion and Frank Coccia kicked two single points after touchdown. Quarterback Dave Earle was in good form for the Gryphons, throwing three touchdown passes. Two-way man Jim Dziedzina also stood out.

### MIDGET RACES GO RIGHT TO THE WIRE

With the final games coming up this week, several interesting possibilities occur in the playoff picture.

In the East, Applewood won again last week 34-0 over Graydon and their undefeated record sews up one playoff spot.

Westwood and Bramalea also won to create a three-way tie for a second along with Mayfield who had the week off. Westwood and Bramalea clash head-on this Thursday. The loser is out and the winner may be in - depending on how Mayfield does. If Mayfield and Bramalea both

win, Mayfield is in and Bramalea is out because Mayfield beat Bramalea earlier. If Mayfield and Westwood both win it will be decided by their respective defensive records which are identical right now. For the benefit of those who are still with us we add one more possibility. If their defensive records are still identical, the team with the better offensive record is in. Right now Mayfield has a big lead there.

Over in the west the situation is even more complicated - especially if Central Peel and Kennedy tie this week. But by Thursday night all of these problems will have been cleared up. Don't miss next week's thrilling episode. Brent Hayes was the big gun in Kennedy's 14-0 win over Erindale. He played both ways and scored 13 points. Alwyn Vandenberg added a single.

Danny Crawford scored all the points for Streetsville in their 26-8 loss to Central Peel.

Applewood's fourth straight win was on majors by Pete Money (2), Keith Wilson, Steve Littlefield and Jay Falconer. Whitham and Norbert Wilging caught passes from quarterback Falconer who threw for two of the majors. Other standouts were two-way man Silverio Hlad and offensive lineman Stan Slavec.

# GRAYDON ROADRUNNERS REPEAT AS CHAMPS

For the fifth year in a row Gordon Graydon high school captured the Peel County Cross Country championship. In doing so the Graydon team won the midget and junior trophies and came second to Port Credit in the senior score. Graydon built up a good lead in the midget and junior competitions and held a 25-point lead going into the senior race. Port Credit's crack senior team recorded almost a perfect score and

their team almost caught up to Graydon who won it 102 points to 105 for Credit (low score wins in cross-country). Port Credit's big three - Sean Quigley, Mark Fields and Rick Chase crossed the line together to win the senior race among the individuals. A surprisingly strong fifth place finish by their fourth runner, Dave Grant, gave them just one point short of a perfect score of 10. Tom Kearns of Gray-

don was the man who ran fourth to spoil Port Credit's bid. Others in the first twelve were Paul Moraze of Erindale, 6th, Mike Kaboni of Britannia seventh, Gord Christie of Bramalea ninth and four other Graydon runners.

ers, Bill Warrick, Dean Drinkwater, Dennis Bordin and Peter Thomson.

Graydon's depth won for them in the junior race. They wrestled the junior trophy back from Port Credit who

won it last year. The win gave Graydon the junior crown for the fourth time in five years. Their top four men Logan Booth, Brad McPherson, Roy Dickson and Mark Vukobrat placed 8th, 9th, 11th and 12th and

Graydon had 12 men with a score under 40. Adrian Hussey of Clarkson beat out Paul Barron of Port Credit, George Hill of Brampton, Paul Callaghan of Streetsville, Peter Hamilton of Lorne Park, Steve Savage of

Port Credit and Randy Young of Glenforest all in the first seven. Other member of the top dozen was Barry Bradford of Erindale in 10th.

Dave McFadden of Erindale, who has another year of midget eligibility, won the midget race. John Pogue of Graydon was second and Gary Blemings of Port Credit third. Others in the top twelve were Keith Peacock of Streetsville, Scott Killin of Applewood, Rob Gemmell and Dan Morgan of Graydon, Tom Chase of Brampton, Jeremy Abbott of Port Credit, Craig Smith of Clarkson, Dow Wright of Erindale and thirteen-year old John Campbell of Clarkson.

Gordon Graydon had the maximum forty-five runners in the three races.

All teams are eligible to compete in the Peel-Halton regional qualifying races in Oakville next Thursday. The top teams and individual runners in that meet will qualify for the All-Ontario championships on November 6.

PAUL CALLAGHAN

ADRIAN HUSSEY

## DERBYS LOSE TO OAKVILLE & BRAMPTON

Two glaring problems continued to plague the Streetsville Derbys of the Central Ontario Junior B Hockey League.

Last Tuesday at home and again last Thursday at Brampton it was the same problems that beat them in three of their previous five starts to wit, too many pen-

alties in period three and too few players on the bench.

In most of their games this year the inexperienced Derbys have kept pace with their adversaries for two periods but have tired and yielded to temptation to pick up needless penalties in the third period. Almost every time the Derbys have gotten a penalty in the third

period, they have paid dearly for it. As a result Derbys' third period record is 3 goals for and fifteen goals against in their first seven games.

The main trouble is a shortage of players and last week the story was no different.

Derbys carried a 4-3 lead into the third period against Oakville but when they began to get tired

and draw frustration penalties, the Blades came on strong and beat the Derbys 7-5.

In Brampton the Derbys were trailing 3-1 going into the third. Things didn't get any worse until late in the period when Brampton took advantage of Derby penalties to score twice, once when Derbys were two men short.

Hustling John Sears scored twice against Oakville, young Aidan Flately scored his first of the season and the other two went to defensemen Tom Smith and Falk Gruenwald, the second for each.

Newcomer Brian Dawes scored the only goal against Brampton on an assist by Bill Repath.

JOHN SEARS

PAUL MORAZE

## BADGES FOR GUIDES

The following members of the 62nd Guide Company recently received badges:

## Cooksville Seniors Entertained By Young Dancers

Tuesday, Oct. 19, 89 Cooksville Seniors met at Cooksville United Church.

The president Mrs. M. Whalen, chaired the business meeting.

A welcome was extended to Mrs. Travis a former member who is visiting here; also to Miss Chartrand, and two residents from Extended Care, Mississauga.

After the business meeting the members were entertained by a delightful group of young dancers and soloists under the direction of Mrs. Gervin. The pianist was Mrs. Inez Bedeme.

A hearty vote of thanks was extended to the young entertainers by the seniors.

Refreshments were served by Mrs. E. Hepton and Committee.

The next meeting will be held Nov. 2.

### SUPPORT UNICEF

Millions of deprived children need your help. Don't close your mind to the problems because they seem too big or too helpless. One dollar will buy a stethoscope. Thirty dollars could buy a year's supply of supplementary drugs for a mother and child health centre. Support UNICEF's work by giving generously this Halloween.

## THE CORPORATION OF THE TOWN OF STREETSVILLE CLERK'S NOTICE VOTER'S LIST 1971 TOWN OF STREETSVILLE COUNTY OF PEEL

## A Letter From Home

by MRS. MILDRED BELLEGHEM, A Member of the  
Mississauga Historical Society

Dear Karen Louise,  
(my granddaughter)

It was interesting to hear of your first trip to beautiful Belfountain; your description fitted this story of Belfountain taken from the old PEEL ATLAS dated 1877, which reads:

### BELFOUNTAIN -

"This is a small village about a mile from the intended railway bridge of the C.V.R. which will cross the Credit at an immense height, the structure being some 900 feet long and 89 feet high, and will be quite close to that famed locality for picnics called the 'DEVIL'S PULPIT'. The rocks being at this point almost perpendicular to the extent of several hundreds of feet.

If ever the railroad is completed through this place, the passengers who may travel on it will enjoy a rare treat, as there is hardly such a view of wild scenery to be found in Canada. The traveller will have magnificent natural scenery, wild and romantic, both beneath and on each side of him, once he enters the GLEN, near Belfountain, the whole way up through Church's Falls to Alton. The trout fishing

along this river is very good, and every year large quantities are carried away by anglers. Belfountain has a population of about 300, and contains a tannery, a saw and grist mill, one hotel, and a couple of stores."

From EARLY DAYS in PEEL COUNTY, a Paper read by Royal Grafton (a first cousin of my great-grandfather) to the Peel Pioneers at Brampton 1899, I quote:

"I think it was on the fifth line west, near the northern boundary of Esqueewing, that the precipice was so steep and high that they had to divert some distance west to ascend the mountain. When they returned to the line after scaling this high peak, they beheld the most beautiful scenery as they looked down on the variegated colours of the maples and other foliage near, and then away into the dim distance on that clear autumn day. As far as the eye could range they beheld the green waving pine tree tops so lofty they hid the view of all others and appearing from that elevated position, a panorama of pinery 25 miles away to Lake Ontario. As they gazed with delight at the

vision of beauty indescribable, impressive beyond words -- all trials were forgotten. As they continued to gaze with admiration and talked of the magnificent and wonderful work of Nature, their hearts went to Nature's God, who created it thus. They remained some time in this locality and amused themselves by rolling great boulders over the lofty precipice and seeing them crash to pieces in the rocky distance below.

"The only wild animals they noticed while surveying were a den of young wolves which they captured in a large hollow log." .....

"----- Throughout the survey, all hands were delighted with the lay of the land, the quality of the timber, the richness of the soil and its suitability for farming, except in a few limited localities. They were unanimous in their convictions, and expressions of opinion, that in the future it would become a magnificent farming country."

How true their predictions were, eh? Now - looking back in the old Atlas - to an excerpt on CATARACT, commonly called Church's Falls, the area had been allowed

to become a desolate wilderness until 1858, when a Mr. R. Church from Cooksville, bought the lands, and spent almost a fortune clearing up and making roads in a locality, once so very wild, and I quote:

"Mr. Church built a brewery which he ran for some time but at present is closed. There is a large flour mill situated a couple of hundred yards above the celebrated waterfall which is about thirty feet in height, viewing which from a point, farther down the glen, you get a most charming piece of natural scenery which on account of its beauty has been photographed and sketched by many visitors from a great distance. At the village in addition to the mills already enumerated there is a

large general store and post office, presided over by John Howard, Esq., who is also the Montreal Telegraph agent. There is a large woollen factory, a saw mill and two hotels, besides several handsome residences. The view at early morning, just as "Old Sol" is peeping above the horizon, from Mr. Howard's residence, is magnificently grand, you have the Credit River, hundreds of feet beneath, wending its way south, lined on both sides for miles with precipitous slopes, clad in forest green, away towards the classic village of Belfountain, around which the scenery is not only romantically picturesque, but more wild even than at the falls."

of that high precipice and gazed in awe at the surrounding beauty of our lovely Peel County and our lovely Belfountain, you stood on the self-same ground your dear old

ancestors stood and marvelled at the landscape they were called upon to do the first survey in 1819.  
From your loving  
Grandmother.

BELFOUNTAIN PARK

On October 2, 1971 at St. Andrew's Presbyterian Church, Streetsville, the marriage took place between Janet Edna, daughter of Mr. and Mrs. J. Drummond and Larry Reed Rutledge, son of Mr. and Mrs. L. Rutledge of Hornby. Rev. J. Hutchison officiated at the ceremony.

# Consumers' Gas

## History In The Making

Mr. I. Kaneff, president, Kaneff Construction Limited, is now in his 18th year of apartment construction in

Mississauga. The Kaneff organization's latest project, a condominium apartment tower at 2323 Confed-

eration Parkway has just been completed. The new building, besides being ultra-modern in design, involves a resident's concept of outright ownership of part of the building, along with the shared ownership of certain "common elements" in and around the building.

Other Kaneff projects under construction include Mississauga Court, Barrie; Mississauga Garden, Oakville; and Mississauga Place, Etobicoke. Another 25-storey apartment of approximately 300 suites is being started now on Hurontario Street. A future project is the proposed medical building, offices and hotel on Confederation Parkway at Queensway.

OUR BEST WISHES TO THE REVIEW ON THE  
125th ANNIVERSARY OF PUBLICATION OF THE  
FIRST EDITION IN STREETSVILLE IN 1846

Mayor Robert W. Speck of Mississauga chats with S. Bruce McLaughlin, President of S. B. McLaughlin Associates Limited, developer of the "downtown core" of the new Mississauga City. Object of their attention is architect sketch of the future Civic Centre, which will eventually house the total administrative services of a city of 1,500,000 population.

## A WEDDING WITH A TOUCH OF OLD-FASHIONED CHARM

On August 21, 1971 a beautiful wedding, with a touch of old-fashioned charm, was solemnized in The Streetsville United Church.

Rev. P.B. Field, assisted by Father B. Law performed a very impressive and effective double ring ceremony, uniting Marian Kathleen Ellis, daughter of Mr. and Mrs. Stanley Ellis, Streetsville, and Walter Raymond Boudreau, son of Mr. and Mrs. Hubert Boudreau of Yarmouth Nova Scotia.

The church was very appropriately decorated with twin arrangements of gladiolus, mums and red carnations. The guest pews were decorated with white bows and flowers.

The bride, given in marriage by her father wore a full length gown in old-fashioned styling, of silk organza over taffeta, fashioned with smocked bodice and cuffs and tiny stand up collar. White daisy motifs adorned the bodice and cuffs and edged the head piece and veil which took the form of a long train. The bride carried a white bible adorned with red sweetheart roses and miniature carnations. Also included in the bride's bouquet was a handkerchief carried by her Grandmother at

her wedding in 1904; and a 'chimney sweep' and 'horseshoe' and English symbol of good luck, borrowed from her Matron-of-Honour.

She was attended by Jennifer Henderson as Matron - of - Honour; bridesmaids were Lorraine Enman, niece of the bride, Debbie Boudreau, sister of the groom and Cynthia Ellis, sister of the bride.

The bridesmaids carried through the old-fashioned theme with their long pant gowns which featured full length sleeves and bodice of white organza over taffeta, and red and white gingham culotte skirts.

The carried white baskets of daisies, miniature carnations and sweetheart roses.

Best man was Buddy Boudreau, brother of the groom; ushers included Jack Boudreau, brother of the groom, Elwood Ellis, brother of the bride and Jack Cottreau, a friend of the groom. Their white tuxedos trimmed with black braid and red rose bud boutonnieres harmonized well with the bridesmaids' apparel.

Kerry Knickle, accompanied by Fae Falls on the organ performed two beautiful solos, "Love, Ohk at the Two of Us" and "Since you asked".

A reception followed at the Streetsville Community Centre, where the brides' mother received wearing a yellow dress and coat ensemble with matching accessories and corsage of pink rose buds; assisted by the

groom's mother wearing an aqua dress with pleated angel sleeves and corsage of white rose buds.

Master of Ceremonies was Arthur Ellis, brother of the bride, who proposed the toast to the bride. The head table was centred with a three-tier wedding cake, made by the bride's mother and topped with a bouquet of red rose buds, and was cut in traditional fashion by the bride and groom.

The Guest Book was circulated by Sue Anne Harkness, niece of the bride.

For their honeymoon in the Thousand Islands, the bride left wearing a hooded pink and white hot pants outfit, with laced sandals and a "garter corsage" of pink rose buds.

The newlyweds will reside at 25 Cambridge Cres., Brampton.

THE REVIEW  
125 YEARS OLD

# MISSISSAUGA CITY: CANADA'S NEWEST CITY

One hundred and twenty-five years - over a century of change -- taking us from bustles to bikinis, steamships to superjets, the big town to the megalopolis.

And more recently, taking us from the threat of unwieldy and unsightly sprawling urban centres to an

exciting concept in living, being developed by S. B. McLaughlin: Mississauga City, Canada's newest city.

As in the history of any part of Canada in the past hundred and twenty-five years, the massing of people, the uniting of families into communities with the commerce to serve

them and in turn support them, has been the prime motivation in Mississauga's growth.

Perhaps leading the parade of developers of properties to be recorded in Mississauga's annals is Bruce McLaughlin and the S. B. McLaughlin Associates Limited.

It was 20 years ago that then law student McLaughlin decided the area surrounding Burnhamthorpe Road and Highway 10 was ripe for development as a city. But not just a city. An ideal city. Meticulously planned ahead to be perfect. What followed is Mississauga City history.

During the fifties and sixties the plans were made, the company formed, an work began: architecture, engineering, sociology, economics studies: land accumulation, planning .... endless planning .... and the search for the right outside interests to participate in a "consortium to build a city".

In the late sixties, the tempo accelerated. Simpson's became a major shareholder. The first public financing was completed. Construction started on the first office building, the head office of S. B. McLaughlin Associates. Imperial Oil entered into agreement to join the consortium. The Government of Ontario designated Mississauga as one of the regional cities in the Toronto-Centred Region. At this date, 4,000 acres have been gath-

ered into the McLaughlin hands to be molded into an exciting, alive city. One that is aesthetically satisfying and stimulating. One that eliminates the mistakes of yesterday.

In 2071, the Mississauga Review in its 225th anniversary issue may tell its million-plus Mississauga City readers .. "100 years ago, a man had a dream. His dream - your city."

In 1971, Mississauga knows Bruce McLaughlin has a dream. But he's not a dreamer. He and his team of professionals are turning a little-used, little-known corner of Peel County into Canada's newest city.

## PEEL REGION C.W.L. HOLDS OPENING MEETING

The Peel Region C.W.L. held its opening General Meeting at St. Patrick's Catholic Church, Parish Hall, on Oct. 14.

The Rev. J.J. Buckley, pastor of St. Patrick's said mass preceding the business meeting.

Mrs. J. Carpenter, chairman of the region

introduced the guests of the evening--The Rev. F. Robinson, the Archdiocesan Director; Mrs. L. McCann, Archdiocesan President and the ladies of her executive.

Mrs. L. Bulger presented Mrs. R. Ried, the retiring chairman with a gift of appre-

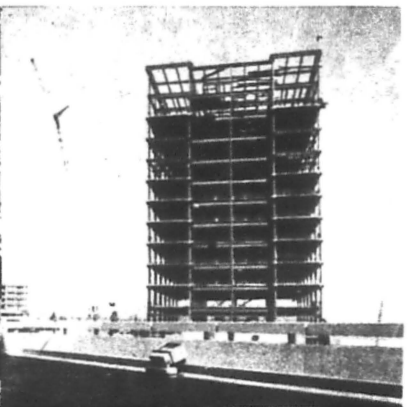

ciation for her work during the past year.

Mrs. E. Biss, the Regional Convenor for cultural life reported that a group of volunteer members were going to be working with the psychology department of the Peel Dufferin Separate School Board and the teaching staff to help

children needing individual attention and help in the schools--help in the schools. The C.W.L. will again sponsor the Public Speaking Contest in February.

Following the workshop period Mrs. L. D'Angelo and her committee served refreshments.

## The People of McLaughlin

In our industry, bricks and mortar and steel rising on the skyline are only symbolic of the efforts of a team of skilled people in the background.

We at McLaughlin are proud of the people of our various Divisions - Construction, Land, Residential,

Industrial, Commercial and Sales. People engaged not only in the construction of the heart of Ontario's New City of Mississauga, but to be found throughout southern Ontario at work with McLaughlin projects at Windsor, Woodstock, Georgetown, Burlington, Etobicoke, and Markham.

S.B. McLaughlin Associates Limited  
McLaughlin Building

Mississauga, Ontario

## THIRTY SENIORS TREATED TO LUNCH BY THE I.C.C.S GROUP

Tuesday, Oct. 20, the ladies of the Inter-Church Community Service Group, whose president is Mrs. G. Fooks, treated thirty seniors to luncheon at St. Hilary's Anglican Church, 2055 Hurontario St., Mississauga.

The Rev. R.E. McLennan, of St. Hilary's welcomed the visitors. Five of the seniors present, were from "The Willows" Nursing Home on Dixie Rd. — all happy and cheerful.

It is the intention of this group to hold a

luncheon for the seniors of the area once each month in the district churches affiliated with the group.

The numbers of seniors attending these luncheons by invitation will vary each month according to accommodation available in the churches.

All names of seniors submitted for invitation to these luncheons will be on a rotation basis, so all share alike.

The seniors who were present at this first luncheon wish to

thank the ladies of this organization and Rev. R.E. McLennan, for the kindness and hospitality shown them.

The seniors feel this is a worth-while project, because there seems to be a great need for them to get out among others, once in a while.

Last Tuesday (Oct. 20) was a free Taxi day for seniors, so it was no problem for transportation to and from the church.

The seniors appreciate this service very much, and extend their thanks to the courteous cab drivers of Peel Taxi Ltd., who make all this possible.

IT WAS "LOVE AT FIRST BITE" when Canadian recording star Anne Murray met Snowball and Whitey, the pair of six-months old oxen at Black Creek Pioneer Village during some location shooting for Miss Murray's first special of this television season, "Anne Again", which will be shown November 8 at 8.30 p.m. on the CBC network.

Black Creek was used as background for Miss Murray's version of "Cotton Jenny", a Gordon Lightfoot song which she does during the show. Miss Murray was making friends with the young oxen when Snowball decided the poncho she was wearing looked good enough to eat. Jack Cowan, of Woodbridge, the livestock man at Black Creek quickly rescued the edge of Miss Murray's poncho before any damage was done.

## ART EXHIBITIONS AT ERINDALE COLLEGE

A reception is being held at Erindale College, University of Toronto, on Mississauga Rd., Thursday, Oct. 28 from 8 to 10 p.m. for Paul Rainey, a young artist exhibiting his work in the lounge of the Preliminary Building. Mr. Rainey was born in Winnipeg in 1949, and now lives in Oakville. He works with acrylic on canvas and explores the use of colour and its spatial relationships. He was at the Kitchener-Waterloo Gallery and has contributed to several exhibitions in the Oakville-Georgetown area. All interested persons are invited to the College to meet him on this occasion. The exhibition will remain at the College until Nov. 14.

At the same time there is an opportunity to see something from a different era—reproductions of the paintings of Hieronymus Bosch exhibited in the foyer of the preliminary building. On loan from the Art Gallery of Ontario, these paintings are described as "having a special and significant interest for the public of our time, an interest which far exceeds aesthetic appreciation. Modern man is inclined to see in them such close and intrinsic relations to his own ideas that he is often tempted to look at these works in the same way that he looks at contemporary art. Yet, the artist who created them lived at the end of the Middle Ages (1450-1516), in

a spiritual climate quite different from that of our time".

Erindale College is a college of the University of Toronto, is situated on Mississauga Rd., just north of Highway 5, and the buildings are open until 11 p.m. Monday-Thursday, until 5 p.m. on Fridays, and from 2-5 p.m. on Saturdays. (Further information, tel. 828-5212)

HALLOWE'EN FOR UNICEF CANADA

There are 700 million children in the 112 developing countries of the world helped by UNICEF. That number will double in the next 30 years. Their welfare and development are UNICEF's concern and yours. Give generously at Halloween.

### NEW T.V. STORE

Dixie Radio & TV, for 23 years at 776 Burnhamthorpe, announces a move into the firm's new store at Cawthra Plaza, 3635 Cawthra Rd., Mississauga.

Mr. C. W. Giesler and son Bill Giesler will operate the business, with Jack Harkiss as service technician. The company has found strong demand during the past five years in TV rentals and TV antennas, and represents Admiral in the TV sales field. Their new showroom provides adequate space to display the Admiral model group.

Bill Giesler, who expects to take an increasingly active part in the business, is a graduate of Appleton High School and is currently attending Humber College, Etobicoke, majoring in electronics. Bill also finds time to coach in the Mississauga Hockey League, with a minor hockey team sponsored by his firm. He also plays hockey himself in the local industrial league.

Dixie Radio & TV expects the new store will permit expanded sales and rentals of the most up-to-date color and black and white television equipment, backed by a strong local manufacturer's guarantee through a fully authorized local agent.

## DRUG INFORMATION AND EDUCATION GRANT FOR PEEL COUNTY AGENCY

A \$8,200 drug information and education grant from the federal government's Non-Medical Use of Drugs program to Rapport House in Brampton, was announced last week by

Bruce Beer, M.P. for Peel County, on behalf of National Health and Welfare Minister John Munro.

The grant will be used by Rapport House, a former crisis-intervention centre, to

provide an on-going drug education program designed to meet the needs of the adult population. This program will offer talks and discussions on such matters as child management, family communications, and harmful drugs and preparations in the home, family problem solving, available counselling services and community involvement opportunities.

Project personnel hope to produce a number of half-hour drug information programs for television and a film explaining the nature and hazards of a number of drugs and preparations found in the home as well as "street" drugs.

They will also undertake research into the patterns of young people who enter the drug scene, the effectiveness of various rehabilitative techniques and procedures and other data which may be useful to parents and counselling services.

## LAND BANK PROGRAMME

A new land bank program will be operated by the Province of Ontario. The purpose of the Ontario Land Acquisition Corporation will be to acquire land for future public use, particularly land in and around the urban centres and recreation areas. With such a

land bank program, the province will be in a better position to implement its policies in the area of regional development, urban development, recreation, transportation and housing. The initial funding of the Corporation is \$20-million.

## Looking for a gift? Think electric

Whatever the occasion, you'll find an electric gift to suit it. A luxury item perhaps, or something that will help with the chores, or add more fun to a hobby. Look for an electric gift — the gift that works.

Guest Speaker: Mr. JOHN M. PORTER  
(President Sheridan College of Applied Arts and Technology)

## GO AHEAD!

## BUY CANADA SAVINGS BONDS

If you're looking beyond today, plan ahead with Canada Savings Bonds. They're the go-ahead way to save for the future — without worry.

**Easy to Buy:** You can buy them three different ways; for cash where you work, bank or invest; on instalments through the Payroll Savings Plan where you work; or on instalments through the Monthly Savings Plan where you bank or invest.

**Simple to Cash:** Canada Savings Bonds are cash, hard cash — instantly. They can be redeemed any time at their full face value plus earned interest.

**Good to Keep:** Canada Savings Bonds are safe. They're backed by all the resources of Canada and they pay

good interest — year after year. New Canada Savings Bonds yield an average of 7.19% a year when held to maturity. They're available in amounts from \$50 up to a limit of \$50,000.

Each \$100 Bond begins with \$5.75 interest for the first year, pays \$6.75 interest for the second year, pays \$7.50 interest for each of the next five years, and then pays \$7.75 interest for each of the last two years.

On top of this you can earn interest on your interest and make each \$100.00 grow to \$187.00 in just 9 years.

Canada Savings Bonds are good today, better tomorrow. They're Canada's most popular personal investment. Look ahead! Go ahead! Buy Canada Savings Bonds.

## STREETSVILLE SENIORS HOLD ANNUAL MEETING

The Streetsville Senior Citizens Annual Meeting was held Wednesday evening, October 20. Annual reports were presented by the Secretary and Treasurer.

Cela Thomson presented the slate of officers for the coming year. They are:

President - Laura Marchmont; Secretary - Elva McPherson; Treasurer - Bessie Cantelon; Assistant Treasurer - Edna Waite; Program - Maybelle May; Sick Cards - Christina Edwards; Birthday Cards - Lily Ellis; Phone Convenor - Anita Stiles; Social Convenor -

Kathleen May; Transportation - Jean Steen; Pianist - Doll Wright.

Plans were made for sponsorship of a Progressive Euchre to be held Thursday, November 4 in the clubhouse. All welcome. The charge of 75¢ includes lunch, cards and prizes.

## W. I. TOURS MEADOWVALE INFORMATION CENTRE

Thirty-nine members of the Women's Institute were guests at the Meadowvale Information Pavilion to view the outlay of the new Meadowvale Town. Arrangements were made by Mrs. Maas, Current Events convenor.

Mr. Paul F. Langer showed a film of Meadowvale, one hundred years ago, and a film projecting the proposed plan of preserving "Old Country Atmosphere" in the new town. Another slide film showed the faults of suburbia living and the new development hopes to correct this in the new

Town of Meadowvale. The ladies continued the W.I. meeting at the Library. Roll Call was "A Current Event that will make History". Mrs. F. Dowling welcomed the visitors, Mrs. Forrester, Mrs. Trimble and Mrs. C. Line.

Mrs. N. Cook and Mrs. F. Dowling attended Training School at Snelgrove on October 7 and 8.

Mrs. R. Dadd presented the Streetsville W.I. with a hooked matting to be used as a frontal.

Mrs. Wm. Finley is voting delegate at the area convention to be held at the Royal

York Hotel on November 3, 4 and 5.

Mrs. G. Burke read letters of thanks from sick members. All are wished a speedy recovery.

The Committee working on the W.I. 75th Anniversary Project are busy and several suggestions were submitted by Mrs. Wm. Wagner.

Mrs. N. Cook gave the report from the District Board meeting.

Mrs. B. Maas gave the report from F.W.I.C. news.

The meeting closed with "O Canada" and lunch was served by the committee.

## CONSULTANT SAYS COUNTIES DEAD IN 20 YEARS UNLESS ACTION TAKEN

"County government in Ontario as we have known it is dying of natural causes. It will be dead in 20 years," So said Donald L. King, in opening the 12th Annual Conference of the Association of Counties and Regions of Ontario.

Mr. King, a principal with Stevenson & Kellogg, Ltd., management consultants, suggested to some 200 delegates that the future of the Association depended on the initiative individual counties took in strengthening their own futures.

Referring to the ACRO booklet "Guide-

lines for Action", he said, "It's a good booklet. Now it has to be turned into action -- and much of the leadership has to come from the people in this room". He emphasized that counties must change -- or provincial government will usurp their role.

Mr. King identified the areas of change as being planning, development, boundaries, the county warden's job, the financial base, and re-arrangement of responsibility for services. To affect these changes he recommended that individual counties should:

1. Strengthen county administration;
  2. Develop an official county plan that integrates with plans of local municipalities;
  3. Undertake cooperative programs with nearby cities;
  4. Approach new problems with new and fresh ideas and an open mind.
- The role of the Association was defined as one of giving leadership to the development of strong second-tier government. "ACRO developed the 'Guidelines' booklet, said Mr. King in closing, and "ACRO should see that it turns into action."

## FIVE DENOMINATIONS COOPERATE IN ERIN MILLS CHURCH CAMPUS

Five religious denominations are co-operating in the development of a church campus on a five-acre site in the community of Erin Mills New Town.

The church campus concept involves the grouping of facilities of different denominations on one site and permits the various religious faiths to carry on independent programs while sharing the cost and use of common facilities.

Erin Mills is a planned community for 150,000 people now being created on 7,000 acres in the Towns of Mississauga and Oakville by Don Mills Developments Limited.

The Anglican, Baptist, Presbyterian and United Churches have purchased the site in Erin Mills under the auspices of the Inter-Church Regional Planning Association.

This is the first time in Canada that five denominations have cooperated in the purchase of a site and in

the planning of a church campus to serve a new community.

A plan for programs and facilities is now being developed and will proceed as population grows in Erin Mills.

Construction of single family and semi-detached homes

began in September in Brookmeade, the first neighbourhood in Erin Mills. It is expected that first residents will move in later this fall. Brookmeade is near the intersection of Erin Mills Parkway and Dundas Street and the church campus site is just north of the neighbourhood.

## MISSISSAUGA RECREATION NOTES

The next meeting of the Shewary Recreation Association will be held at Sherway Dr. School in the staff room on November 4 at 8:30 p.m.

Please plan to attend.

Registration of participants for day-time instruction in furniture re-upholstery is being accepted for the series commencing in November at Springbank Community Centre.

Two classes have openings: Tuesday, commencing Nov. 9 and Wednesdays com-

mencing on the 10th. Both are held from 9:30 a.m. to 2:30 p.m. and are of six weeks duration.

The activity is sponsored by the Erindale Recreation Association, which is affiliated with the Mississauga Recreation Dept.

Prospective participants should apply to the Recreation Dept.
